**St. Clair Junior High School**
**Welcome Back to School!**
**2026–2027 School Year**

Dear Parents and Guardians,

Welcome to the 2026–2027 school year at St. Clair Junior High! We are excited to begin another year of learning, growth, and success with our students and families.

Our staff has been working hard to prepare for a productive and engaging school year. We are committed to providing a safe, supportive, and challenging educational environment where every student can thrive academically, socially, and emotionally.

As we start the new school year, we encourage parents and guardians to stay involved in their child's education. Regular communication between home and school plays an important role in student success. Please be sure to review school communications, attend conferences and events, and reach out to teachers or administrators whenever you have questions or concerns.

Important information regarding schedules, school procedures, transportation, extracurricular activities, and upcoming events will be shared throughout the year. We encourage families to regularly check school communications for updates.

We look forward to partnering with you to make this school year a positive and rewarding experience for all students. Thank you for your continued support of St. Clair Junior High.

Together, we can make the 2026–2027 school year a successful one!

Sincerely,

**Sande Racherbaumer**
Principal
St. Clair Junior High School
