Thank you for supporting our service Run!

A heartfelt **thank you** to all the families who participated in or donated to our **Alzheimer's Association Service Run**! Not only did we have a fun and energizing day together, but we also had the chance to support a truly meaningful cause.

Your generosity and involvement helped make the event a success—and showed our students what it means to be part of something bigger than themselves. We're so grateful for your partnership in helping our students grow into compassionate, community-minded **Titans**.

Parent-Teacher Conferences

Parent-Teacher Conferences are coming up on **October 8th and 9th** and are **mandatory for all families**. If you have not yet signed up for a conference time, please reach out to your child's teacher to get one scheduled.

We are looking forward to meeting with all of you! This will be a wonderful opportunity to catch up on how the school year has gone so far, celebrate your child's growth and accomplishments, and discuss how we can continue working together to support your amazing children.

Because we have a **short window of time for each conference**, we kindly ask that families arrive **on time** for their scheduled conference so that we can make the most of our time together and ensure each family has the opportunity to meet with their child's teacher.
