SPOOKY SKELETONS

Oct. 12

No bones about it, osteology is FUN! Dive into the world of osteology as we learn about animal skeletons and what they can teach us about our own skeletons.

FUN-GINEERS

Oct. 13

Put on your thinking cap and get ready to tinker around while you spend the day creating fun, silly inventions.

KIDS RUN THE MUSEUM

Oct. 14

Watch out museum, the kids are in charge today! Discover what it takes to run a museum by exploring and creating with our very own museum team.

FALL INTO ART

Oct. 15

Get inspired by the beauty of sweater weather as you create vibrant autumnal artworks.

CAMP COLLECTIBLES

Oct. 16

Labubus and Squishmallows and Pokémon cards, oh my! Explore the world of collectibles as we investigate what makes an average trinket become a pop culture craze.

STARS AND MOON

Oct. 19

Explore the night sky as we discover what stars are made of, what the lunar surface looks like and how people can travel to outer space.

MONSTERS AND MYTHS

Oct. 20

Conquer the world of monsters as we conduct science experiments and make hand-crafted creations inspired by mummies, vampires and other classic mythical creatures.

GROSS ME OUT

Oct. 21

Our bodies can be gross, but gross things can teach us a lot about science! Discover the disgusting world of germs, why we burp and pass gas and more with hands-on science experiments.

BE A SPORTS ENGINEER

Oct. 22

Are you ready to enter the world of sports engineering? Design your own mini golf course, build DIY basketball hoops, and reimagine your favorite sports.

MUSEUM CAMP ART SALON

Oct. 23

Make your own art exhibit at this fun-filled day at camp. Create your own artwork, frame it and write the label museum visitors will read. At the end of the day, we'll put our pieces together to create an art exhibit like the Hoosier Art Salon.
