Your Canadian Journey
Starts Here

Desiring an **authentic Canadian experience** in terms of culture & natural wonder?

Seeking a **personalized learning approach**, in a **safe, caring & vibrant** community?

Is balancing the **pursuit of passions** with **academics** a factor in choosing the right school?

WHY FAMILIES CHOOSE UNISUS SCHOOL

At UNISUS, students thrive in a supportive learning environment with ideal class sizes and personalized learning. Flexible boarding options include full-time or Monday - Friday boarding for students looking to build independence and life skills before graduation.

Students benefit from an academically-focused environment where personalized instruction and inquiry-based learning help each learner reach their full potential and beyond. Students can pursue the BC Dogwood Diploma, an Enriched BC Diploma, or a dual Diploma (the IB Diploma and the BC Dogwood Diploma), opening doors to leading universities worldwide.

Project-based learning is core to the IB approach. At UNISUS, content, instructional approach and pace of learning are adapted to each student. Numeracy and literacy acceleration allow students to grow beyond their grade level.

INDIVIDUALIZED LEARNING

Students can choose from multiple pathways to graduation with different levels of academic rigour. There are options to balance academics with their passions, career interests, or students can aim to achieve the highest academic excellence through the IBDP.

PATHWAYS TO GRADUATION

Academics+ keeps academics at the core while giving students dedicated time during the school day to pursue their passions. Through Scholar-Athlete Academies and future-ready Enrichment Programs, students develop skills and experiences that prepare them for future success.

ACADEMICS+

Located in British Columbia's beautiful Okanagan Valley, UNISUS offers a safe, welcoming community with four distinct seasons and mild winters. Students embrace an active outdoor lifestyle through experiences like kayaking, hiking, rock climbing, skiing, and more.

LOCATION ADVANTAGE

Boarding at UNISUS offers a safe, supportive home away from home. Dedicated boarding staff who live on campus provide guidance and care while students build independence, develop life skills, and experience the best of the Okanagan through activities and excursions.
