FALL PRODUCTION

ALMOST, MAINE

Directors notes:
The John Cariani production was made up of eight vignettes, all of which are happening at a single moment in time. Each scene takes place under extraordinary circumstances and although the play takes place in the fictitious town of Almost, Maine, the scenarios could play out anywhere. Beneath the comedy, the play is about people who are honestly dealing with one of the toughest challenges of life; a loving relationship.

Senior Nathan Mittenzwey retires from Vianney as two year captain and highest rated vianney chess player in over 15 years as well as the highest rated active high school player in St Louis scholastic chess.
