

Fellows and mentors for the inaugural year of the Jones Fellows Program at The Bolles School.

Jones Fellows Blaze New Trails at Bolles

An evening of celebration and remembrance kicked off the Jones Fellows Program at The Bolles School, honoring the program's namesake, J. Malcolm Jones, Jr.

Fourteen juniors were selected for this inaugural program, and the Aug. 22 welcome dinner was their first opportunity to meet their new mentors, whom Mentorship Program Coordinator Ellie Dalkin paired with great care. These mentors come from a broad spectrum of backgrounds and areas of expertise.

Over the next year, these fellows and mentors will meet monthly and build on their relationships. Fellows will hear from guest speakers and community leaders, and experience

learning, growth, and opportunities beyond the classroom.

The inaugural fellows (and mentors) are: **Eva Beardsley** (Sally Ball Sharp); **Mamie Burkett** (Christine Gaitantzis); **Eamon Cantor** (Joey Frisco); **Alyssa Castleman** (Chanley Dudley); **Mia Lee Chong** (Paula Aduen); **Adam Grinberg-Korcyn** (Ryan Williams); **Reema Nihalani** (Lindsay Tygart); **Kaliyah Perkins** (Rachna Krish); **Paige Sandifer** (Morgan Perry); **Jack Thomas** (Adrian Afshari); **Charlotte Verlander** (Courtney Reames); **Brendan Walrath** (Ralph Rizk); **Reggie Wilson** (Jordan Garside); and **Adi Yadav** (Tim Miller).
