# How Transfer Works

Students complete General Education (GE) in most majors at CCC

Students must also complete major prep as well as GE

Transfer student must meet certain minimum eligibility requirements

Some campuses more selective in admission process

# Tips for Transfer Success

Establish clear goals  
and pathways

[www.assist.org](http://www.assist.org) – to  
review recommended  
curriculum

Work with  
community college  
counselor

Decide major/campus  
no later than start of  
sophomore year

Enroll full-time at  
community college

Follow appropriate  
GE pattern for major  
and campus

Review the admission  
and program  
information for the  
transfer school
