October 1, 2026

Dear Families,

Safety remains a top priority for our school district. UCS works collaboratively with our law enforcement partners to ensure our students and staff continue to have a safe and positive learning environment.

Your partnership is essential. Working together with our families, we create safer communities. Across the country, community leaders are working to implement a public awareness campaign which reminds families of the requirements related to safety. Michigan school districts are also sharing this information with all families.

Michigan law requires [firearms to be stored in a locked container](#) or kept unloaded with a locking device whenever a minor is or is likely to be present; violations can result in misdemeanor or felony penalties depending on outcomes.

Thank you for your support in ensuring all of us are working together for safe schools and neighborhoods. You can find more information on our safety protocols and plans at this [link](#).

Sincerely,

Robert S. Monroe
Superintendent of Schools
