

Enrollment and Capacity Management Advisory Committee Meeting Agenda

February 9, 2026

6:30 PM – 8:30 PM Meeting (Virtual)

Facilitator: John Morstad

*The **purpose** of the Enrollment and Capacity Management Advisory Committee (ECMAC) is to increase community trust in long-range planning for enrollment and building use. The ECMAC will analyze information affecting enrollment, capacity, and building use, and generate observations and recommendations to be communicated to district administration.*

In order to facilitate our work together, we agree to the following **protocols**:

- represent the work of the ECMAC when communicating with others;
- share concerns directly with the person involved if a communication or relationship breakdown occurs;
- listen for understanding and contribute individual perspectives and interests openly;
- fully engage in the ECMAC work; and
- begin and end on time unless we agree to revise.

Outcomes: As a result of our meeting tonight, ECMAC members will:

1. Receive an update on Building a Better Future;
2. Receive an update on Boundary Changes and next steps
3. Receive and analyze projected enrollment data for next year: and
4. Analyze enrollment versus capacity data
