Ravenwood

Elementary School

Home/School Compact for Learning 2026-2027

The mission of Ravenwood Elementary School, the heart of our diverse learning community, is to ensure that all students discover their unique potential and innate value and persist in the face of challenges, thus breaking through to achieve boundless academic and personal aspirations.

We will accomplish this through:

- powerful and authentic learning environments,
- engaging and rigorous learning experiences,
- collaborative partnerships throughout the school community,
- and a culture of transparency, honesty, and fearlessness.

The purpose of the parent-school compact is to build and foster the development of a parent-school partnership to help all children be responsible and productive citizens and achieve our state's high academic standards. Through a process that includes parents/guardians, students, and the school community, the following are agreed upon responsibilities and expectations that we as partners will follow to support student success in school and in life.

As a family, our responsibilities for the education of our children include:

- Advocate for my child
- Teach and model positive values
- Partner with and support school staff
- Ensure my child arrives rested, prepared, and on time
- Encourage positive behavior choices
- Promote daily reading and learning activities at home and monitor electronic use at home
- Talk daily about learning and school, showing students the importance of learning
- Participate in school programs and activities
- Prioritize attendance and plan vacations during school breaks

As a learning community, our responsibilities for the education of our children include:

- Advocate for all students
- Respect and support every student and family
- Embrace diversity
- Provide a safe, positive learning environment
- Support students in meeting high academic standards
- Use engaging, creative instruction
- Communicate learning expectations and progress
- Build students' problem-solving and interpersonal skills to ensure they are life ready

As a student, my responsibilities for my education include:

- Be kind, be safe and work hard with integrity
- Come to school ready to learn and do my best
- Get rest each night and make healthy choices
- Complete assignments and bring needed materials
- Read every day
- Talk to my family what I am learning about in school
- Connect with adults at school when I need their support with something
- Use my technology in a safe and appropriate way with my school iPad only being for learning purposes

As members of the Ravenwood Elementary School community, we promise to do our best to fulfill our responsibilities as set forth in this Home/School Compact. My signature represents my commitment to fulfill these responsibilities.
