Exploratory Course Request to Change Process

Paper forms will be available in the counseling office on the first day of school (August 3rd) for students to fill out, have parents sign, and return for the request to be reviewed. Due to the size of our school and limited space available in each class, we do not honor teacher requests and exploratory schedule change requests are not guaranteed to be approved.

Exploratory Course Change Requests will not be reviewed prior to completing the process listed above.

Can't log into Skyward?

It could be due to an obligation (chromebook charger, library book, etc) or we may just need to reset your password for you! Please call the front office, we are happy to help. If the front office is busy helping other families when you call, please leave a voicemail for us to get back to you!

Reminder Required TDAP info for 7th Grade - Nurse Monica

Dear Parents/Guardians,

The Tennessee Department of Health (TDOH) has issued immunization requirements for those students entering 7th GRADE.

The following is required for your child to enter 7th GRADE:
Tetanus-Diphtheria-Pertussis booster (Tdap)
Due to this being a statewide requirement, parents often have difficulty obtaining the required immunizations for their children. Because of this, you are strongly encouraged to make an appointment and get your child vaccinated as soon as possible.

Documentation of the above immunization must be submitted on the Tennessee Certificate of Immunization to the school nurse before your child enters seventh grade. Therefore, as soon as your child receives the necessary immunization(s), please turn the required documentation into the School Health Office to prevent any delays of your child entering the 7th grade. Wilson County Schools will also honor any religious or medical exemption pursuant to T.C.A.§ 49-6-5001.
Thank you for your prompt attention to this matter. If you have any questions about the immunization requirements, please contact your school nurse (garciam@wcschools.com).

Thank you,

Wilson County School Nurses
