National School Lunch Program—Offer vs. Serve

Seneca Valley Participates in the OFFER National School Lunch Program.

This means that the student gets to choose all the items on their school lunch or breakfast tray.

- Students are offered all 5 food groups each day- grains, vegetables, fruits, dairy, meats & protein alternatives.
- The students have the option to decline some of the food groups available.
- However, they must choose at least 3 of the 5 food groups for the meal to be considered a balanced meal.
- One of those food groups must be a 1/2 cup fruit or 1/2 cup vegetable.

The choices for fruits and vegetables are the following:

Fruit choices are fresh (limited), canned (unlimited), or 100 % fruit juice (1 per meal).

Vegetable choices are fresh(unlimited),canned(unlimited),hot vegetables(limited),or vegetable juice(1 per meal).

Students can also choose the following:

Skim milk, low-fat white milk or low-fat chocolate milk.

Whole grain options such as rolls, breads, rice, pasta available in the cafeteria daily.

Good nutrition and a balanced diet help kids grow up healthy.

The keys for success to a healthy diet are moderation, balance, and variety.

The National School Lunch Program provides a variety of healthy choices that must meet 1/3 of the RDA for calories, protein, vitamins & minerals, and no more than 30% calories from fat.

Encourage your child to make healthy choices and choose a variety of foods from each food group so that they receive the daily nutrients needed for health.

~ There is also a breakfast menu on our website, breakfast is served for RGMS, Intermediate and High School from 7:25-8:00 a.m. daily!

If you cannot arrive in time to eat breakfast please contact your building principal to make arrangements for your meal.

If you have any questions please email Nolen Fetchko at fetchkona@svsd.net
