

# STEAM Club

With Mrs. Reed

[jreed@gwlufsd.org](mailto:jreed@gwlufsd.org)

Students in 4th-6th grade are invited to learn about the world around them in a fun and challenging way through this after school STEAM Club. Come explore and investigate the world of Science, Technology, Engineering, the Arts and Mathematics through exciting tasks and teamwork! STEAM learning happens naturally everyday as children explore, play, and try new things. Students will participate in experiments, engage in hands-on learning, design and build their own projects, and work together creatively to problem solve.

STEAM Kids Lab will be held after school on Fridays until 3:00. (Meeting dates will be posted in the morning/afternoon announcements)
