National PTA | SCHOOL OF EXCELLENCE

everychild. one voice.®

Dear RHS Families,
Welcome! I'm Amanda Rapp and am honored to work alongside GG Bertolini as your RHS PTSA Co-Presidents for the 2026-2027 school year. Our Roswell High community is a very special place – we take so much pride in being a part of it!

As both parents and members of this school family, we know how much kids benefit when families and schools work together. Some of the best memories our kids have made over the years were the result of parents, teachers, and staff joining together to create a supportive, encouraging, and fun school environment.

We look forward to a year filled with fun events, meaningful connections, and oppourtunities to serve our school together. Whether you are able to volunteer regularly, help with a single event, or simply attend a monthly PTA meeting, there is a place for you. Every contribution matters!

A great place to start is to take a moment to join the RHS PTA for both yourself AND your student. You can click HERE to join online. Because our PTA does not “fundraise,” it is your membership fee that really makes a difference to our school. We rely on that financial contribution to fund senior scholarships, promote Hornet Well-Being, care for our teachers, support our ESL/ESOL, TAG, and Exceptional Students, and much more. We thank you in advance for your generosity!

Feel free to reach out with any questions or if you are looking for ways to get involved. Let's all make the 2026-2027 school year a great one!
Amanda Rapp & GG Bertolini
2026-2027 PTSA Co-Presidents

From the Counselors

- Recordings from the 11th & 12th grade Lunch and Learn (August 27th) are now posted on the RHS Counseling Website under Grade Level Advisement.
- College Rep visits at RHS are ongoing, and students can sign up to attend through Schoolinks (found in ClassLink). Upcoming college visits include University of N. Georgia, University of Tennessee, University of Florida, and more.
- Class of 2027 Information
- CommonApp: Students can now create their account on CommonApp and will need to invite their school counselor. Once invited, counselors will submit the school report, which includes the student's transcript and report on their academic standing. Counselors only write a separate letter of recommendation for the schools that require it.
- GAFutures: transcripts have not yet been updated to reflect Spring 2026 grades. Students should carefully review their transcript in GAFutures for Hope/Zell eligibility and rigor courses.
- SchooLinks: provides resources for college and career exploration, and all seniors must complete the 2026-27 Post-Secondary Survey.
- The SAT will be offered for 12th graders at no cost here at Roswell on October 15th. Students will register through RHS, not through Collegeboard.
