VARSITY FOOTBALL

The Griffins varsity squad had to overcome many challenges over the long and rigorous 2019 season. The Griffs faced a very difficult schedule, playing against the stacked teams in the MCC and skilled opponents in non-league match-ups. On top of their difficult schedule, the Griffins were plagued with injuries throughout the season. Overcoming their many adversities, the Griffins played in the District Semi-Finals, defeating Mehlville and sending them to the District Finals against Eureka. Senior quarterback Griffin John led the Griffin's offense with 1,323 passing yards and eight touchdown passes over the course of the season. Standout junior running back Cannen Barcom led the team in rushing with 1,599 total yards and ten touchdowns. Senior wide receiver Jacob McCauley led the team in receptions with a total of 696 yards and six touchdowns. On defense, senior linebacker Drew Bishop, who overcame a sprained neck in game four of the season, returned to lead the team in total tackles with 88. Senior linebacker Henry Bollinger led the defense in assists with 67 while his junior brother, safety Jack Bollinger, led the team in solo tackles with 38 and had 36 assists.

Even with a tough year, all 15 senior Griffin football players left it all out on the field in 2019.

Back in the Day

Vianney's first varsity sport played was football in the Fall of 1960. Their first game was a 7-0 win over St. Thomas. The Griffins won only two games that year (2-6) but defeated Marianist Rival Chaminade 20-6.

The first year the Griffins began wearing their "winged" helmets was during the1979 season.

JR. VARSITY FOOTBALL

The junior varsity football team struggled through a two-win season, plagued by injuries and a very challenging schedule. The season started well with a win 35-0 win over Althoff Catholic from Illinois. Things started to derail in a blowout loss to a strong Helias team, but the team got back on track with a solid victory over MCC rival Chaminade. Injuries to ten starters throughout the year forced any and all on the roster to contribute. Some of the top performers were Jack Burke who stood out with 6 touchdowns and some great catches. At quarterback Carter Hicks stepped into the starting role for the first time and made steady improvement throughout the season. Other offensive weapons included skill players Anthony Lentz, Austin Collier, and on the the line Jake Young, Brendan Hoskins and Andrew Pappas. On the defensive side of the ball Hunter Guilfoy and Tyler Trueman were solid at linebacker and Hicks, Burke, Braxton Pritchett and Tyson Manley were a formidable D-Line. The secondary had many first-year players with Hunter LaBarge, and Otto Ottiger and Drew Flowers along with veterans Jed Hovey and Matt Louis.

"I liked how the team remained positive and played together throughout a tough year," stated Coach Tim Burke. With experience gained and the toughness shown throughout the year, look for these JV Griffins to be part of a revamped Griffin football program over the next few years.

VARSITY SOCCER

The varsity soccer team came out of the gate hot in 2019, winning 4 out of their first 5 games. The Griffins won 2 of 3 games in the St. Dominic Supercup to get them prepared for a rigorous CBC Tournament and three MCC opponents to follow. The strong Vianney team beat the host, CBC, in their own tournament 5-3. Next, the Griffins entered into the CYC Tournament. The Griffins had a strong opening to the tournament with a win over Webster 3-0. They made it far into the tournament, but lost a hard-fought game in the semifinals. The next week, the boys traveled to Oakville High School and blew them out of the water. The Griffins put up 4 goals and dominated the whole game. Along with the CBC game, this game against Oakville was a great show of the potential the team had. After that win, the team went on a tear, winning 5 of their last 8 games, sending them hot into districts. The Griffins were abruptly stopped in their tracks by a solid Kirkwood team in the first game of districts.

Throughout the season, the Vianney team was led by junior Will Dehner with 11 goals and seniors Travis Kircher and Matt Piper with 5 each. The defense was led by John Allen manned the goalkeeper spot throughout the year.

VARSITY & JV CROSS COUNTRY

by Senior Adam Jones

The Griffin harriers ran hard in 2019, but never could quite quench the thirst for a first (place finish). After the first invitational of the year at Brookdale Farms was canceled, the Golden Griffins kicked off the season at Blackburn Park in Webster Groves, placing 6th in both varsity and JV. This season brought along with it some strong times, with junior Nolan Worley setting the varsity best time at 19:11. Sophomore John Wolf set the JV pace at 21:18, as well as Hayden Hunt setting the best freshman time at 19:26. Hayden Hunt also medaled in every freshman race this year, an impressive feat, which was also accomplished last season by current sophomore Calvin Curran. Curran returned and once again placed impressive times, earning him Most Dedicated Runner this season. Nolan Worley won Most Valuable Runner this season for his outstanding performances. Senior Chris Heumann also won the Lt. Dan Riordan Spirit Award, which is a special award given to the runner who was never the fastest runner, but always gave his best effort forward and never gave up, and always remained strongly dedicated to his team. Lt. Dan Riordan was a former runner at Vianney who graduated in 2001, and killed in 2007 by an IED in Iraq with his patrol.

The Griffin harriers wrapped up this season short of state, unable to qualify any runners for the championships. With only two seniors, this 2019 squad was young, but continued to improve throughout the season.

Back in the Day

Vianney introduced cross country to the sports lineup in the fall of '69, as an addition to the existing track team. The Griffins were behind the 8-ball since neighboring schools had already introduced the program in the years prior.

There has been one all state placer in the history of the program, Dave Finder, who won 12th place in 1980.

VARSITY SWIMMING

The Vianney Swim Team had yet another successful season. Led by Senior Logan Schafer as the only state qualifier this season. There was a good mix of upperclassman leaders along with a lot of new swimmers. Overall, there were lots of time drops throughout the season from the first meet to the very last meet. The 400 Freestyle Relay of Matt Hayes, John Echele, Max Laux, and Logan Schafer was 32nd until they were bumped at the last second to get out of the state tournament. The 200 Medley Relay and the 200 Freestyle Relay just missed the state tournament as well. Logan Schafer competed in state this year in the 50 Freestyle and the 100 Backstroke. In the 50 Freestyle Logan got 15th in the State and 20th place in the 100 Backstroke. This is the highest place an individual swimmer has gotten since Nick Alexander in 2015. Logan has made such a great impact on the swim program. This was his third year in a row going to state. In 2017 he went to state on two relays and in 2018 he went to state on three relays and in the 50 Freestyle. Overall it was a great year for the Vianney swim program. Covered by the losses, the team did very well at Invitationals and swimmers placed very well. Throughout the season there were lots of new personal records for new swimmers and the future of the swim team looks very hopeful.

Back in the Day

Vianney's first swim team started in 1980. The team went 4-7 and six swimmers qualified for state. The young Vianney team was ranked number 21 among Missouri High Schools at the end of the season.

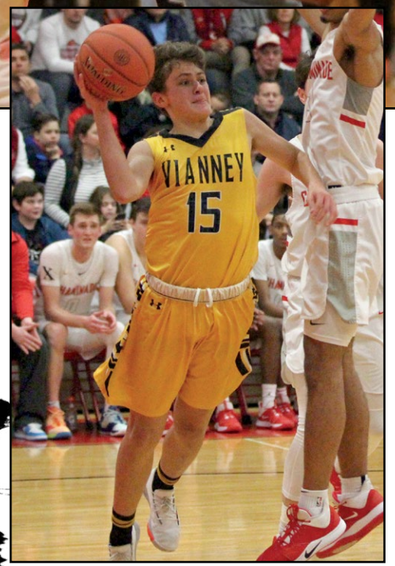

In 2015 Nick Alexander, a five time State Champion, broke two state records in the 200 IM and the 100 Back which are still held today.

VARSITY BASKETBALL

The 2019-20 Griffin basketball team consisted of six juniors and four sophomores. With no senior players the team was considered young, but had a great deal of experience. Junior guard Ethan Lattimore has been starting since his freshmnan year and led the Griffins in assists (138) and steals (50) and added 274 points and 78 rebounds. Bobby Braun was a force in the middle, leading the team in scoring (374 pts) and rebounds (175). Gabe Anderson chipped in by leading the team in field goal percentage (70%). Luke Schueler had the highest free throw percentage (83%) on the team and fellow junior Mitch Wilson contrbuted 194 points, 89 assists and 111 boards.

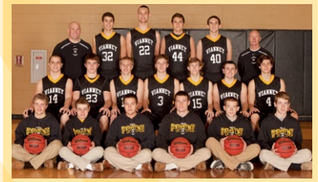

The team struggled throughout a very tough schedule registering only seven wins on the year. The team's early District exit with a loss to Oakville was hard to swallow, but the last second loss to SLUH in the Paint it Pink game was devastating. With all the struggles, the real story of the year was how hard the team competed against very talented opponents, especially within the MCC. Proving that their fundamental approach and defensive effort can and will pay off.

SOPHOMORE BASKETBALL

A team that featured ten sophomores and one freshman, the B basketball squad struggled all season to produce wins and only managed two. They were unable to win the close ones, losing three games by one possession. Pete Rule and Glenn Powers led the team offensively and Brandon Hebrank and Daniel Patrick were solid on both ends of the floor. Freshman Kel Battle was able to ignite the team on the offensive end and he played suffocating defense as well.

FRESHMAN BASKETBALL

Dividing the squad into two teams (Black & Gold) the freshman basketball program experienced mixed results. The Black team, led by Carter Hicks, David Broughton, Joe Schueler, Kyle Missey, Jack Burke and Max Bentrup, won nine games, including taking first place in the Webster Groves Tournament to begin the year. They also had a solid showing at their host tournament winning two of three games.

Carter Hicks was a force in the middle all season and among the team leaders in points and rebounds. David Broughton was a forward with the power to drive and shoot at anytime. Kyle Missey and Joe Schueler manned to guard spots. Max Bentrup and Jack Burke were outstanding rebounders and opportunistic scorers.

The Gold team was able to only muster a single win, but as illustrated by their many close games they played with great effort and attitude all year. Brendan Ramsey was an assist machine and would take the three anytime it was open. Mason Goeggel was solid in the middle and Connor Gross and Alec Comerio developed as ball handlers all season.

VARSITY WRESTLING

The wrestling squad was highly competitive throughout the 2019-20 season. Registering seven dual wins and solid placement in several tournaments. Their success was even more impressive given the fact that they had two open weight classes many times throughout the season and a line-up that featured only two seniors, Anthony Jernigan (145) and first year wrestler Brandon Stanfield (285). The rest of the line-up consisted of freshman Zak Poulsen (106), juniors Justin Schoenwalder (126) and Ben Schrader (132), sophomore Anthony Lentz (138), juniors Austyn Treis (152), and Jack Prange (160), sophomore Jed Hovey (170), juniors Roman Graiff (182) and Ryker Stiegman (195) and sophomore Jimmy Wolf (220).

Roman Graiff led the team in wins (34) and came up one match short of qualifying for state. Ethan Bader had a great sophomore year earning 25 wins and junior Austyn Treis registered 22 wins. Freshman Zak Poulsen was very impressive going 21-21 in his first year. Jimmy Wolf was a force on the mat, winning 19 matches before his season was cut short by injury.

Back in the Day

Vianney fielded a wrestling team in their very first year. The 1960-61 season featured 18 wrestlers.

The "First Family" of Vianney wrestling are the Baders. Brothers Dan, Luke, Adam, Mark, John and Andy Bader all had outstanding careers. In 1997, Mark posted the Griffins first ever undefeated season going 41-0 and Adam became Vianney's first ever two-time State Champ, a feat Mark would match the following year.

VARSITY HOCKEY

Mid States Cup Champions!!!! For the first time since 1996 the Griffin Hockey program finished on top, defeating rival CBC 3-2 at a raucous Enterprise Center. Led throughout the year by senior Joe Boccardi and his brother sophomore Gianluca, the team also rallied around seniors Tim Pazdernik and Joe Schultz and juniors John Verdu and Tom Gruener. All season the Griffins were competitive, even in their losses since the majority of their losses were by either a single goal or two. The squad recorded 25 total wins on the season and surged late in the year to make their championship run. The Griffins blew out Priory in the first playoff series, scoring 11 goals and only letting in one in two games. The next series against Lafayette began with a loss, putting the Griffins back's against the wall, but they responded with a 3-0 win in game two and 1-0 win in the mini-game. The story of the state championship game was net-minder Nick Niemeier. He made incredible save after incredible save standing on his head to will the team to victory making 31 saves on the night. The Griffins got the scoring going early putting two quick goals on the Cadets. They added a third to make it 3-0, held off a late surge and would never look back.

VARSITY & JV TRACK

"We were really looking forward to the season with the addition of two scholarship athletes in football who showed great promise Jacob McCauley and John Volmert. Juniors Rudy Andrews, Pengkai Li, and Kyle Webb along with sophomore Joe Kaiser were also in their first year competing, for the most part they looked ready to compete with the other guys on the team. All of the freshmen seemed to have a lot of potential. Chris Hruz, Evan Pozzo, and Nolan Worley were in their third years. Ethan Coles was a good thrower last year in his first sport at Vianney. Sophomore Jimmy Raley was a solid thrower with great potential~ Coach John Mohr

FALL THEATRE

Peter and the Starcatcher provides a backstory for the characters of Peter Pan, Mrs Darling, Tinker Bell and Hook, and serves as a prequel to J. M. Barrie's Peter and Wendy.

It is 1885 during the reign of Queen Victoria and two ships from the British Empire set sail on the high seas for the imaginary kingdom of Rundoon. On one ship, The Neverland, three orphan boys encounter a smart and witty girl named Molly Aster (Clare Schulte), the daughter of an English lord and minister to the queen. Also on board is a trunk full of precious starstuff that Molly has promised to protect. One of the orphans, known only as Boy (Sam Kramer), is bitter and unpleasant. Once he meets Molly, his lonely and miserable world is turned upside down.

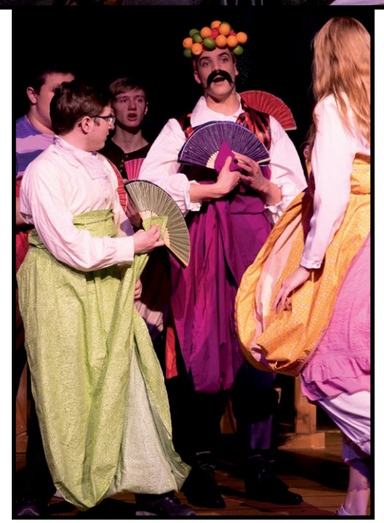

On the other ship, The Wasp, Molly's father, the famous starcatcher Lord Aster (Matthew Bullerdick), guards a decoy trunk from pirates who are in search of treasure. The pirate captain, Black Stache, (John Echele) discovers the ruse and goes after The Neverland.

A violent storm ensues, and Molly and the orphans find themselves trying to save the valuable trunk from Black Stache, his men, and the both of the ships' crews. The Neverland is torn asunder in the storm. In the midst of all the upheaval, Boy meets Black Stache who gives him the name of Peter while trying to convince him to become a pirate. The trunk is almost in secure hands, when in order to save himself from drowning, Peter rides it through the waves to a nearby island. And the adventures have only begun!

(Above) Black Stache (John Echele) attacks Bill Slank (Vincent Mantia) . (Below Left) Peter (Sam Kramer) talks with Molly Aster (Clare Schulte). (Right) Black Stache (Echele) helps a choking Smee (Spencer Shively). (Far Right) Black Stace (Echele) dances the tropical dance.

Bill Slank (Mantia) peers from under his umbrella.

WINTER THEATRE

You're a Good Man Charlie Brown is a play that describes an average day in the life of Charles Schultz's comic strip character Charlie Brown and is broken into two acts. The play includes most of the "Peanuts" gang; Patty, Schroeder, Lucy, Linus and Snoopy. All of the characters share their observations, largely unflattering, of Charlie Brown. Included is Lucy's infatuation with Schroeder and her joy at tormenting Charlie Brown, Linus' love of his blanket, Snoopy's rich world of imagination, and, of course, Charlie Brown's hopeless love-at-a-distance of the mysterious little redheaded girl.
The play concludes with the characters each listing the things that, for them, constitute happiness. Then, Lucy shakes Charlie's hand and tells him "You're a good man, Charlie Brown," Charlie Brown is left alone on the stage, with a faint smile forming on his face.

GRIFFINS TV
VIANNEY NEWS NETWORK
MEDIA CLUB

Due to the unfortunate circumstances, this year Griffins TV streaming schedule ended abruptly. It's sad the way things ended for us because we were so excited to cover spring sports and we possibly missed a chance to follow some of our spring sports on the road to potential state championships. We are excited to get things going again this fall.

One of the first students who joined Griffins TV in 2017 was senior Adam Jones. Adam became our technical director midway through our first school campaign and was always trying to figure out ways to make Griffins TV better. Adam will be headed to Missouri S&T this fall. Adam thank you for all of your tireless work with our program in our first year. You set the standard for how we do things today and best of luck this fall in Rolla.

Will, Ben, Calvin, Charlie, Luke, Mario, and Tyler, Thank you! Thank you for dealing with the hot and cold weather on nights during football and soccer season. Thank you for coming back to school during the cold winter nights of the basketball season. I have always preached that what we do is a product of you and how we represent Vianney. You have always done it will class and Griffins TV is very fortunate to have a team of men who take pride in what they do for the community. I look forward to the years to come.

All the best,
Mr. Edwards
Griffins TV Coordinator

E-SPORTS

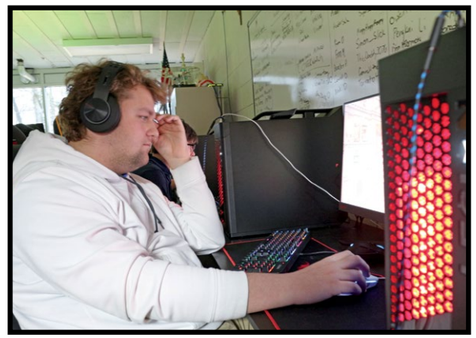

In the Fall of 2019, recruiting assistant Sam Reynolds '13 and Tech Coordinator Hank Panethiere officially announced the inception of the new eSports club at St. John Vianney High School. eSports is defined as organized, competitive video gaming, either as a team, or an individual representing a team. The Griffins organized into two eSports divisions: Competitive and Community.
