A word from our principal

It's hard to believe we are already into Homecoming Week! The school year is off to a great start, and there is a lot of positive energy throughout Auburn Mountainview. Our students are getting to class on time in record numbers, and our athletics and activities are moving right along. There is a real sense of excitement and Lion Pride across campus!

We also had a special guest on campus yesterday—Rick Rizzs, the legendary voice of the Seattle Mariners. Rick was here to present one of our Lions with a scholarship, but he surprised us by also taking a few minutes to read our school bulletin over the PA. Hearing that familiar voice throughout the halls was quite a treat!

Thank you to our students, staff, and families for helping make the start of this school year such a positive one. There is a lot to celebrate at Auburn Mountainview, and we are just getting started.

Go Lions!

Strong Schools Build Strong Communities

The ASD community will vote on a bond November 3 that would build the district's fifth middle school, replace Cascade Middle School and replace Alpac Elementary.

If passed, the bond package will:

- Decrease overcrowding at ALL middle schools (currently 46 portables at middle schools housing 1,100 students)
- Increase student safety
- Provide infrastructure for modern technology
- Improve parking and access
- Have more energy-efficient heating, cooling and lighting
- Feature modern playgrounds and fields for schools and community use

Ballots will be mailed October 16, be sure to check your mailbox!

Visit the [ASD website](#) for additional information or email election2026@auburn.wednet.edu.

PLEASE REMEMBER TO VOTE BY NOVEMBER 3!
