**Every child, every day, every minute matters!**

Dear Turner Intermediate Families,

We are writing to share an update regarding Turner Intermediate being used as a polling location for the 2026 Pennsylvania State General Election on Tuesday, November 3. As a result, all Turner Intermediate students will transition to remote learning on Tuesday, November 3. This decision will help ensure the safety and security of our students and staff while our community uses the building for voting.

**Students at Kelly Primary will not be affected by this change and will continue with in-person learning as scheduled.**

Students will be instructed to bring their Chromebooks home on Monday, November 2, to prepare for remote learning on Tuesday. On remote learning days, students will sign in to their classroom's Google Meet at 9:00 a.m. and 12:45 p.m. Families will receive additional information about the day's schedule directly from their child's homeroom teacher in the coming weeks.

For community members participating in the election, voters in Wilkinsburg Ward 1, District 1, 4, and 6, may cast their ballots at Turner Intermediate School on Tuesday, November 3.

We appreciate your flexibility and cooperation as we work to support student learning while also providing our community with access to a convenient polling location.

Sincerely,

Jocelyn V. Artinger, Ed.D  
Superintendent  
Wilkinsburg School District
