Algebra 1: Requirement Met

Please review the classes that ██████ needs to complete for graduation. Credit deficiencies can be made up by enrolling in Adult Night School and/or Edgenuity Credit Recovery classes. Students need to contact their counselor to be placed in these classes if the are not in them already. In addition, for students far behind in credits, he/she/they can be referred to Stein; referral must be submitted by student's counselor and have parent/guardian approval.

Sincerely,

Gurneet Sharma  
Academic Counselor

On track for graduation { }

Not on track for graduation {✓}

# Senior Clearance Card

Distribution will be on  
May 17. Counselors will  
present in Econ/Gov.

- 1 week to complete/return
- Pass/fail
- Teacher signature required
- Parent phone call if student failed a grad req or if they will not graduate
- Edgenuity Completed May 1<sup>st</sup>
- Adult School work submitted by May 6<sup>th</sup>
- Non TUSD (BYU, SVHS, UC SCOUTS) done by May 1<sup>st</sup>

**DUE: May 21, 2027 by  
4pm**

# Credit Recovery Plan

**Goal:**  
Develop a plan that will  
allow students to  
recover credits in time  
for graduation

## **12th Grade:**

- Place credit deficient note on schedule
- 1:1 graduation status meeting
- Develop credit recovery plan

## **Credit Recovery Resources:**

- Edgenuity (built into schedule)
- Edgenuity (zero period)
- Tracy adult school (not A-G)
- Delta College (CES Form must be completed)
- Online approved programs: BYU, Silicon Valley, UC Scouts (Concurrent enrollment form)

A dark blue sign-in form. At the top, it says "Sign In" in white. Below that are two white input fields: "Email Address/Username:" and "Password:". A grey "Sign In" button is below the password field. A link "Forgot Password?" is below the button. At the bottom, there is a "Sign in with Google" button with the Google logo.

- ☐ Log In California Colleges account with your student district email (ex: 12345678@student.tusd.net)
- ☐ Log in to your California Colleges account to launch the following:
  - ☐ FAFSA
  - ☐ Dream Act
  - ☐ Community Colleges
  - ☐ California State University
  - ☐ University of California
  - ☐ Common App

# Local Colleges & Universities

- UC, Berkeley (55 mi.)
- UC, Merced (74 mi.)
- UC, Davis (81 mi.)

Deadline  
11/30/2026

## Community Colleges:

- Modesto Junior College (28 mi.)
- Delta College (23 mi.)
- Las Positas (22 mi.)

Must have high school diploma or be 18 years of age

- Stanislaus State (43 mi.)
- Cal State East Bay (41 mi.)
- Sacramento State (68 mi.)

Deadline:  
11/30/2026

# CSU Transfer Pathway

## **Students are eligible if:**

- They are a recent high school graduate, or earned a GED and haven't earned any college credit since
- They are a first time freshman entering a California Community College and were not eligible to attend the California State University when they graduated a high school
- They are a first time freshman who was eligible to attend the CSU, but didn't do so because of personal or financial reasons
- They were admitted to a CSU campus, but the campus wasn't their first choice

Transfer Success Pathway

# UC Transfer Admission Guarantee Program

## **Students are eligible if:**

- Six UC campuses offer the Transfer Admission Guarantee (TAG) program for California community college students who meet specific requirements
- By participating in TAG, students may receive early review of their academic records, early admission notification and specific guidance about major preparation and general education coursework for a specific UC Campus

TAG Program

# Do I need to take the SAT?

SAT will be offered at school on 10/3 (note: full)

Dec dates for SAT still available

You will need to take the SAT if you are attending a private or out of state college

A poster for Merrill F. West High School announcing SAT registration for seniors. The poster features a blue and yellow geometric design with overlapping circles and rectangles. The text is centered and uses a mix of bold and regular fonts. The background is white with a faint image of a school building.

Merrill F. West High School

## ATTENTION SENIORS

# AFTER YOU SUBMIT YOUR CAL STATE APPLY APPLICATION FOR FALL

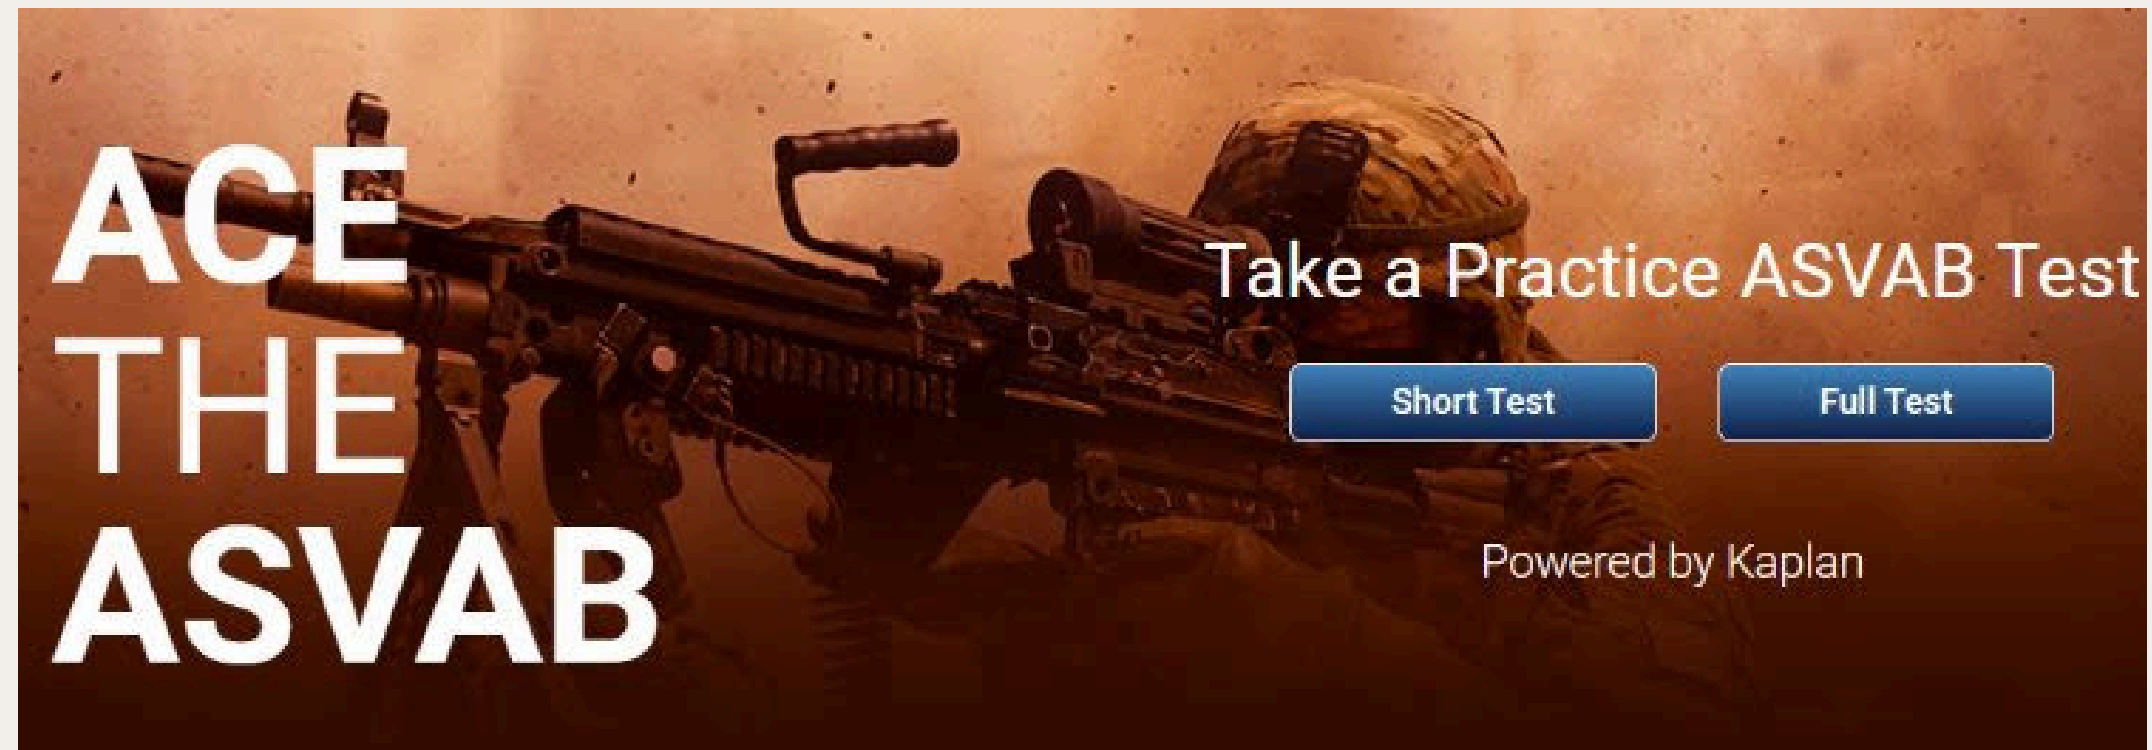

- ROTC (Reserve Officer Training Corps) is another option for students wanting to attend college. Each branch of the military has a ROTC program.
- Students are required to take the ASVAB test. Timed aptitude test. Helps determine which job placement is best within the chosen military branch.
- Speak to Ms. Urbina in the College and Career Center for more information!

# U.S. Military

# U.S. Military

- Students can start preparing now by taking the ASVAB practice tests.
- See your score
- Test can identify areas for improvement
- Get access to the ASVAB study guides to learn how to prepare for the ASVAB test (**ASVAB CEP will be offered on 10/27 & 2/9**)

# Apprenticeships

An apprenticeship is a program that trains a worker to become skilled in a particular trade. Apprenticeship combines hands-on work with classroom learning to train the apprentice

- Electrician
- Manufacturing and Maintenance
- Welding
- Plumbing
- AmeriCorps/JobCorps
- California Conservation Corps

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Tuesday                                       | Wednesday                                            | Thursday                                        | Friday            |
