

# COMMUNITY ADVISORY COMMITTEE (CAC)

TOGETHER WE CAN MAKE A DIFFERENCE

## What is the CAC?

The Community Advisory Committee (CAC) brings together parents, caregivers, educators, and community members to support students with disabilities and their families. It serves as an advisory group to WOCCE and its member districts, providing family and community input on special education programs, services, resources, and learning opportunities.

The CAC also helps:

- Strengthen family and school partnerships
- Increase awareness and understanding of special education
- Celebrate diverse learning needs and strengths
- Identify resources and training opportunities for families
- Share ideas that support positive outcomes for students

Everyone is welcome! The CAC meets four times each year and provides a space to learn, connect, and share your voice.
