Dwight Global Guest Lecture Series

Dwight Global is excited to partner with colleges and universities across the world. Our Global Lecture Series is designed to connect our students directly with university faculty, underscoring our dedication to rigorous, college-level course work. Guest lecturers will share not only the most current research, research methodologies and discourse on academic topics highlighted in AP, IB and higher-level elective courses, but will also engage students in developing and furthering their own academic research and subject-based inquiry.

Grade Reporting

- Students in the IB DP program are assessed on the IB 1-7 scale, whereas the Standard/Honors/AP curriculum continues to be graded on a 1-100 scale.
- Given the two very rigorous and different curricular paths offered at Dwight Global, we do not add weight to any courses, nor do we report an official GPA on our transcript.
