Challenge Charter School Week of: October 05,2026

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

Here's what we'll be learning next week...

Math

We will be learning to write amounts of money, make change!

Invite your children to count change at home and interact with money! Using money is the best way to learn it!

We will also continue working on multiplication strategies.

Core Knowledge Classic Tales: The Wind in the Willows

Over the next few weeks, your child will be listening to Kenneth Grahame's classic The Wind in the Willows during our Core Knowledge block. As we follow Mole, Rat, Badger, and the irrepressible Mr. Toad along the riverbank, students will build vocabulary, practice listening comprehension, and explore rich themes like friendship, loyalty, the beauty of nature, and how our choices affect the people who care about us. Ask your child about Toad's latest adventure — it's a fun conversation starter!

ELA

Reading: Classic Tales: We will read the story of Aladdin as we apply the reading skills we have learned. We will also be learning about THEME.

Narrative Writing; Paragraph structure; opic and closing sentences.

Grammar: Plural Nouns

Spelling: vowels teams; EX: ai,ee, ay,ea,oa, oy

We are looking for Volunteers for next Friday to help with a Allladin craft. If you are available from 1:45-2:45, please reach out to your child's teacher!
