

College Planning with xello

Everything your student needs to stay on track for college, all in one place.

With Xello, CCISD students and families can navigate the college planning process from exploration through application.

-  **Explore Colleges**
 - Research colleges, majors, programs, admission requirements, and costs to find the right fit.
-  **Manage College Applications**
 - Build a college list, connect with Common App, track applications, and keep important deadlines organized.
-  **Request Transcripts & Letters of Recommendation**
 - Students can request official transcripts and letters of recommendation directly through Xello.
-  **Find Scholarships & Financial Aid**
 - Search scholarship opportunities and explore resources to help make college more affordable.
-  **Stay Connected as a Family**
 - Activate your Xello family account to view your student's college and career planning progress and support them along the way.

START PLANNING TODAY

Students: Log in to Xello through the CCISD SSO.

Families: Visit ccisd.net/xello for family access, resources, and support.
