PRINCIPAL'S MESSAGE

Happy Fall! It's nice that October is bringing with it some fall weather! September was a great month of celebration with Homecoming and honoring all that makes Grandview so great. Thank you for all the support and participation in the week. Our students and our entire community had a great showing at every event. The Grandview pride was everywhere!

Academically, we are nearing the midway point in the semester, and we are working to ensure our students are learning every day. On October 7th, students will have the opportunity to take practice PSAT/SAT tests during College and Career Readiness Day. Please check our website and your email for more information about what each grade level will be doing that day.

October 7th will also be our fall, in-person conferences. The conferences will be arena-style, held in our gyms and commons from 4:00 – 7:30 that day. These are five-minute conferences and are a great way to meet with your student's teachers and hear about progress and learning in class. If you are unable to attend, you can always contact teachers via email or phone (all information is on the Grandview website).

Athletically, some of our fall sports are currently wrapping up their seasons, while others are entering playoffs. In clubs, students are meeting regularly and planning events. Our performing arts students are practicing every day in preparation for the upcoming musical in November: Urinetown. And our Pep Band just wrapped up a busy and successful season performing in parades throughout the state. Every day is a great day to be a Wolf!

Our students have been working hard, so luckily, Fall Break is only a few weeks away. Hopefully everyone will get some much-needed downtime and come back ready to take on the second half of the semester. We appreciate all you do to partner with us in your student's education.
At Grandview, we are One Pack! Go Wolves!

SCHOOL SAFETY

Grandview High School is committed to providing a learning environment where students, staff and community members feel safe. This includes attention to both physical and psychological school safety. Each year, we revise our Readiness and Emergency Management for Schools (REMS) Template, which outlines important safety procedures we follow. This includes items such as our drill schedules and plans for preparation and response to potential school emergencies. On a regular basis we conduct Fire, Secure Perimeter, and Lockdown drills, and we continuously revisit and revise all safety procedures. All of our procedures are designed in accordance with recommendations of best practice made from both external agencies and the Cherry Creek School District. By establishing such proactive measure, and continually reflecting upon and adjusting our plans as needed, Grandview High School strives to promote and maintain a safe learning environment. For any questions related to school safety at Grandview High School, please contact Trevor Watrous, Assistant Principal 720.886.6524

EVACUATION/FIRE DRILL
The school is evacuated due to a safety concern inside the building. One drill required per month.

SECURE PERIMETER
All exterior doors are locked in response to a concern outside of the building. Business is conducted as usual inside of the building.

LOCKDOWN
Students and staff respond to a threat inside the building by sheltering behind locked doors.

SHELTER-IN-PLACE (SEVERE WEATHER)
Students and staff move to "tornado safe" areas in the school, which typically means on the first floor away from windows and doors.

Cell Phone Reminders

- Upon entering class, students are expected to turn off or silence their phones and place them in a designated location determined by the teacher.
- Students may use their cell phones before and after school, during lunch,and during passing periods.
- If you have an emergency and need to get in contact with your student while they are in class, please contact the main office at 720-886-6500.
- Non-compliance will result in progressive discipline measures.

Grandview Attendance Reminders and Information

- To report an absence, please call the attendance line (based on your student's last name). Be sure to provide your student's name **with spelling**, grade, date of and reason for absence, your name, and contact number. Please give 24 hours for attendance to be updated!
  A-L: 720-886-6595
  M-Z: 720-886-6596
  Early dismissal: 720-886-6597

- See below for board policy regarding absences.

- If your student's absence is for a medical appointment, dentist appointment, or illness-related, please provide a medical note to your student's dean.

- Upon being absent for 15 total days (excused and unexcused), a medical note will be required to excuse any further absences.

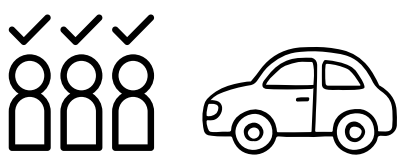

- Attendance to Advisory matters! Students, please be reminded to attend your Advisory class on Wednesdays. This class is a chance to make connections with students and staff, learn something new in a non-curricular way, and support your overall social/emotional well-being. Advisory is a scheduled class, and absences count against your (and the school's) overall attendance rate.

- If parents/guardians are not comfortable leaving the reason, they may call the Dean's office to get the student excused.

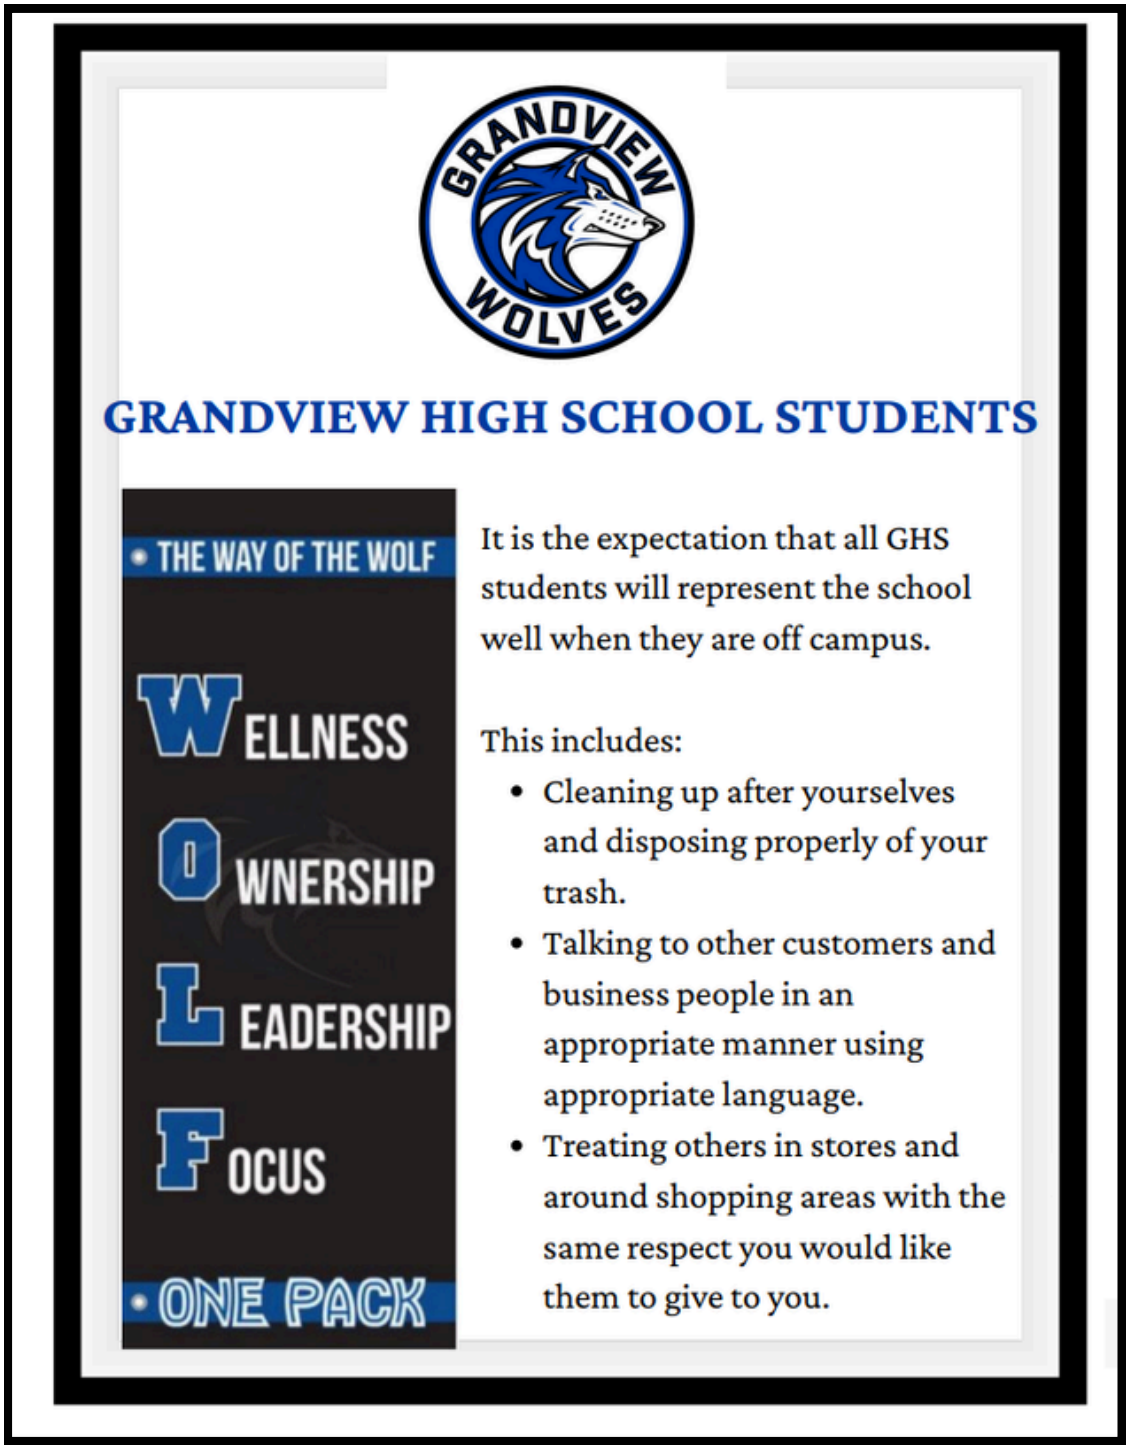

Per Cherry Creek Board Policy (JH), excused absences include illness, medical appointments, family emergencies, religious observations, school-sponsored events, and pre-approved absences. A medical note is recommended for illnesses or doctor/dentist appointments. In the case a doctor's note is provided, the absence will be marked with excused medical (M) and will not count towards the student's total number of absences. A student may not be excused by a parent or guardian from classes while the student is on campus, including make-up work or to take a test for another class.

Student Parking Passes

Student Parking Passes (NO FEE!): Students, if you have not done so already, please get your 2026-27 Parking Pass. Please visit the GHS website (Students – Parking) to submit your license, insurance, and registration information; then go to the Lower GHS Security Vestibule to obtain your physical parking pass. Remember, there's no fee for a student parking pass. Be sure to drive and park appropriately and safely.

DEANS' CORNER AND SCHOOL SAFETY

Wolf Community, recently, there has been an increase in student behavior concerns on and around the Saddle Rock Marketplace property adjacent to Grandview. Students, as a reminder, we expect you to positively represent GHS on and off campus, including properly disposing of trash, interacting with others appropriately, and treating others as you would like to be treated. Please see the flyer above that was shared with the marketplace.

Sincerely,
GHS Administration

The math tutoring center (MTC) is a place where students can get extra support in Algebra 1 for half the period and a drop-in space for help the other half of the period. We like to provide snacks and candy prizes for our Algebra students to encourage them to come seek out help and celebrate their success when they do well on their math quizzes and tests. We would love to have parents donate cartons of goldfish and/or bags of candy for our snacks and prizes. You can bring donations to the main office anytime throughout the school year and they will get them to the tutoring center.
