

**Tarkington Independent School District Tarkington
Elementary School
2026-2027
Campus Improvement Plan**

Mission

Our mission is to provide a quality instructional program that will enable each student to attain mastery of academic skills to the maximum level of his or her potential with a focus on early literacy and math, while developing in our students a positive attitude toward education and its importance to their future, instilling high expectations for academic success, and encouraging each student to become a responsible member of society.

Vision

S.T.A.R.S. Students Taking A Right Step... Toward Excellence!

Core Beliefs

It is our core belief that we strive to be better people today than we were yesterday. Faculty, staff, and students strive to improve themselves so that we are progressing in academia and how we handle our relationships with others.

Comprehensive Needs Assessment

Demographics

Tarkington Elementary School is one of four campuses in Tarkington Independent School District. Tarkington Elementary School currently serves 648 students in first, second, third, fourth, and fifth grades.

Current Enrollment By Grade

1 - 129

2 - 135

3 - 106

4 - 127

5 - 151

The average daily attendance rate for the 2024-2025 school year was 94.5% and for the 2025-2026 school year was 94.52%.

2025-2026 School Report Card Data

Student	Percentage
African American	1.2%
White	74.8%
Hispanic	20.7%
American Indian	0.1%
Asian	0.1%
Pacific Islander	0%
Two or More Races	3.0%
Economically Disadvantaged	61.2%
Special Education	24.9%
English Language Learner	7.1%

Our Schoolwide Title I program consists of parent involvement activities along with math and reading professional development.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Improve student attendance rates to 97%. **Root Cause:** Educate parents and community of the importance of daily attendance and follow through with all truancy prevention measures.

Student Achievement

Student Achievement Summary - Additional Targeted Support School

2026 Accountability	Scaled Score	Rating

Student Achievement Strengths

Problem Statements Identifying Student Achievement Needs

Problem Statement 1: Meet or exceed all state targets for grades 3, 4, and 5 STAAR scores at the meets level and rank above the bottom 5% of Closing The Gaps Domain Campus Comparison Groups. **Root Cause:** All grade level teachers follow lesson plans, district curriculum, disaggregate data, and participate in PLC/Data-Driven Instruction Meetings. Students are provided intervention at all tier levels.

Problem Statement 2: Improve all grades 3, 4, and 5 STAAR scores at approaches, meets, and masters levels. **Root Cause:** All grade level teachers follow lesson plans, district curriculum, disaggregate data, and participate in Data-Driven Instruction Meetings. Students are provided intervention at all tier levels

School Culture and Climate

School Culture and Climate Summary

Tarkington Elementary School actively provides culture and climate improvements through monthly incentives provided by TES administrators and TISD.

TES administrative staff has an open door policy for all students, staff, parents, and community members. All TES staff members are trained in Friendly..

School Culture and Climate Strengths

Ongoing activities are scheduled throughout the school year to promote a positive culture and climate. Examples include:

- Grade Level Team Collaboration
- Professional Development
- Supportive Staff
- Active Volunteer Program

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1: Students and teachers feel safe at school. **Root Cause:** Nationwide increase in school safety issues

Strategic Staffing & Instructional Leadership and Recruitment, and Retention

Strategic Staffing & Instructional Leadership and Recruitment, and Retention Summary

- The most effective teachers at Tarkington Elementary School are used as mentors for all first year teachers, teachers seeking certification, and those in the TISD Grow Your Own Program. They are provided with a campus liaison and clearly defined roles, responsibilities and resources to assist teachers in the district.
- Professional development for employees at all levels is a high priority. Both online and face-to-face opportunities are utilized in order to maximize opportunities for training.
- TES campus administrators attend at least 2 teacher job fairs per semester.
- Hiring committees evaluate personnel to target the best fit for instruction.

2025-2026 School Report Card Information

- Average Class Size
- Grade 1 - 16.8 students
- Grade 2 - 20.4 students
- Grade 3 - 22 students
- Grade 4 - 20.2 students
- Grade 5 - 21.7 students

Majority of Teacher 1-5 Years of Experience

Staff Quality, Recruitment, and Retention Strengths

- Student access to effective teachers is prioritized.
- Hiring, placement, and retention decisions are student-outcome driven.
- Data-driven decision making
- Collaborative decision making
- Professional development based on campus needs
- Continue to attend 2 job fairs each semester
- New teacher and seeking certification mentor program

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1: Increase the number of ESL certified teachers. **Root Cause:** District demographic changes have created the need.

Problem Statement 2: Retain highly qualified teachers. **Root Cause:** Texas teacher shortages has created the need

Tightly Aligned Instructional Core & Managed Instruction

Tightly Aligned Instructional Core & Managed Instruction Summary

- Teachers will utilize with fidelity the District adopted curriculum and resources.
- Instruction is aligned to standards, curriculum, and assessment.
- Teachers will utilize with fidelity the campus provided lesson plans that address student engagement and the rigor reflected in STAAR assessments.
- Phonics is taught explicitly at grades 1-3.
- Teachers will give common assessments each six weeks that reflect the state standards and STAAR assessment rigor using the district curriculum and resources.
- PLC/Data-Driven Instruction meetings are used to show student success and needs in order to adapt teaching to meet those needs.
- Instructional technology is utilized in all classes.
- All TES staff are trained in social emotional learning.
- Instructional technology specialists are trained and facilitate all TES staff members with instructional technology needs and professional development.

Tightly Aligned Instructional Core & Managed Instruction Strengths

- All classrooms using the adopted HQIM as designed.
- Student achievement data is available through web-based programs and data is used by teachers to gauge students' needs and drive instruction.
- Progress monitoring is achieved through scheduled common assessments and benchmarks.
- PLC/Data-Driven Instruction Meetings
- Instructional Leader and Team Leader Meetings
- Teachers participate in curriculum and instruction decision making through campus improvement teams, data-driven instruction meetings, and instructional leader meetings.
- Teachers utilize common lesson plans and are held accountable for the implementation.
- Parent conferences and training dates are built into the school calendar.
- Common unit and module assessment data is disaggregated and used in PLCs. .
- Online and virtual professional development is used.
- Teachers utilize interactive flat panels and Chromebooks.
- All grades utilize class sets of Chromebooks for instruction.
- All teachers have laptops.
- Two instructional technology specialists are trained and facilitate all instructional technology needs and training.
- Administrators have been trained in state accountability.
- Progress monitoring at the beginning, middle, and end of year in reading and math for all students through MAP
- Most teachers will complete the state required Reading Academy this school year.

Problem Statements Identifying Tightly Aligned Instructional Core & Managed Instruction Needs

Problem Statement 1: Meet or exceed all state targets for grades 3, 4, and 5 STAAR scores at the meets level and rank above the bottom 5% of Closing The Gaps Domain Campus Comparison Groups. **Root Cause:** All teachers follow lesson plans, district curriculum, disaggregate data, and participate in PLC/Data-Driven Instruction Meetings. Students are provided intervention at all tier levels.

Problem Statement 2: Improve all grades 3, 4, and 5 STAAR scores at approaches, meets, and masters levels. **Root Cause:** All teachers follow lesson plans, district curriculum, disaggregate data, and participate in Data-Driven Instruction Meetings. Students are provided intervention at all tier levels.

Problem Statement 3: Teachers are given the tools necessary for effective instruction. **Root Cause:** All teachers are provided instructional materials with training and a master schedule that provides uninterrupted time for reading and math instruction for all teachers.

Supported Student Intervention & Data Tracking

Supported Student Intervention & Data Tracking Summary

- MTSS teaming takes place on all students at the beginning, middle, and end of year.
- MTSS teaming on tier 3 students takes place between the beginning and middle of the year and again at the middle and end of year.
- Every kindergarten student is screened for dyslexia at the end of each school year.
- First graders are screened for dyslexia at the middle of each school year using NWEA.
- Intervention is focused on closing all academic gaps.
- State Compensatory Program (SCE) intervention classes for students who have not met Tier 1 levels.

Supported Student Intervention & Data Tracking Strengths

- The master schedule includes an intervention block for grades 1-5.
- If students are flagged on a dyslexia screener, they are monitored, provided intervention, and/or referred for testing.
- Data is tracked on all students for beginning, middle and end of year MAP, all CBAs, and STAAR.
- Data trackers are also used to track student goals for MAP, CBAs, and STAAR.
- Data trackers are used for all tier 2 and 3 students weekly to show growth and/or tier or intervention change.
- Progress monitoring is achieved through scheduled common assessments and benchmarks.
- Progress monitoring at the beginning, middle, and end of year in reading and math for all students through MAP testing.
- Kindergarten and first graders are screened for dyslexia.
- Dyslexia instruction takes place 4 days per week for 45 minutes.
- Reading and math interventionists provide tier support.
- PLC/Data Driven Instruction Meetings take place after each CBA where student and teacher data is tracked.

Problem Statements Supported Student Intervention & Data Tracking

Problem Statement 1: Meet or exceed all state targets for grades 3, 4, and 5 STAAR scores at the meets level and rank above the bottom 5% of Closing The Gaps Domain Campus Comparison Groups. **Root Cause:** All teachers follow lesson plans, district curriculum, disaggregate data, and participate in PLC/Data-Driven Instruction Meetings. Students are provided intervention at all tier levels.

Problem Statement 2: Improve all grades 3, 4, and 5 STAAR scores at approaches, meets, and masters levels. **Root Cause:** All teachers follow lesson plans, district curriculum, disaggregate data, and participate in Data-Driven Instruction Meetings. Students are provided intervention at all tier levels.

Quality Observation & Feedback

Quality Observation & Feedback Summary

- Teachers identified as needing additional support observe master teachers and participate in follow-up coaching sessions. They receive specific feedback and guidance on how to apply effective instructional practices observed in the model classroom to their own classrooms.
- PLC/Data Driven Instruction Meetings are guided by the principal to show teachers student misconceptions and how best to teach each TEKS.
- All teachers are observed on a rotating basis.
- Administrators meet weekly. They discuss observations and additional feedback or supports needed.

Quality Observation & Feedback Strengths

- Instructional walk-throughs are weekly, focused on specific parts of the T-TESS rubric, and feedback-driven to ensure daily fidelity of implementation, improve teacher practice, and increase student outcomes.
- Instructional Coaches provide teachers with lesson modeling.
- Math and Reading Interventionists provide additional teacher support in classes that show need.
- The principal and assistant principals are trained and provide high-quality, actionable feedback.

Problem Statements Quality Observation & Feedback

Problem Statement 1: Meet or exceed all state targets for grades 3, 4, and 5 STAAR scores at the meets level and rank above the bottom 5% of Closing The Gaps Domain Campus Comparison Groups. **Root Cause:** All teachers follow lesson plans, district curriculum, disaggregate data, and participate in PLC/Data-Driven Instruction Meetings. Students are provided intervention at all tier levels.

Problem Statement 2: Improve all grades 3, 4, and 5 STAAR scores at approaches, meets, and masters levels. **Root Cause:** All teachers follow lesson plans, district curriculum, disaggregate data, and participate in Data-Driven Instruction Meetings. Students are provided intervention at all tier levels.

Parent and Community Engagement

Parent and Community Engagement Summary

- Tarkington Elementary School is a Title I campus and family/community involvement is essential in the educational success of our students.
- TES reaches parents and the community through multiple forms of media and works with community organizations to promote the well being of students and the community as a whole.
- TES administrative staff have an open door policy for all students, staff, parents, and community members.
- TES teachers are available to meet with or contact all parents.

Parent and Community Engagement Strengths

- Parent Volunteer Program
- Meet the Teacher
- Curriculum Night/Open House
- Family Fun Nights - Nachos with Numbers and Boo Bash
- Pastries with Parents
- Grahams with Grams/Grandparents
- Kindergarten Graduation
- TES supports programs that help our students with food and materials, examples include Backpack Brownbag Buddies and the Christmas gift distribution for underprivileged students.
- Communication to parents and the community is disseminated through the campus website, campus and district newsletters, e-mails from teachers and administrators, Facebook, Remind, and other print media sent home with students.
- A summer feeding program is available for TES students.
- An English to Spanish translation program is available at all campuses to provide materials in the parent's and student's home language.
- Teachers utilize Happy Grams to send positive messages to students and parents.
- Parents eat lunch with their student on a monthly schedule by grade level.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1: Improve school to home communication. **Root Cause:** Continue to expand communication methods and continue to build family and community

Problem Statement 2: Improve parent and community engagement. **Root Cause:** Continue to expand and improve engagement methods that build family and community relationships.

Problem Statement 3: Creation of an active PTO. **Root Cause:** Lack of parent involvement.

School Context and Organization

School Context and Organization Summary

- Providing and protecting uninterrupted instruction time is a priority at TES.
-
- All students in grades 1-5 are invited to Meet the Teacher prior to the start of school. Meet the Teacher allows students and parents to meet their teacher, see their class, and drop off their school supplies before the first day.
-
- Before and after school STAAR tutorials are offered for students in grades 3-5.
-
- Student and staff safety is the number one priority at TES.

School Context and Organization Strengths

- School safety drills and requirements are fulfilled and monitored for compliance.
-
- Instruction time is protected and every effort is made not to interrupt classes unnecessarily.
-
- Parents and students are given an opportunity to orient themselves with the campus prior to the start of school.

Problem Statements Identifying School Context and Organization Needs

Problem Statement 1: Improve safety for all students and teachers. **Root Cause:** Nationwide increase in school safety issues.

Technology

Technology Summary

Tarkington Elementary School is committed to improving the quality and value of education and understands the importance of technology integration in teaching and learning. Our focus is to provide students with educationally appropriate, accessible, high quality resources designed to facilitate and enhance learning and assist in developing students' higher order thinking skills.

In order to encourage teachers to integrate technology into their daily curriculum, our technology infrastructure, hardware and software needs to be able to support our increasing technological demands.

Online and virtual professional development is utilized at TES.

Campus instructional technology specialists facilitate instructional technology integration and training needs.

Students are provided school email accounts.

Student instructional materials are available online.

Technology Strengths

- Online, readily accessible professional development is available and utilized by teachers and staff Google access and Google classroom are utilized by all teachers
- Technology programs are utilized in assessment and curriculum delivery.
- Technology is used to enhance communication with parents, students, and community.
- Campus instructional technology specialists facilitate instructional technology integration and training needs.
- All teachers have laptops.
- All classrooms utilize flat panels.
- Online programs are used for beginning, middle, and end of year progress monitoring.
- Grades 1-5 students are provided with a Chromebook.

Problem Statement 1: Improve replacement of outdated or damaged technology. **Root Cause:** Cost and need for additional technology grants.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals

Accountability Data

- Student Achievement Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS
- MAP data

Student Data: Student Groups

- Federal Report Card Data

Student Data: Behavior and Other Indicators

- Attendance data

Employee Data

- Federal Report Card data
- Professional learning communities (PLC) data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent engagement rate

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation

Goals

Goal 1: Provide a safe, positive and orderly environment for students, staff, and parents of Tarkington Elementary School.

Performance Objective 1: All students will be educated in safe learning environments that are and remain conducive to learning.

Evaluation Data Sources: Discipline and Safety Reports

Summative Evaluation: Significant progress made toward meeting Objectives

Strategy Details	Nov	Jan	Mar	June
Strategy 1: Provide daily social emotional learning lessons. Strategy's Expected Result/Impact: Safer campus for all and improved attendance and instruction. Staff Responsible for Monitoring: Counselor TEA Priorities: Recruit, support, retain teachers and principals; Build a foundation of reading and math - ESF Levers: Lever 3: Positive School Culture				
Strategy 2: Bullying awareness activities will take place throughout the year. Strategy's Expected Result/Impact: Safer campus for all and improved attendance and instruction. Staff Responsible for Monitoring: Asst. Principal, Counselor				
Strategy 3: Increase staff duty stations. Monitor staff attendance and visibility inside and outside of the building before and after school. Strategy's Expected Result/Impact: Safer campus for all and increased preparedness Staff Responsible for Monitoring: Assistant Principal/Principal				

Legend: 0% = No Progress 100% = Accomplished → = Continue/Modify X = Discontinue

Goal 1: Provide a safe, positive and orderly environment for students, staff, and parents of Tarkington Elementary School.

Performance Objective 2: Implementation of crisis management efforts in district.

Evaluation Data Sources: Discipline and safety reports

Summative Evaluation: Significant progress made toward meeting Objective

Strategy 1 Details		Reviews			
		Nov	Jan	Mar	June
Strategy 1: Continue to require all visitors to show identification, register in the computer system, and wear visitor badges while on campus. Strategy's Expected Result/Impact: Improve safety and security of all students and staff. Staff Responsible for Monitoring: Office Staff TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 3: Positive School Culture					
Strategy 2 Details		Reviews			
		Nov	Jan	Mar	June
Strategy 2: Student families will specify in Ascender who is allowed to pick up students at school and how they are sent home. Strategy's Expected Result/Impact: Improve safety and security of all students. Staff Responsible for Monitoring: Classroom Teachers, Office Staff ESF Levers: Lever 3: Positive School Culture					
Strategy 3 Details		Reviews			
		Nov	Jan	Mar	June
Strategy 3: Continue to provide all stakeholders with training and practice in emergency preparedness. Continue to perform practice drills, tabletop scenarios and make modifications based on student and staff safety needs. Campus evacuation routes and emergency procedures are posted in each classroom, exits and office areas. Strategy's Expected Result/Impact: Improve safety and security of all students and staff. Staff Responsible for Monitoring: Principal, Assistant Principal TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 3: Positive School Culture
