LIBERTY CHRISTIAN SCHOOL

COLLEGE PREPARATORY SCHOOL | PRESCHOOL - 12TH GRADE | ARGYLE, TEXAS

Equipping life-ready leaders to positively impact the world for Christ

Welcome to Liberty Christian School! For more than 40 years, Liberty Christian has been a leader in Christian education and continues to provide a Christ-centered, college-preparatory education that equips leaders to impact the world for Christ. At Liberty Christian, we raise leaders with servant hearts.

With a foundation built on Christ and a biblical worldview, we offer rich spiritual life, academic, and inspiring co-curricular programs in order to provide avenues for our students to discover and develop the gifts and talents that the Lord has given them. Liberty Christian School is a safe, nurturing environment for our students to wrestle and grow in their faith, while pursuing excellence and striving to live with compassion and integrity.

We follow a set of core values we call “The Warrior Way,” which serve to guide the growth of our students and equip them to be life-ready leaders when they graduate.

While excellence pervades our academic, athletic, and artistic programs, it is our teachers, coaches, and staff members that set us apart. Their commitment to model Christ-like love and leadership, while challenging students to give their best for Him, profoundly impacts student development.

Our professional, Christian educators and dedicated staff partner with parents so that students gain the skills and confidence they need to discover and fulfill God’s purpose for their lives.

I applaud your commitment to pursuing a Christian education for your child, and we look forward to welcoming you into the Liberty Christian family.

Dr. Blair McCullough
President

Liberty Christian School was founded in 1983 to offer a quality, Christ-centered education. Now with more than 1,300 students in preschool through 12th grade, our school offers students a safe place to excel spiritually, academically, artistically, and athletically.

From humble beginnings, Liberty has grown into one of Texas’ premier Christian college-preparatory schools. With accreditation by the Association of Christian Schools International (ACSI) and Cognia, Liberty Christian competes in academic, athletic, and fine arts contests through the Texas Association of Private and Parochial Schools (TAPPS), Liberty has won the best overall private school in Texas 15 times by TAPPS.

THE WARRIOR WAY
TRUTH | EXCELLENCE | LEADERSHIP | SCHOLARSHIP | CHARACTER | SERVICE | COMMUNITY

Liberty Christian endeavors to bring children into a closer, personal relationship with Jesus Christ. We strive to guide our students on the path that God has for them by encouraging and supporting their faith in and out of the classroom. In partnership with our families and their churches, Liberty Christian educates and motivates students to do the following:

- Recognize God as their ultimate source of truth.
- Stand firm in their faith.
- Embrace their identity in Christ.
- Build community by valuing others above themselves.
- Serve others locally and globally.

Highly Intentional. Rooted in God’s Word.

At Liberty, we have five dedicated youth pastors to focus on building relationships with students to point them to Christ. Grade-level curriculum includes bible or spiritual life classes where students can build a firm foundation of God’s truth as they are mentored into authentic, genuine, Christ-centered believers. Liberty Christian consistently pours into the lives of students, from the Impact program that pairs Upper School leaders with Middle School students to the Leadership Academy that helps students explore leadership through scripture.

Preschool

Preschool 3's - Prekindergarten 4's

Preschool

At Liberty, we believe every child is uniquely designed as a gift from God. For students ages 3-5, we offer a high-quality, Christ-centered preschool education in a warm and nurturing environment. Our creative curriculum supports spiritual, intellectual, emotional, social, and physical development while building academic foundations, encouraging social maturity, teaching children that Jesus loves them, and fostering curiosity that prepares them for lifelong learning. Through engaging classroom activities, themed learning celebrations, and special enrichment classes such as STEAM, music, and art, preschoolers experience joyful, well-rounded growth each day.

Students must be 3 years old to enter Preschool or 4 years old to enter Prekindergarten, and be fully potty-trained.

Lower School

Kindergarten - 5th Grade

Lower School

With love, care, and nurture as hallmarks, students in kindergarten through 5th grade grow academically, socially, emotionally, physically, and spiritually. Lower School fosters a lifelong love of learning. With the belief that every child is fearfully and wonderfully made (Psalm 139:14), teachers engage students in classroom experiences that honor each child's learning through the use of small group and differentiated instruction. All of our classes are kept small so your child will receive the individualized attention they need to grow, discover, ask questions, and form concepts in their ever-expanding, young mind.

At Liberty Christian, every subject, activity, service project, and enrichment class is always centered around biblical principles and our relationship with Christ. Being biblically based is ingrained into our school's DNA! We want students to leave Lower School with a love for the Lord and a confidence that they can make our world a better place.

Before- and After-Care

In Preschool and Lower School, extended care is available for an additional fee. Options are available for childcare both before and after the school day. To learn more, visit www.libertychristian.com/extended-care.

Unique Weekly Enrichments to Supplement Academic Instruction

Art

In visual arts, students learn to draw with a variety of media as they explore patterns and texture. As students progress through Lower School, lessons include principles of symmetry, negative and positive space, portraiture, and color awareness. Students also experiment with painting and sculpture.

Vocal and Applied Music

Vocal and applied music classes offer students opportunities for performance. Students sing, move, and play instruments as they explore the world of music and learn the essentials of rhythm, pitch, and harmony. In 5th grade, students will experience a nine-week rotation through band, choir, musical theatre, and visual art.

Physical Education and Liberty Youth Athletics

Lower School students participate in Physical Education (PE) to build physical strength and coordination. Liberty also offers Liberty Youth Athletics (LYA) outside of school in which students have the opportunity to experience team sports in a Godly, structured, and nurturing environment. Registration costs for LYA sports teams and clinics are not included in tuition and require an additional fee at the time of registration.

Spanish

Because language and culture are at the heart of the human experience, Liberty Christian believes every student should develop proficiency in another language. Lower School Spanish provides cultural lessons, foundational language tools, and vocabulary students will need to understand and converse in the language.

STEM Grid Lab

Liberty Christian engages students in weekly STEM learning. The program empowers students to adopt a design-thinking mindset through compelling activities and projects that build upon each other and relate to the world around them. As students engage in hands-on activities in computer science, engineering, and biomedical science, they become creative, collaborative problem solvers ready to take on any challenge.

Middle School

6th Grade - 8th Grade

Middle School

The Middle School years represent one of the greatest periods of transition in life. Adolescent students need a learning environment designed specifically with them in mind. Liberty Christian's Middle School nurtures and encourages students while providing guidance and support.

Challenging academics and wide-ranging electives provide students a chance to explore their interests, learn to express themselves, and spark enthusiasm for lifelong learning. Middle School provides a training ground for the college-preparatory rigor ahead in Upper School. Students develop independence in learning, including time management, and study skills.

Middle School also strives to capture students' hearts for Jesus. As students age, we know the pressures of the world increase. We want our students to recognize as early as possible their identity is in Christ, and they are each loved, valued, and uniquely designed by God.

Middle School Highlights

- Small classes: Students are known, seen, supported, and encouraged.
- Block schedule: Courses rotate every other day (similar to Upper School and college).

Liberty Christian School extends learning beyond the classroom through experiential opportunities that foster growth in faith, leadership, and service. Each spring, Middle and Upper School students participate in Week Without Walls, an immersive program offering educational travel, college visits, internships, mission trips, and service projects designed to connect classroom learning to real-world experiences. Through these opportunities, students explore future paths, serve others, and deepen their faith as they seek God's purpose for their lives. Intentional mentorship further strengthens the community through programs like Impact, which pairs Upper School leaders with Middle School students for spiritual accountability, along with senior visits to the Preschool and Lower School that model leadership and inspire younger Warriors.

Community Engagement: A Warrior Tradition

Family Involvement

At Liberty Christian School, we believe family is the cornerstone of a student’s success, and we intentionally cultivate strong partnerships with parents and grandparents. Families are invited to engage in regular community gatherings such as Donuts with Dads, Parent Bible Studies, and Moms in Prayer International, creating meaningful opportunities for connection and encouragement. Through Family Foundations, parents have access to seminars and workshops addressing topics like mental health, navigating technology, and building strong family culture. These resources are designed to equip families with practical, faith-based tools to support healthy, Christ-centered homes.

Partners Through Faith (PTF) invites parents, grandparents, and alumni to volunteer on campus, assist with events, and support school initiatives – fostering fellowship while strengthening daily operations. Our Grandparents Association plays a vital role as well, participating in special events and helping create a multi-generational environment where students feel deeply supported.

Warrior Traditions

Community at Liberty Christian extends well beyond graduation. Alumni are encouraged to remain engaged through the Alumni Association, continuing a lifelong relationship that strengthens the school and supports future generations of Warriors.

Time-honored traditions further unite students, families, and alumni across all divisions.
