WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is a shared agreement among parents, students, and teachers that outlines how each will work together to support student success. The compact aligns with Campus Improvement Plan (CIP) goals and emphasizes student learning, grade-level achievement, high-quality curriculum, effective instruction, and meaningful family-school partnerships.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

North Forest High School parents, students, and staff work together annually to review student needs and revise the School-Parent Compact to support academic achievement and student success. Families are encouraged to provide feedback, volunteer, and participate in school activities.
