GRADE SCALE + RANKING

Lake Norman Christian School calculates both a weighted and unweighted grade point average (GPA). The weighted GPA is calculated as follows: +1 quality point for honors courses and/or dual enrollment and +2 points for AP classes. Algebra 1 can be taken in eighth grade for high school credit. However, the grade received is not calculated in the GPA. Dual enrollment courses are listed on the HS transcript. However, students should submit a separate college transcript. We provide an exact ranking of our graduates using the weighted GPA. In addition, we recognize a valedictorian, salutatorian, and those graduating with distinction.

GRADING SCALE

	Grade	Standard	Honors	AP
A	90-100	4.0	5.0	6.0
B	80-89	3.0	4.0	5.0
C	70-79	2.0	3.0	4.0
D	60-69	1.0	2.0	3.0
F	Below 60	0.0	0.0	0.0

HONORS, AP, & DUAL ENROLLMENT

All core classes are available as either honors or standard. Additionally, we provide an accelerated and standard track for each year of high school. Dual enrollment classes are offered through various partnerships with colleges and universities. AP classes were first offered during fall semester of 2016. Two AP classes are scheduled each year on a bi-annual, rotating basis.

A GLANCE AT OUR GRADS

Lake Norman Christian School opened its doors in 2008 and celebrated its first graduating class in 2015. LKNC has a historic graduation rate of 100% each year. Over 76% of LKNC graduates attend a four year university immediately following graduation. Approximately 18% choose to continue their studies at a two year post-secondary college, most with plans to transfer to a four year institution. Around 5% of students opt to join the military or work force.
