ATTENDANCE REMINDERS

Starting Semester 2, if we do not have some form of communication from the parents and your kids sign in alone, it will stay an unexcused absence. Please come in with them, call in or send a note when they are signing into the school. You must excuse your students' absences and tardies within 10 school days. We will no longer accommodate parents calling months late asking to excuse all of their kids' absences. It is considered a tardy if they are less than 15 minutes late in the morning. Please know that if your student misses more than 15 minutes in the first half or second half of the day, it is considered missing half a day. These half days can add up to a lot of absences. We understand that kids have appointments and other situations come up, but we want you to be aware of how this can affect their attendance.

It is part of our Attendance process to send out letters to parents regarding their student's attendance each year. Please know that this is to keep open communication between the school and the parents. Please reach out with any questions.

ALWAYS BRING YOUR DRIVER'S LICENSE

We are always happy to have visitors. Please know you must have your Driver's License to check in and get a badge to be able to walk down our hallways when school is in session. If you have to check in your student late, we encourage you to let them walk to class on their own. It becomes a big distraction when they walk into class late, especially with a parent. You also need your Driver's License to check your student out of school early...so always having your Driver's License available at school is the best practice.

RETURNING STUDENT INFORMATION UPDATE

All returning students must have their information updated with their school each year. Please login to Family Access and complete the

"FES 26-27 Returning Student Information Update"
for each of your students.

Our goal was 100% complete by September 30th and we still have a LONG way to go! Please get onto Family Access and complete it tonight! If nothing has changed, you still need to get on and complete all of the steps.

PHOTO OPT OUT

Every student now defaults to "YES" for participating in photos and photos being published in Freeman media like the Scottie Scoop, Freeman website, social media, Yearbook and classroom photo/activity updates. If you do not wish for your student's photo to be taken and published, please reach out to their building's office. If you do not contact us, then our understanding is that you are giving permission to take/publish their photos. If you have students in different buildings, please contact each building.

HEARING/VISION SCREENINGS

The week of October 12th through the 16th, our nurses will be conducting hearing and vision screenings for grades Kindergarten through 3rd and 5th grades. Please contact the nurses with any questions.

SCOTTIE DASH-THANK YOU!

What a fantastic day! A huge thank you to all our students, families, community members, and sponsors for your incredible support during the 2026 Scottie Dash.

This fundraiser is a joint effort between the TK-8 Associated Student Body (ASB) and the Parent, Teacher, Student Group (PTSG). Thanks to your generosity and enthusiasm, all proceeds raised will directly benefit our students by funding upcoming field trips, community events, sports programs, clubs, playground updates, assemblies, and much more. We extend a special thank you to our generous sponsors who helped make this event a success:

- Amplify Real Estate Services
- Broadway Heights Dental
- CHS Primeland
- Dave's Hot Chicken
- Design IT Solutions
- Fulcrum Financial Group
- Gray Service Plumbing
- Hawley Family
- Inland Empire Golf
- iSmile Orthodontics
- L&M Truck Sales
- Palouse Doodles, LLC
- Scott Family Orthodontics
- Swell Coffee

5TH GRADE FAIR SUCCESS!

2 OF 3

Congratulations to the fifth graders for receiving the "Best of Show" Award at the Southeast Spokane County Fair. The students meticulously worked on their seed pictures making their design become alive in three dimensional form. The students not only showed their artistic abilities, but also learned about the seeds that are grown and harvested by local farmers. Mr. Gady is proud of you!

NUTRITION SERVICES MENUS AND UPDATES

2025-26 Free & Reduced Meal Benefits Expire Oct. 1

Students who received Free & Reduced Price Meal benefits last year have temporary coverage for the first 30 school days of this year. For the 2026-27 school year, this grace period ends on October 1.

A new CNEEB application must be submitted every school year. To avoid any interruption in meal benefits—or to apply for the first time—please complete and submit your CNEEB application as soon as possible.

The FSD Nutrition Services web page is now live. You can find documents and links relating to FSD Nutrition Services on the Freeman School District website under Departments. Click the following link to be taken directly to the Nutrition Services web page: [Nutrition Services LINK](#)

Information on SMS text messaging and Short Codes: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.

If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

NOTICE to PARENTS: Scientific research proves the study of chess enhances academic performance, increases overall brain functions, and builds positive behavior. In order for students to realize the enormous benefits of chess, daily study is required. Research shows that a minimum of 20 minutes of daily study yields significant academic and behavioral benefits. Inland Chess Academy offers two optional child-safe websites programs for home study: Chess Magnet School and ChessKid, at discounted prices. Also available are home study workbooks. Please support chess study at home.

Contact chess@inlandchess.org or phone 509-822-9800

The Inland Chess Academy's curriculum is built on research proven methods developed by chess masters and educators, and recommended by the United States Chess Federation (USCF).

Beginner - Beginners learn and demonstrate the basics of chess play, chess rules, and etiquette.

Intermediate - Students learn algebraic notation, playing with a clock, an understanding of strategies for opening a chess game, major tactical techniques, and basic endgame theory.

Advanced - Students develop advanced competitive strategies including an opening repertoire, positional strategies, tactical combinations, endgame play, and methods of applying sport psychology to their games.

All students gain knowledge of chess history, chess news, and grow their appreciation of chess. Students are encouraged to play in regional and state tournaments for individual and team awards. *Tournament schedule: www.InlandChess.org*

The Inland Chess Academy is building a vibrant chess community:

- ~ Regional tournaments for students and parents, twice monthly on Saturdays.
- ~ Camps on holidays, spring break, and during summer.
- ~ Tutoring and special interest study groups.

FREEMAN FOCUS

FALL 2026

Welcome to the 2026-2027 School Year!

Dear Freeman Families and Community,

It is with tremendous gratitude and excitement that I welcome you to the 2026-2027 school year as your Superintendent. This year marks a special milestone in my own Freeman journey. Nearly 30 years ago, I began my career here as a teacher and coach. Since then, I have had the privilege of serving as an Elementary Principal, Assistant Superintendent, and now Superintendent.

Through every role and every season, one thing that has remained constant is my deep love for Freeman and my belief in the people who make this community so special.

There is truly only one Freeman. One community, one team, united by our commitment to every student. Together, we will continue building a culture of belonging, strong relationships, high expectations, and opportunities for every student to learn, grow and succeed.

It is an honor to continue to serve this community. Thank you for your partnership and support.

Go Scotties!

Lisa Phelan
Superintendent

BACK TO SCHOOL

August 19th was a big day as we welcomed students back for the first day of the 2026-2027 school year! KXLY joined in the excitement to interview our new Superintendent, Lisa Phelan, new Elementary Principal, Mike Allen, and returning 2nd grade teacher, Emily Nelson. It was a beautiful day filled with smiles, excitement and the joy of having our students back on campus. We're looking forward to a wonderful school year ahead!

YOUR SAFETY, SECURITY & TECH LEVY DOLLARS AT WORK

Thanks to the generous support of our community through the Safety, Security & Technology Levy, which provides funding for calendar years 2026 and 2027, we were able to make a number of important campus improvements this summer. Levy dollars are helping us maintain safe, welcoming, and technology-ready learning environments across our schools. This summer's projects included:

- Crosswalk lighting and flashers to improve visibility and pedestrian safety - **\$42,000**
- Crack repair and resealing of parking lots and the FES/FMS playground - **\$34,743**
- Updated lighting in the TK-8 Multi-Purpose Room - proposal is **\$22,645**
- Gym floor refinishing at all three schools - **\$14,832** (paid by EP&O levy funds)
- FES playground bark replacement - **\$4,218**
- Technology repairs and updates across our campus - **\$525,000** (includes the items below)
 - Chromebooks - **\$283,000**
 - District DataCenter (including replacement of 28 servers that were end of life) - **\$126,000**
 - Network Switching (backbone of all connectivity for the district) - **\$116,000**

Thanks to student feedback from FHS and FMS, the district has added four new rapid flashing beacons at district crosswalks, along with lighting bars at our transportation entrances. These improvements enhance visibility in all conditions, support safe and independent crossing for students, staff, and community members and help strengthen a culture of safety throughout our community.

NEW CHROMEBOOKS!

One of the most exciting highlights of the start of the school year is the arrival of new Chromebooks for our students! After several years of challenges with aging devices, these new Chromebooks will provide students with more reliable and consistent access to the learning tools they use every day. We're excited to see our students put them to work!

LIBRARY

Help invest in the next generation by volunteering in the Freeman library! Library volunteers work directly with students by reading, helping students choose books and supporting literacy activities. Volunteers also help behind the scenes by shelving books, preparing new materials and making book repairs.

Weekly volunteer opportunities are available mornings and afternoons, Monday-Friday, with flexible hours. Interested? Contact Susan Chadduck, TK-8 Library Coordinator, at schadduck@freemansd.org. Complete the online volunteer application on the Freeman School District website at www.freemansd.org.
