COUNTRY HILLS ELEMENTARY

OCTOBER 2026

PROWLS & GROWLS

PRINCIPAL MEACHAM'S MESSAGE

Happy Fall Everyone! October has arrived and the weather has been a little cooler and we are hoping those temperatures will continue to be more "fall like" over these next few weeks. This first quarter of school has been extremely busy with getting classes up and running, putting routines and procedures in place and making sure students are engaged in learning. We want to continue to thank you for your support and patience through these times.

The end of the first quarter is October 9th. Progress reports for quarter 1 will be sent home later in the month. Even though these are posted in FOCUS for families, we will be sending home hard copies for our students. Please make sure you look for these and sign and return the envelopes to school. If you haven't already, please make sure you are taking time to set up those conferences to come in to discuss your child's progress. We do expect all families to come in and meet with your child's teacher(s) at least 2 times a year. Thank you to all of those who have already been in.

Thank you to all of the families who attended our UFLI parent event this week. We appreciate you taking the time to participate and learn more about this program to help support your children. We hope you felt it was beneficial. Thank you to our wonderful PTA and all the volunteers who ran a very successful fall book fair. The students were able to purchase several good books to add to their collection. We continue to appreciate all our families support with all of our school initiatives.

Our Leader In Me is in full swing and we celebrated our first Habit Heroes assembly a few weeks ago. Teachers are truly seeing this initiative taking off and developing leadership roles within all our students. We hope you see this at home as well. This month we focused on students who have been proactive. There were many ways students demonstrated this habit from school work, solving problems or even at home. We look forward to seeing how these leaders develop throughout the year.

This month is another busy month. We have our Trunk or Treat on October 16th. Please make sure to sign up for a spot to decorate your trunk and help us hand out candy to our kiddos. On October 30th, we will be having our annual Halloween Parade. This year we will have the band from MSD leading our parade. Students are allowed to come to school dressed in their Halloween Costumes. Please remember students' faces cannot be covered with masks and no toy weapons may be brought to school. Parents are welcome to view the parade route on the sidewalks as we parade around campus. Please note all once the parade has completed, we will not allow any parents on campus unless you have been cleared prior to the 30th to volunteer. We are looking forward to a wonderful event.

COUNSELORS CORNER

A Great Start to the School Year!

Your school counselors, Mrs. Schaffer (Grades K, 2, and 4) and Mrs. Hahn (Grades 1, 3, and 5), are off to a wonderful start at Country Hills Elementary (CHE)! We have enjoyed visiting every classroom to introduce ourselves and begin building positive relationships with our students.

We have completed our first classroom lessons, helping students learn about being proactive and using emotional regulation strategies to manage big feelings and make positive choices. We introduced the Leader in Me Pause Plan—a simple strategy that encourages students to pause, notice how they are feeling, and choose a strategy before responding.

Students explored a variety of strategies they can use when they need to calm their bodies, refocus, or work through challenging emotions, including deep breathing, taking a movement break, listening to music, journaling, talking to a trusted adult, counting to ten, and taking a few quiet moments to reset. We are encouraging students to discover which strategies work best for them and to practice using them proactively—before emotions become overwhelming.

September has been a busy and meaningful month at CHE! We celebrated both Peace Week and Start with Hello Week, giving students opportunities to spread kindness, build connections, and think about how they can create peace within themselves and with others. Students reflected on the 7 Habits and drew or wrote about a habit that helps them find peace within themselves or build positive relationships with others. Their thoughtful creations were added to our Peace Tree, creating a beautiful display of student voices and ideas.

Students also participated in our Chalk4Peace activity, filling our sidewalks with positive messages of peace, kindness, and encouragement for everyone in our school community to enjoy. It was wonderful to see our students sharing their creativity while helping make CHE an even more welcoming and positive place to learn!

We are excited for another amazing year of learning, growing, and leading at Country Hills!

Parents and families: If you have any questions, concerns, or would like to connect with us about your child, please don't hesitate to reach out to Mrs. Schaffer or Mrs. Hahn. We are always happy to partner with you to support your child!

WHAT CAN YOU SHARE?

- What you do and what a typical day looks like
- How you got started in your career
- Skills, training, or education that helped you
- A fun story, interesting fact, or demonstration

EXPLORE LEARN GROW BELONG

A SPECIAL THANK-YOU

All Career Day volunteers will begin the morning with a **PTA-sponsored breakfast with their student** before heading to the classrooms.

It is a great way to spend a little extra time together before the school day gets started!

GOOD PEOPLE INSPIRE GREAT KIDS!

RETURNING VOLUNTEERS - WE WOULD LOVE TO HAVE YOU BACK!

This year, volunteers will not be assigned to their child's class. Mixing things up gives students the chance to discover new careers and helps prevent repeat presentations. Your experience is still incredibly valuable, and a new group of students will be excited to hear from you!
