

LICENSED PRACTICAL NURSING

Description

The Practical Nursing program is a two-year comprehensive program for dedicated students seeking to obtain certification through the National Council Licensure Examination (NCLEX). This program consists of theory, laboratory practice and clinical experience. Students interact with our internet-based student learning management system that involves reading assignments, workbook activities, skills lab activities, computer assisted learning software, videos, course review sessions, discussion, special projects and guest speakers. Experienced Instructors are mentors that guide students in the learning process. Students gain invaluable skills through work-based partnerships outside campus and in the community.
