Kenny,

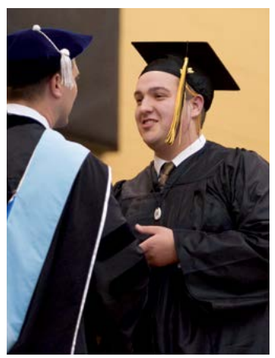

We are so very proud of you and accomplishments. We are proud of the young man that you have become.

Love, Mom and Dad

Alex Moellering

No parents have ever been so proud of their child as we are of you and your accomplishments. Most importantly, we are deeply gratified by the man of character that you are! J.K. Rowling once said, "We do not need magic to transform our world. We carry all the power we need inside ourselves already. We have the power to imagine better." Go out fearlessly into your future, imagine all that it can be and we know you will change your world! Amazing things await you and we will always be right here to love and support you in all you do!

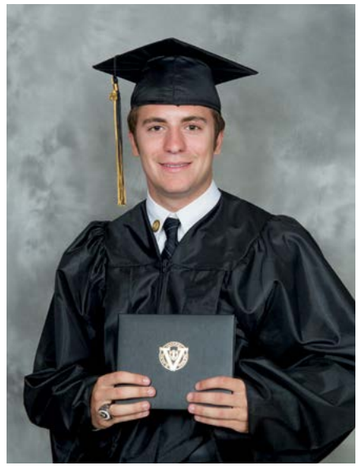

Tanner Cochran

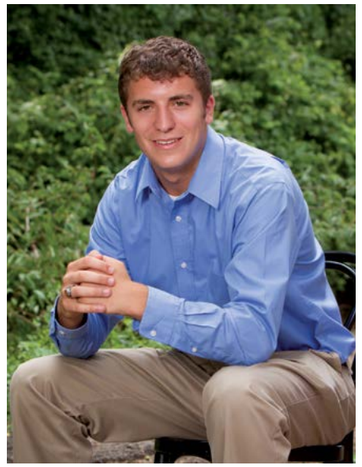

Tanner, you are one of the greatest gifts we've ever received. Stay faithful, work hard, forgive easily and miss us every once in a while. We are so excited for your future!

Love, Mom and Dad

Austin LaBarge

Way to go Austin; we are so proud of you and all your accomplishments. You have become an awesome young man we can always be proud of. Good luck in college; we know you can do anything you put your mind to.
All our love,
Dad, Mom and Hunter

Our Prayer for You:

Dear God, Please help Austin to be true to himself.

Remind him that you created him with a plan and purpose in mind.

Help Austin live up to what he is supposed to be rather than what others want him to be.

Please give him the strength to stand up for his beliefs and his goals and succeed.

Let Austin see roadblocks and issues as opportunities to learn and excel.

Please guide him to make the right choices with integrity and conviction.

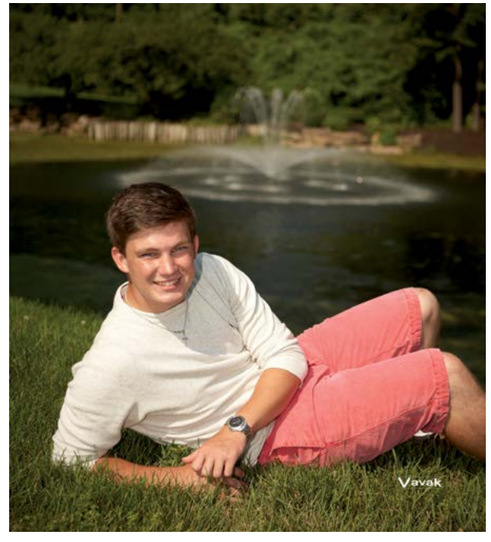

Most of all, please guide Austin to make the most of his life; to be the best he can be.

Love,

Dad and Mom

Chris Brown

What counts in life is not the mere fact that we have lived. It is what difference we have made to the lives of others that will determine the significance of the life we lead. Be the light that makes a difference in this world.
