Dear Central Families,

During the week of October 12th, we will train students on the ALICE procedures for school safety. ALICE stands for Alert, Lockdown, Inform, Counter, Evacuate. We have used these procedures for the last several years and they are used in many school districts in Western Pennsylvania and across the nation. The students will be in their homerooms for this training and will learn about ALICE in a way that is developmentally appropriate for their grade level. All students will hear the story *I'm Not Scared, I'm Prepared,* by Julia Cook, which explains ALICE. They will then have an opportunity to ask questions about what they learned.

Following the training, the teacher will discuss three scenerioes and problem solve, as a class, the possible ways to react to each situation. During this time, students will use what they have learned about ALICE. It is our intention that by using this developmentally appropriate training, students will learn that ALICE is a tool that they could use to keep themselves safe in any location if the situation called for it. Great care has been, and will continue to be, taken to assure that this information is presented in a way that is empowering and not frightening for our students. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Amy L. Kern, Ed.D.

Car Rider Arrival and Dismissal Directions

We will assume that your child is riding District transportation unless you send a note with your child indicating otherwise. Please indicate if the change is permanent.

Car Rider Directions

Please read the following tips and directions to help us safely, seamlessly, and quickly conduct arrival and dismissal. We thank you in advance for your patience and cooperation.

AM (8:15-8:45) Student Drop-Off:

- Cars should use the North entrance and drop children off at the side lobby doors by the cafeteria. ***Please do not leave children outside the school unattended prior to 8:15.**
- **If for any reason your child cannot unload independently on the right side of the car, please skip the line and park in the parking lot and walk your child to the staff helping by the doors.**
- Staff will be outside directing about ten cars at a time into the loop area, we ask that you follow directions and pull all the way up to the end of the loop. **DO NOT** pass a car in front of you in the loop.
- Quick unloading: Please have students ready to **independently** unload, students should already have items in hand and be ready to exit the **right side** of the vehicle. **DO NOT** permit students to exit out the left side of the vehicle. If for any reason your child(ren) is not ready to unload when it is time for the group of cars to drive from the loop, please drive to the parking lot and walk your child(ren) to the side doors.
- Please understand that many are dropping off students and going to work, so we ask that everyone is respectful and helps to keep our drop off line moving and safe.
- **If arriving after 8:45 am**, you must park in the front of the building and bring your child(ren) into the front (blue) doors.
- **If arriving after 8:55 am,** students will need a note explaining the reason for tardiness.
  ***Excused reasons for tardiness are documented in the Family Handbook on our website.

PM Student Pick-Up

All students must have a written note from home to be picked up from school.

- At the start of the year, if your student is going to be a regular car rider, please send a note to inform us of your plan. We will issue a sign that you will show to expedite the process.
- If your student will be a car rider on a specific day, please send a note in the morning and include the name/relationship of the person picking up your child. Driver's license should be ready for proof of identification.

Dismissal begins at 3:30 pm. Students being picked up will be called to the Cafeteria Lobby. When picking up children, parents/guardians should park in the left side lot and wait outside the double doors. A staff member will be in the Cafeteria Lobby with the list, compiled daily based on student notes received from home, and will unite you with your student.

♦ Important: the office must be notified by 2:15 pm of any changes to a student's dismissal, otherwise dismissal changes cannot be guaranteed. *Also, please note, all early dismissals must occur prior to 3:15 pm.*

Tips:

- Regular pick-ups, please display your school issued sign to help expedite pick-up.
- Occasional pick-ups, please have driver's license in your hand to show immediately.
- Once Central staff has matched you up with your child please go directly to your car and open up a parking spot for other waiting parents.

CENTRAL ELEMENTARY SCHOOL
4100 MIDDLE ROAD
ALLISON PARK, PA 15101

October 2, 2026

Dear Parents:

Central's Halloween/Fall celebration is scheduled for **Friday, October 30**. If weather permits, the students will parade outside. All families are invited to watch the parade that starts at 1:45 pm. AM Kindergarten students will have their own parade; Kindergarten teachers will communicate the plan.

Outdoor Parade
Families wishing to watch the parade may park in the school's lots or parking areas nearby. The parking lot behind the school will be open beginning at 1:20 pm. Please do not park in the driveways, as this will be the parade route. It is illegal to park on Middle Road or to block a driveway on any other street. Please be considerate of our neighbors when parking your car. A map of the parade route appears on the attachment. To ensure safety, driveway entrances will be closed to traffic from 1:35 pm until the conclusion of the parade.

Inclement Weather Plan
In the event of inclement weather, the parade will be in our cafeteria, students will walk across the stage. The decision of an indoor parade will be made at 1:30 p.m., then the custodians will unlock the "all glass" cafeteria side doors (Door 5) for you to enter/exit directly at the cafeteria. We will invite parents of grades 3-5 students inside at 1:45 and then parents of grades K-2 at about 1:55. Due to the gym being decorated and occupied by the Fitness Factory and having limited space for spectators in our cafeteria, we do ask that once see your child's classroom, kindly exit and make space for the next group.

Party Parents
Party parents should sign-in and receive their visitor badge prior to the parade. Please be reminded that only PTO selected party parents will be permitted to sign into the building and go to classrooms to host the Halloween parties.

Costume Guidelines
We appreciate your help in making our school celebrations fun and enjoyable for all students! Since our student population ranges in age from 5–12, we ask that costumes be age-appropriate and that masks or costumes that are overly scary or frightening be avoided. We prefer **NOT** to have students have to completely change into their costumes at school. Please have them dress so that either their costume is easy to slip over top of their clothes or they may partly wear their costume to school and add pieces before the parade. ***Please note: In accordance with School Board policy, any weapons or replicas are prohibited. Due to allergies, latex balloons and gloves are not permitted at the parties.*** Your cooperation in helping to make this event a success will be greatly appreciated.

Sincerely,

Amy L. Kern
