ASSESSMENT SERVICES SUPPORT TEAM • SCHOOL DATA BANK SERVICES

Who needs to register with us?

Districts and schools who have selected
Optimum Solutions Corporation (OSC World)
as their ***Lead Scoring Entity*** (scoring vendor)
must register for Full-Service Scoring through
ESBOCES School Data Bank Services—Assessment Services.

This includes Computer-Based Tests (CBT) and Paper-Based Tests (PBT).

Please be reminded that ESBOCES, with the support of our vendor OSC World, can provide full-service scoring for the following exams:

- **NYS 3-8 ELA** – CBT and PBT
- **NYS 3-8 Math** – CBT and PBT
- **NYS 5 & 8 Science** – PBT *only* (CBT is scored by the state's own vendor, NWEA)

Testing & Scoring Intake Schedules

There is **one (1)**
Intake date for NYS

booklets (ELA,
Math, & Science).

FREQUENTLY ASKED QUESTION:

Why might I have
students using PBT
on NYS 3-8 exams
when all the tests are
computer-based?

ANSWER:

Accommodated test editions.

Students whose IEP, 504 Plan, or language needs* require that they be tested on paper.

- Accommodations *must be pre-determined* by your Special Education and/or ENL Department, and paper-based tests should be ordered ahead of time through the state's Online Exam Request System in the fall.

*If a student with accommodations needs to respond to constructed-response items on paper, **they must take the full test on paper (all parts/sessions).***

REMINDER:

Districts are required to enter *some* PBT tests when registering to score with us.

REGISTRATION NOTE:

If registering for scoring for CBT exams, districts must also **register for at least 2% PBT for that subject/grade.**

Test Name	# Of CBT Tests	# Of PBT Tests	Total # Of Tests
ELA Grade 3	5	1	6
ELA Grade 4	5	1	6
ELA Grade 5	5	1	6
ELA Grade 6	5	1	6
ELA Grade 7	5	1	6
ELA Grade 8	5	1	6
Totals:	30	6	36

This serves as a placeholder—
districts will only be billed for actual tests scored.

Alternate Language Reminders

ELA exams must be taken in English only (there are no alternatives or translations permitted).

- Therefore, ELL students will take the ELA assessment via CBT unless they have an IEP/504 accommodation specifying they must test on paper.

PBT must be used by students *responding in a language other than English* for Math or Science exams.

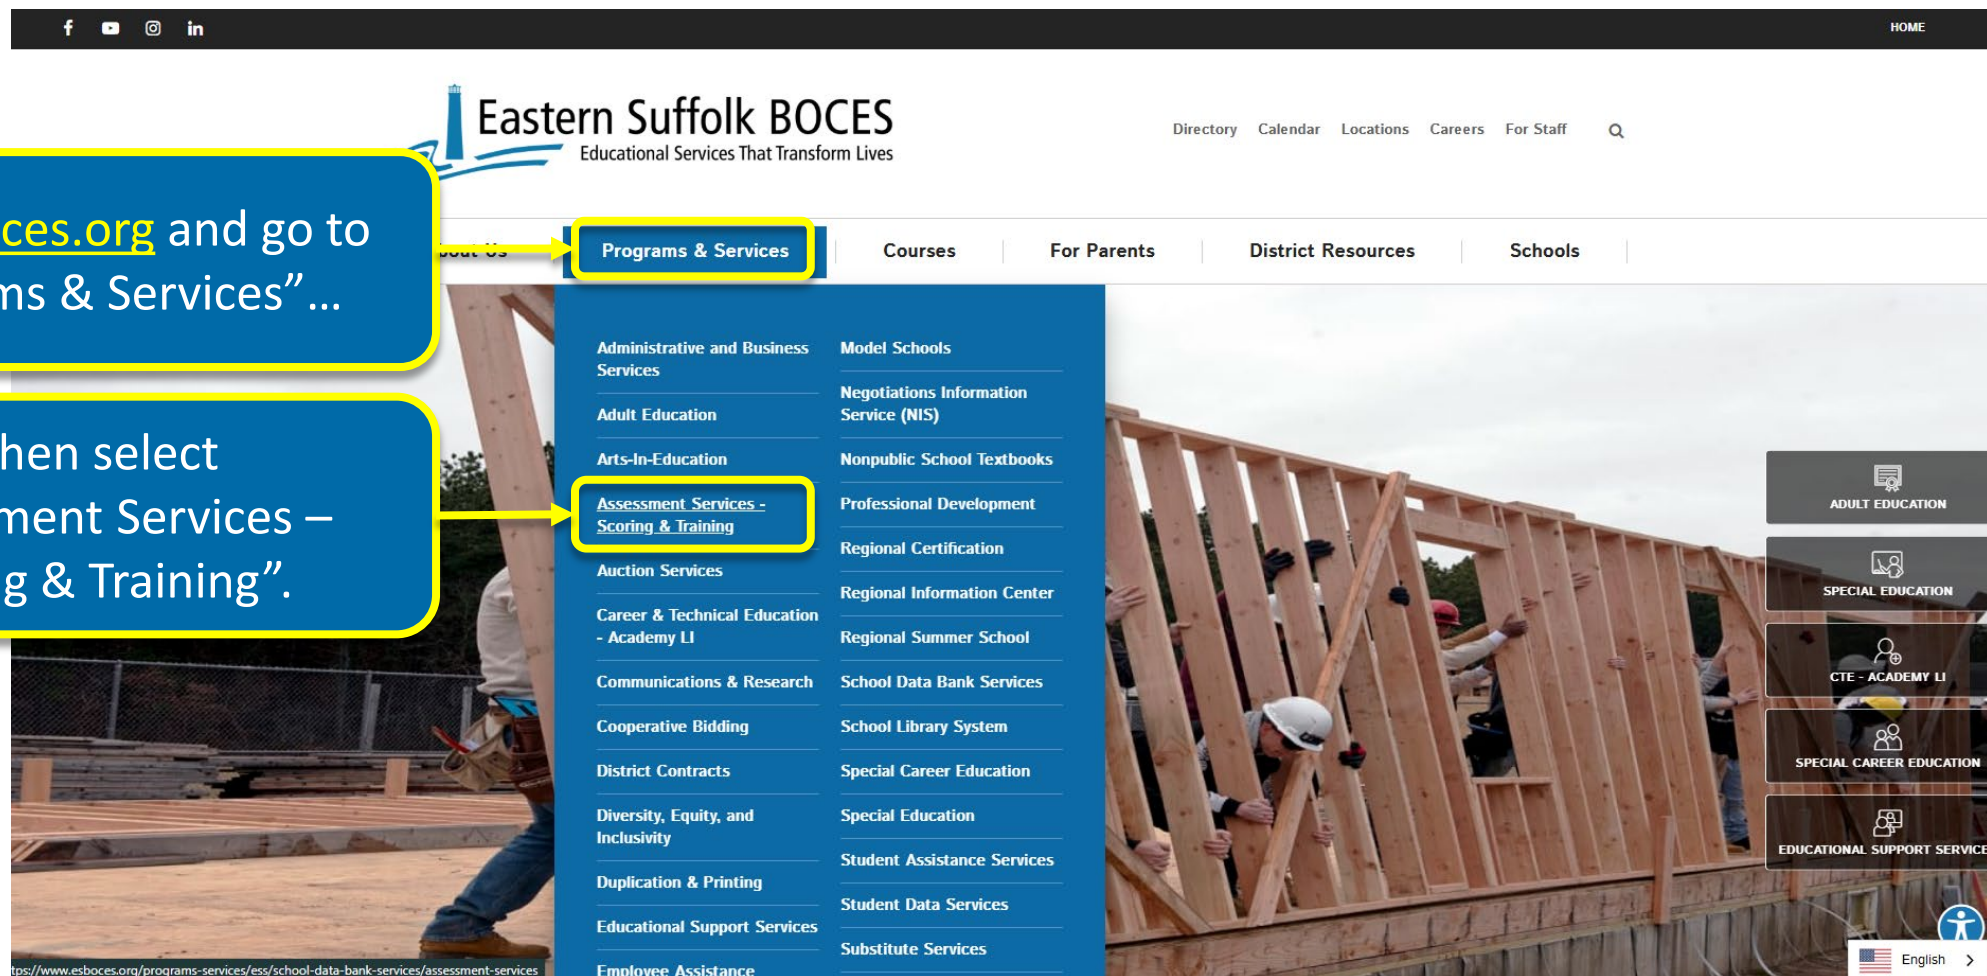

- This includes students requiring an oral translation for a lower-incidence language.
- **If testing via CBT, students must respond using only English**—even if they are using an alternate language edition question booklet as a support.

PBT Spanish-language responses will *not* need translations.

- Our scoring vendor, OSC World, can translate and score these for you.
- Districts and schools will need to arrange for English interpretations/translations ***of all other languages***.

If you'll need translation services, visit the L.I. RBERN website for options or contact **ESBOCES Language Translation Services** under the Regional Information Center (RIC) *as soon as possible* to set up a contract: districtservices@esboces.org

Important Information for Districts:

- **Who should register:** Suffolk County districts and schools that selected Optimum Solutions Corporation (OSC) as their Lead Scoring Entity when ordering assessments through the NYSED Online Examination Request System. Districtwide Testing Coordinators should register with us to create the contract for scoring. If you do not yet have an account for our registration system, contact us.
- **PBT registration requirement:** If you register CBTs for scoring in a grade level and subject, you must also register PBTs for the same grade level and subject. Building leaders were required to order PBTs through the NYSED Online Examination Request System. District representatives should calculate the total PBTs needed across all buildings. If actual PBT needs are unavailable, anticipate potential needs related to accommodations and other special circumstances; we recommend registering for 2% of the CBT count for each grade level and subject. Districts will be billed only for tests actually scored.
 - **Science scoring:** Science CBT constructed-response items will again be scored by the state's vendor. Districts using ESBOCES scoring services must still register for the scoring of PBT Science.
 - **Alternate languages:** For the Mathematics 3-8 and Science 5 & 8 assessments, all alternate languages other than Spanish must be translated into English in-district. Students who will respond to Math/Science constructed-response questions in a language other than English must be administered the PBT assessment.

If you register CBTs for scoring in a grade level and subject, ***you must also register PBTs for the same grade level and subject—even if you do not anticipate any PBT needs at this time.*** District representatives should **calculate the total PBTs needed across all buildings.** If actual PBT needs are unavailable, anticipate potential needs related to accommodations and other special circumstances; **we recommend registering for 2% of the CBT count** for each grade level and subject. **Districts will be billed only for tests actually scored.** These PBT counts serve as placeholders on your contract for students who may require paper testing due to changes in accommodations or other special circumstances.
