

Warrior Service Program Community Service Hours Requirements

Metrolina Christian Academy seeks to instill a sense of commitment to serving others; therefore, students in grades 9 through 12 are required to complete community service hours each year. Bible teachers receive the documented hours from students using the Documentation Form provided in class and also available on the MCA website. These hours are due by end of the 3rd Quarter and count as a test grade. Specific requirements and service hour rules are detailed below.
