

THE LEOPARD DEN

October 5-9, 2026

Important Messages

Walking Wednesdays

Join us for Landell's Walking Wednesdays, beginning **Wednesday, October 7**, and continuing every Wednesday! Families are invited to meet at Veteran's Park at 7:50 a.m., and we will walk to school together promptly at 8:00 a.m. Walking to school is a great way to support healthier kids, a stronger community, a cleaner environment, and brighter futures. All Landell families are welcome, and no registration is needed!

Kids Heart Club

Kids Heart Club is open to students in 3rd–6th grade who are interested in learning about the heart, healthy habits, and how to help save lives. Students will participate in three fun and educational classes covering heart health and nutrition. See flyer below for more information.

Weather Update

With warmer weather expected in the coming days, we will be monitoring temperatures and conditions daily and following district guidelines for outdoor activities, including recess, lunchtime, and PE. We will make adjustments as needed to help keep students safe, comfortable, and hydrated during hot weather. Families are encouraged to send students with a water bottle each day.

Keep learning. Keep growing.
