CAMPUS SECURITY

2026 ANNUAL SECURITY REPORT

Jenkintown Campus

Message from the Director of Campus Security

Dear Gratz College Community,

Gratz College is committed to providing a safe, welcoming, and supportive environment for everyone who studies, works, visits, or participates in programming at our Jenkintown Campus.

This Annual Security Report explains the College's safety and security policies, emergency notification procedures, crime-reporting options, prevention programs, and campus crime statistics. It also reflects the safety measures established for the Jenkintown Campus and our coordination with the Jenkintown Borough Police Department and Montgomery County public-safety agencies.

I encourage every member of our community to:

- Review this report and become familiar with its policies and procedures.
- Know how to report an emergency, crime, suspicious activity, or safety concern.
- Participate in safety training and emergency exercises.
- Report incidents promptly to Campus Security, a Campus Security Authority, or local law enforcement.

In an emergency, call 911. Nonemergency safety concerns may be reported to Campus Security at 215-635-7310 or campussecurity@gratz.edu.

Campus safety is a shared responsibility. Your awareness, cooperation, and willingness to report concerns help us maintain a secure and supportive environment.

Thank you for your continued partnership and commitment to the safety of the Gratz College community.

Warmly,

Suzette Martinez-Quiles

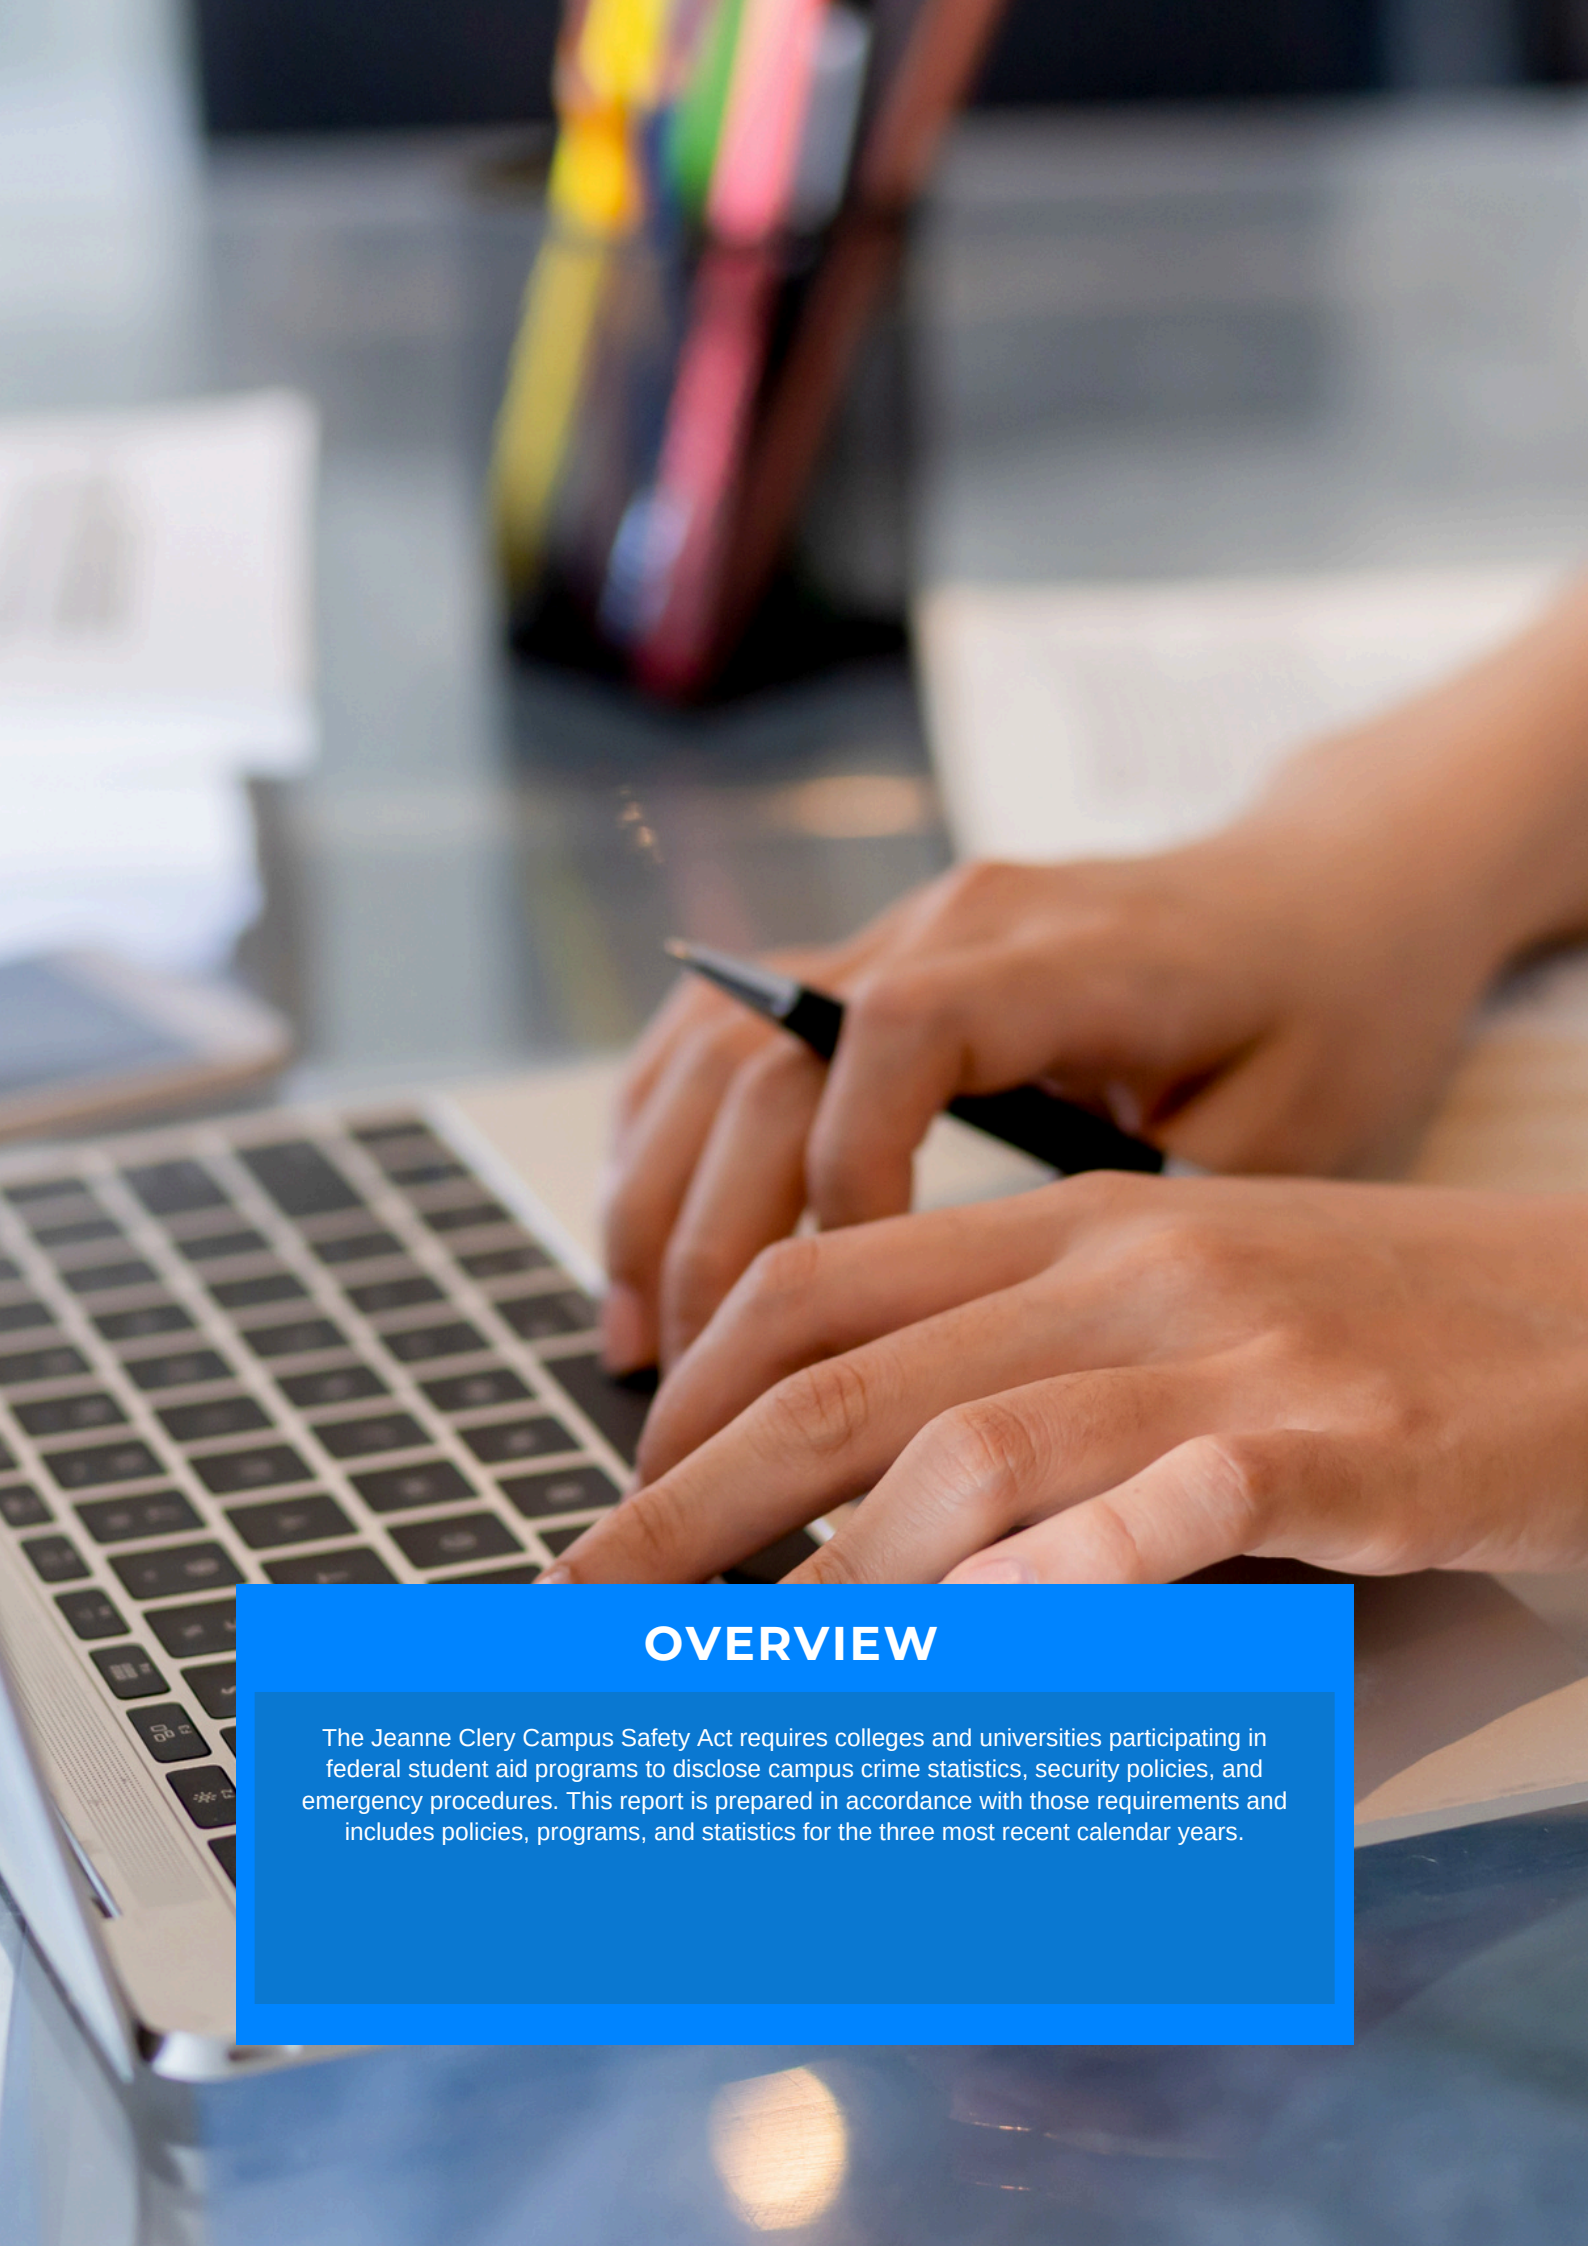

Director of Campus Security

OVERVIEW

The Jeanne Clery Campus Safety Act requires colleges and universities participating in federal student aid programs to disclose campus crime statistics, security policies, and emergency procedures. This report is prepared in accordance with those requirements and includes policies, programs, and statistics for the three most recent calendar years.

THE STUDENT RIGHT-TO- KNOW & CAMPUS SECURITY ACT

A Campus Security Authority (CSA) is an official with significant responsibility for student and campus activities, including designated College officials and offices to which crimes should be reported. CSAs must promptly report allegations of Clery Act crimes received in their official capacity to the College for statistical evaluation and, when appropriate, timely warning consideration. Counselors acting within a privileged professional role are not CSAs for information received in that role.

DESIGNATED CSA AT Gratz College

Examples of CSAs may include the Director of Campus Security; Title IX personnel; senior student-affairs and academic leaders; officials who supervise student activities; and employees specifically designated to receive crime reports. A person is not a CSA solely because they have routine administrative duties without responsibility for students or campus activities. Pastoral and professional counselors are exempt when acting within the scope of their counseling roles.

Based on job responsibilities, the following positions have been identified as Campus Security Authorities:

- President of the College and all subordinate administrators
- Dean of the College and all subordinate administrators
- Director of Campus Security and all subordinate administrators
- Manager of Business Operations and Facilities and all subordinate administrators
- Directors of Student-Facing Programs, Advisors to Student Organizations, and Event Coordinators (including those at satellite campuses)
- Any contracted or temporary event security personnel engaged by the College

Quick Reference Box: When to Call

✅ Contact Campus Security or Title IX

- Sexual harassment, assault, or discrimination
- Dating or domestic violence
- Stalking or threatening behavior
- Retaliation concerns

✅ Contact Local Police / 911

- Immediate danger to self or others
- Ongoing violence or threats
- Emergency requiring law enforcement response

About This Report

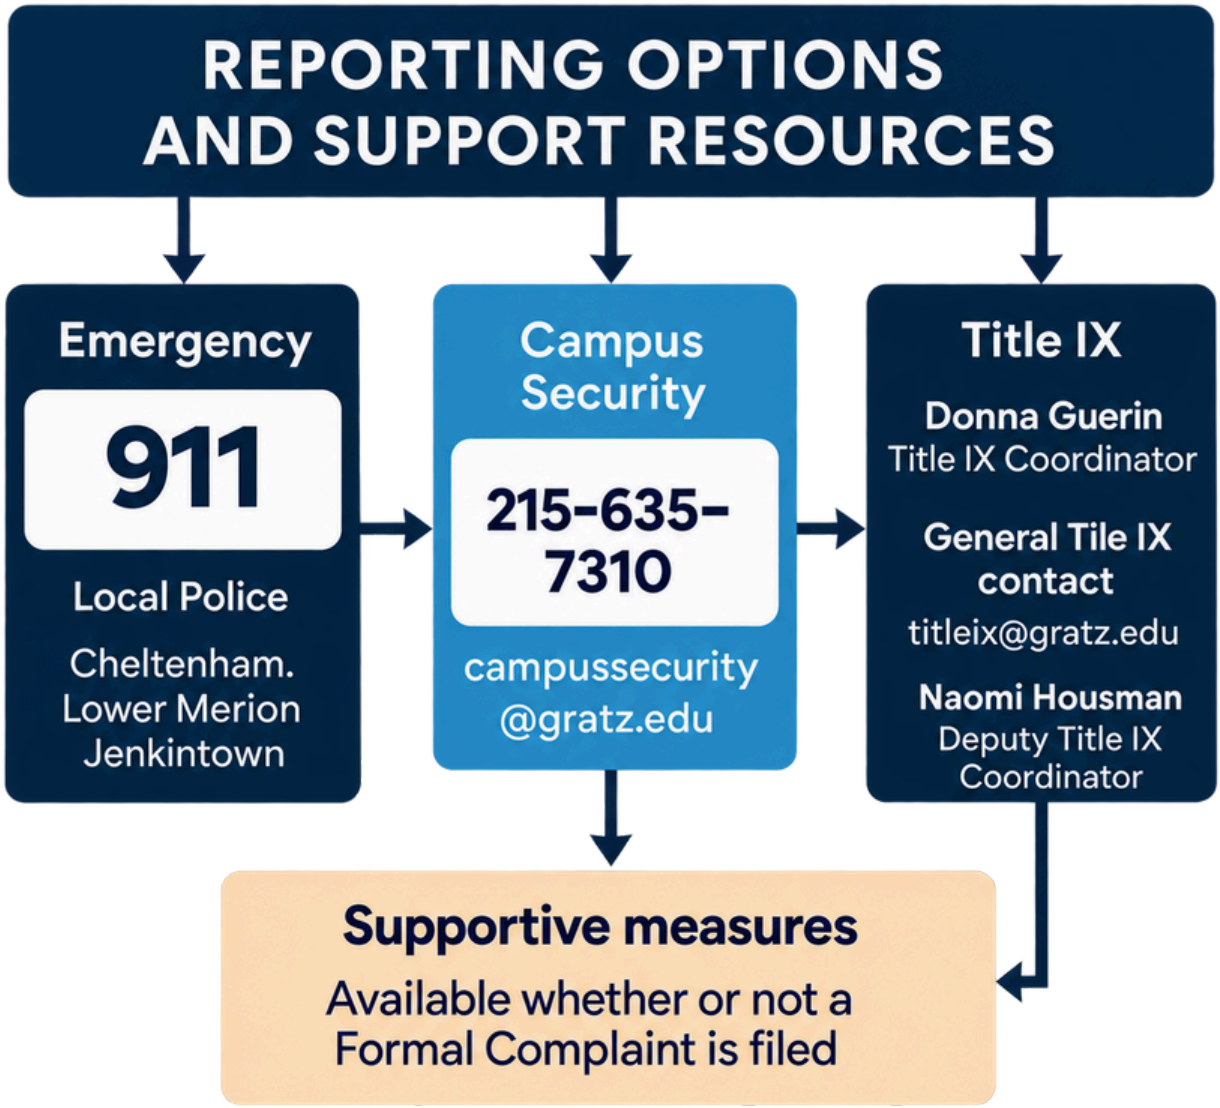

This Annual Security Report describes the current safety and security policies that apply to the Gratz College Jenkintown Campus and discloses crime statistics for the three most recent calendar years. It is prepared for current and prospective students and employees under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S.C. 1092(f), and 34 CFR 668.46. Gratz College complies separately for each campus.

The report is prepared by the Director of Campus Security using reports from Campus Security Authorities, institutional records, and reasonable good-faith requests to law enforcement agencies with jurisdiction over Gratz College Clery geography. Statistics are counted under federal Clery definitions, which may differ from Pennsylvania criminal-law definitions.

Annual Notice and Availability

By October 1, Gratz College provides all enrolled students and current employees with an individual notice containing a direct link to this report, a brief description of the report, and information on obtaining a paper copy. The College provides the same notice to prospective students and prospective employees. Paper copies are available from Campus Security at 215-635-7310 or campussecurity@gratz.edu. Gratz College also submits the required statistics through the Department of Education's annual campus safety survey.

The Jenkintown Campus is located at 315 York Road, Jenkintown, PA 19046 and began operating in 2025. Clery geography includes the property controlled by Gratz College at this location and public property immediately adjacent to and accessible from it. The campus has no on-campus student housing. Gratz did not operate at this location in 2023 or 2024.

Compliance Note
This section fulfills:

- Clery Act (34 CFR §668.46(b)(2)) – reporting procedures and contact requirements
- Title IX (34 CFR §106.8, §106.44) – reporting options, supportive measures, emergency removal, administrative leave
- VAWA amendments (34 U.S.C. §12291) – definitions and victim services requirements
- Campus Sex Crimes Prevention Act (20 U.S.C. §1092(f)(1)(I)) – sex offender registry disclosures

Reporting Crimes and Emergencies

Anyone who witnesses or learns of a crime, suspicious activity, safety concern, or emergency should report it promptly. Call 911 for immediate police, fire, or medical assistance. When safe, also notify Campus Security at 215-635-7310 or campussecurity@gratz.edu. Reports may also be made to a Campus Security Authority or directly to local police. Gratz encourages accurate and prompt reporting when the victim elects to report or is unable to do so.

The local law-enforcement agency for this campus is the Jenkintown Borough Police Department (610-635-4300; emergencies 911). Campus Security will assist a person who wishes to contact law enforcement. A victim may also decline to notify law enforcement.

Voluntary Confidential and Anonymous Reports

A person may submit information through the College's anonymous online reporting form or ask Campus Security or the Title IX office about reporting without identifying the victim. Gratz uses non-identifying information, when sufficient, to evaluate safety measures and compile statistics. The College cannot guarantee complete confidentiality when disclosure is required by law or needed to protect health and safety, but publicly available Clery records do not include personally identifying information about victims.

Pastoral and professional counselors acting within the scope of their counseling roles are not Campus Security Authorities. When appropriate, Gratz encourages them to explain voluntary, confidential reporting options for statistical inclusion.

Campus Security Authorities

Campus Security Authorities include Campus Security; individuals responsible for monitoring access; any person or organization identified by Gratz as a place to report crime; and officials with significant responsibility for student and campus activities. At Gratz, this includes the President and appropriate administrators, the Dean and student-facing administrators, the Director of Campus Security, administrators responsible for campus operations and facilities, directors of student-facing programs, advisors to student organizations, event coordinators, administrators at separate campuses, and contracted event or security personnel. CSAs must promptly forward allegations of Clery-reportable crimes for assessment and statistical counting.

Gratz College does not maintain a sworn campus police department. College security and designated staff do not have arrest authority; criminal investigations and arrests are handled by local law enforcement. Gratz cooperates with police and emergency-management agencies and exchanges information as needed.

Off Campus Student Organizations

Gratz College does not recognize student organizations with noncampus housing and does not maintain a routine local-police monitoring program for such locations. College-sponsored off-campus activities are supervised by responsible staff, who report incidents to local police and Campus Security as appropriate. Qualifying noncampus property, if any, remains subject to Clery statistical collection.

TIMELY WARNINGS

Crimes That Trigger Timely Warnings

- **Homicide**
- **Sexual Assault** (*Rape, Fondling, Incest, Statutory Rape*)
- **Robbery**
- **Aggravated Assault**
- **Burglary**
- **Motor Vehicle Theft**
- **Arson**
- **Hate Crimes**

Timely Warnings

Gratz College evaluates reports of Clery crimes occurring within Clery geography to determine whether the reported incident presents a serious or continuing threat to students or employees. The Director of Campus Security or designee makes the determination promptly, in consultation with law enforcement and other College officials as appropriate. The College issues a warning as soon as pertinent information is available and in a manner likely to reach the affected campus community.

A timely warning generally identifies the nature, date, time, and general location of the incident; available suspect information when useful; protective steps; and reporting instructions. It withholds victims' names and other identifying information. Distribution may include email, text or voice messaging through the emergency alert system, website or portal notices, and physical postings. A warning is not withheld solely because little information is available; content may be limited when disclosure would compromise an investigation or victim privacy.

Emergency Notification and Evacuation

Upon confirmation of a significant emergency or dangerous situation occurring on campus that involves an immediate threat to the health or safety of students or employees, Gratz College will immediately notify the appropriate segment or segments of the campus community unless notification would compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

The Director of Campus Security, President, Chief Operating Officer, or an authorized designee may confirm an emergency, determine the affected segment, develop the notification, and initiate the alert system. Confirmation may rely on first-hand observation, alarms, public-safety officials, weather services, or other reliable sources. Notices may be sent through Everbridge by email, SMS, or voice and supplemented by College email, website notices, building announcements, phone messages, or public media. Gratz will provide follow-up information when appropriate and will initiate procedures for disseminating emergency information to the larger community through its website, media contacts, or local emergency officials.

Evacuation instructions are communicated through alarms, alerts, posted routes, and directions from emergency personnel. Occupants should use the nearest safe exit, avoid elevators unless authorized, go to the designated assembly area, and not re-enter until authorized. For shelter-in-place events, occupants should move to the safest available interior location and follow official instructions.

Gratz tests its emergency response and evacuation procedures at least once each calendar year. A test may be announced or unannounced and includes a drill or exercise, follow-through activities, an assessment, and documentation describing the exercise, date, time, and whether it was announced. The College publicizes its emergency response and evacuation procedures in conjunction with at least one test each year.

Security of and Access to Campus Facilities

Campus buildings are open during approved business, class, and event hours. Access outside those hours is limited to authorized individuals using assigned keys, credentials, or approved arrangements. Visitors and contractors must follow check-in, identification, escort, and restricted-area procedures established for the site. Emergency exits must remain secured and unobstructed except during emergency use.

Campus Operations and authorized personnel conduct opening and closing checks, respond to access concerns, and coordinate alarm response. Gratz uses access controls, intrusion and fire alarms, and other monitoring systems appropriate to the building.

Security Considerations in Maintenance

Community members should promptly report broken locks, doors, windows, lighting failures, obstructed exits, landscaping concerns, or other hazards to Campus Security or Campus Operations. Safety and security are considered when facilities are repaired or modified. Urgent threats should be reported to 911.

Security Awareness and Crime Prevention

During the reporting period, Gratz provided safety and crime-prevention information through orientation materials, email notices, posted guidance, cybersecurity-awareness training, and emergency-preparedness communications. Topics included crime reporting, emergency alerts, personal safety, phishing and fraud, workplace safety, sexual violence prevention, bystander intervention, and available support resources. Additional education and safety communications are provided as conditions and emerging risks warrant.

DRUG AND ALCOHOL ABUSE PREVENTION

Addiction is a treatable, chronic medical condition involving complex interactions among brain circuits, genetics, the environment, and personal experiences. People with addiction may use substances or engage in behaviors compulsively, despite harmful consequences. Prevention efforts and treatment approaches for addiction are generally as effective as those for other chronic diseases.

Alcohol, Drugs and Weapons

Alcohol

The unlawful possession, use, sale, distribution, or furnishing of alcohol is prohibited on Gratz property and at College-sponsored activities. Alcohol may be served only at an expressly authorized College event and in compliance with Pennsylvania law and College controls. Persons under age 21 may not possess or consume alcohol. Gratz enforces its conduct and employment policies and refers suspected violations of law to law enforcement. Sanctions may include education, warning, probation, suspension, expulsion, termination, removal from campus, and referral for prosecution, as applicable.

Illegal Drugs

The unlawful manufacture, possession, use, sale, or distribution of controlled substances and drug paraphernalia is prohibited on College property and at College-sponsored activities. Misuse of prescription medication is also prohibited. Gratz enforces federal and Pennsylvania drug laws through institutional discipline and law-enforcement referral as appropriate.

Drug and Alcohol Education

Gratz distributes its Drug-Free Schools and Communities Act materials to students and employees, including standards of conduct, legal and institutional sanctions, health risks, and available counseling or treatment resources. The College may incorporate those materials by reference in this report.

Weapons

Students, employees, contractors, guests, and visitors may not possess firearms, knives carried or used as weapons, explosives, chemical defense sprays, martial-arts weapons, or other objects carried or used to threaten or inflict harm on property owned, leased, or controlled by Gratz or at College-sponsored activities. An exception may be authorized for law-enforcement officers or trained and licensed security professionals retained or approved by the College. Suspected violations should be reported immediately; call 911 for an immediate threat.

HAZING PREVENTION & REPORTING

Know the signs. Interrupt harm. Report concerns promptly.

Gratz College prohibits hazing connected with initiation into, affiliation with, or continued membership in any student organization - whether or not the organization is officially recognized and regardless of a person's willingness to participate. Consent is not a defense.

WHAT COUNTS AS HAZING?

An intentional, knowing, or reckless act committed by one or more persons against another person that causes or creates a risk of physical or psychological injury and is connected to initiation, affiliation, or continued membership in a student organization.

Examples may include:

- Physical harm, threats, dangerous activity, or forced exercise
- Humiliation, intimidation, coercion, degradation, or isolation
- Forced or coerced use of alcohol, drugs, food, or other substances
- Sleep deprivation, confinement, or interference with academic work
- Sexualized conduct, criminal acts, or cyber/virtual hazing

KEY DEFINITIONS

Student organization: A group at Gratz in which two or more members are students, including clubs, teams, associations, and other groups - recognized or unrecognized.
Retaliation: Adverse action, intimidation, threats, coercion, or discrimination because someone made a good-faith report or participated in a review or investigation.
Bystander intervention: Safe, reasonable action to interrupt risk, seek help, support a person, or report a concern. Do not place yourself in danger.

IF YOU SEE OR SUSPECT HAZING: Check immediate safety • Call for help • Preserve messages/photos • Report promptly • Support the person affected

ACCOUNTABILITY, PREVENTION & TRANSPARENCY

Violations may result in individual or organizational discipline, suspension, expulsion, loss of recognition, termination of affiliation, and referral for prosecution. Gratz provides research-informed prevention and awareness programming addressing recognition, reporting, investigation, healthy group behavior, and bystander intervention. Gratz maintains a Campus Hazing Transparency Report identifying student organizations found responsible for hazing, with required dates, descriptions, and sanctions while excluding personally identifying information.

This handout summarizes Gratz College policy and federal/state requirements. The full College policy and applicable law control. References: Jeanne Clery Campus Safety Act, as amended by the Stop Campus Hazing Act; Timothy J. Piazza Antihazing Law (Pennsylvania Act 80 of 2018).

Dating Violence Domestic Violence Sexual Assault and Stalking

Gratz College prohibits dating violence, domestic violence, sexual assault, stalking, sexual harassment, and retaliation. The College's prevention programs for incoming students and new employees, and its ongoing campaigns for students and employees, address the federal definitions of these offenses; the College definition of consent; safe and positive bystander intervention; risk-reduction information that recognizes abusive behavior is never the victim's fault; and reporting and response options.

If an Incident Occurs

- Get to a safe location and call 911 if there is an immediate threat or need for emergency medical care.
- Preserve evidence. Avoid washing, changing clothes, deleting messages, altering digital accounts, or disturbing the location when possible. Preserve texts, emails, photos, call logs, social media, and other records. Medical care can address injuries, evidence collection, pregnancy, and sexually transmitted infections.
- Report to Campus Security, titleix@gratz.edu, a CSA, or Jenkintown Borough Police Department. A victim may notify law enforcement, ask Gratz for assistance in doing so, or decline to notify law enforcement.
- Ask for a written explanation of rights and options and for reasonably available supportive measures, whether or not a police report or formal complaint is made.

Supportive Measures and Services

Gratz provides written notification about available counseling, health, mental-health, victim-advocacy, legal, visa and immigration, and student financial-aid services. The College also provides written information about reasonably available changes to academic, working, transportation, and living situations and about protective measures, including no-contact directives and assistance with lawful protection orders. These measures are available upon request when reasonably available, regardless of whether the person reports to police. Gratz keeps accommodations and protective measures confidential to the extent confidentiality does not impair its ability to provide them.

Proceedings involving dating violence, domestic violence, sexual assault, or stalking are prompt, fair, and impartial and are conducted by officials who receive annual training. The complainant and respondent receive written notice of allegations and proceedings, equal opportunities to present witnesses and evidence, the same opportunity to have an adviser present, and simultaneous written notice of the result, sanctions, appeal procedures, and when the result becomes final. Gratz applies the procedures and evidentiary standard stated in its current Title IX and sexual-misconduct policies.

only with those who need it to carry out the College's obligations, provide measures, or comply with law. Retaliation, intimidation, threats, coercion, or discrimination against a person for reporting or participating in a process is prohibited.

Sex Offender Registry

Information about registered sex offenders is available through the Pennsylvania State Police Megan's Law website at https://www.meganslaw.psp.pa.gov/.

Missing Students

Gratz College does not maintain on-campus student housing. The Clery missing-student notification procedures in 34 CFR 668.46(h) therefore do not apply. Any report that a student may be missing or endangered should be reported immediately to 911 and Campus Security.

Daily Crime Log

Because Gratz maintains a campus security function, it maintains a written, easily understood daily crime log for crimes reported to Campus Security within the applicable geography. The log records the nature, date, time, general location, and disposition if known. Entries are made within two business days unless disclosure is prohibited by law or would jeopardize confidentiality or an investigation. The most recent 60 days are open for inspection during normal business hours; older portions are available within two business days of a request. Contact Campus Security to inspect or request the log.

Fire Safety

The campus has no on-campus student housing; the Higher Education Opportunity Act annual fire-safety report and residential fire-log requirements do not apply. Gratz maintains required building fire systems, conducts applicable inspections and drills, and directs occupants to activate the alarm, call 911, evacuate by the nearest safe exit, and remain outside until authorized to return.

Hate Crimes

For each year and geographic category, disclose each qualifying offense and the category of bias: race, religion, sexual orientation, gender, gender identity, disability, ethnicity, or national origin. Qualifying offenses include the primary Clery crimes, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property, and hazing.

Unfounded Crimes

Only sworn or commissioned law-enforcement personnel may formally determine that a reported crime is false or baseless and therefore unfounded. Gratz must disclose the total number of unfounded reports for each calendar year.

Statistical Notes

- Count crimes in the calendar year in which they were reported to a CSA or law-enforcement agency, not necessarily the year in which they occurred.
- Apply the FBI Uniform Crime Reporting definitions and the Clery hierarchy rule, including the special rules for arson, sex offenses with murder, and stalking.
- Do not identify a victim or accused person in statistical tables.
- Maintain the police-request letters, agency responses, CSA survey records, classification worksheet, and final reconciliation as audit support.

Selected Clery Definitions

Term	Meaning
Campus	Buildings or property owned or controlled by the institution within the same reasonably contiguous area and used in direct support of or related to educational purposes, plus certain institution-owned property within or contiguous to that area that is controlled by another person, frequently used by students, and supports institutional purposes.
Noncampus building or property	Property owned or controlled by a recognized student organization, or property owned or controlled by Gratz that supports educational purposes, is frequently used by students, and is not within the same reasonably contiguous area.
Public property	Public streets, sidewalks, parking facilities, and thoroughfares within the campus or immediately adjacent to and accessible from it.
Consent	Agreement to sexual activity that is knowingly and freely given and communicated through words or actions. Silence is not consent. Consent may be withdrawn at any time and is invalid when obtained through force, threats, intimidation, or when a person lacks capacity.
Hazing	another person in connection with initiation into, affiliation with, or maintenance of membership in a student organization that causes or creates a risk of physical or psychological injury beyond the reasonable risk encountered in the course of participation in the institution or organization.

Clery Reportable Offense Definitions

The following definitions are used to classify reported incidents for Clery Act statistical purposes.

Murder and Nonnegligent Manslaughter: The willful, nonnegligent killing of one human being by another.

Manslaughter by Negligence: The killing of another person through gross negligence.

Sexual Assault: Any sexual act directed against another person, without the consent of the victim, including instances in which the victim is incapable of giving consent. Sexual assault includes rape, fondling, incest, and statutory rape.

Rape: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances in which the victim is incapable of giving consent because of age or temporary or permanent mental incapacity.

Incest: Sexual intercourse between persons who are related to each other within the degrees in which marriage is prohibited by law.

Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

Robbery: The taking or attempted taking of anything of value from the care, custody, or control of a person or persons by force or threat of force or violence, or by putting the victim in fear.

Aggravated Assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually involves a weapon or other means likely to produce death or great bodily harm.

Burglary: The unlawful entry of a structure to commit a felony or theft. For reporting purposes, this includes forcible entry, unlawful entry without force, and attempted forcible entry.

Motor Vehicle Theft: The theft or attempted theft of a motor vehicle, including automobiles, trucks, motorcycles, and other self-propelled vehicles that run on land but not on rails. This category does not include farm equipment, aircraft, or watercraft.

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, public building, motor vehicle or aircraft, personal property of another, or other property.

Hazing: Any intentional, knowing, or reckless act committed by a person, whether individually or with other persons, against another person in connection with initiation into, affiliation with, or maintenance of membership in a student organization that causes or creates a risk, above the reasonable risk encountered in the course of participation in the institution or organization, of physical or psychological injury.

VAWA Offense Definitions

Domestic Violence: A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; a person with whom the victim shares a child; a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner; a person similarly situated to a spouse under applicable domestic or family violence laws; or any other person against an adult or youth victim who is protected under those laws.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of the relationship is determined by considering its length, type, and frequency of interaction.

Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others, or to suffer substantial emotional distress.

Hate Crime Definitions

A hate crime is a criminal offense that shows evidence that the victim was intentionally selected because of actual or perceived race, religion, sexual orientation, gender, gender identity, ethnicity, national origin, or disability. In addition to the Clery offenses listed above, the following offenses are reported when motivated by bias.

Larceny Theft: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another person.

Simple Assault: An unlawful physical attack by one person upon another in which neither a weapon is used, nor the victim suffers obvious severe or aggravated bodily injury.

Intimidation: Unlawfully placing another person in reasonable fear of bodily harm through threatening words or other conduct, without displaying a weapon or subjecting the victim to an actual physical attack.

Destruction, Damage, or Vandalism of Property: Willfully or maliciously destroying, damaging, defacing, or otherwise injuring real or personal property without the consent of the owner or person having custody or control of it.

Arrests and Disciplinary Referral Definitions

The College reports arrests and referrals for campus disciplinary action for the following law violations.

Weapons Law Violations: Violations of laws or ordinances dealing with weapon offenses, including the manufacture, sale, purchase, transportation, possession, concealment, furnishing, or use of firearms, knives, explosives, or other deadly weapons, and attempts to commit those offenses.

Drug Abuse Violations: Violations of laws prohibiting the production, distribution, or use of controlled substances and the equipment or devices used in their preparation or use. This includes unlawful cultivation, manufacture, sale, purchase, possession, transportation, or importation of controlled drugs.

Liquor Law Violations: Violations of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, including furnishing liquor to a minor or intoxicated person and possession by a minor. Driving under the influence and drunkenness are excluded from this category.

Fire Classification Definitions

Gratz College does not maintain on-campus student housing. The following Higher Education Act fire classifications are included for reference.

Unintentional Fire: A fire that does not involve an intentional human act to ignite or spread the fire.

Intentional Fire: A fire that is ignited deliberately under circumstances in which the person knows that a fire should not be ignited.

Undetermined Fire: A fire for which the cause cannot be determined.

These definitions are used for Clery statistical classification and should be read together with 34 CFR 668.46 and Appendix A to Subpart D of Part 668. If federal definitions change, the current federal definitions control.
