

THE ROCK HILL WORKFORCE DEVELOPMENT & ADULT EDUCATION BULLETIN

HERE WE GO AGAIN!!!

The Rock Hill Workforce Development & Adult education Program has said goodbye to another successful year. The 2025-26 SY concluded with our program once again exceeding expectations. Despite our small staff we produced 52 graduates(10 with honors), the most graduates in our region. We also had 21 NorthStar Digital Literacy certificates earned and 28 WIN credentials issued at a Level 3 or higher. A multitude of district employees earned their ParaPro credential.

These accomplishments reflect more than academic progress; they represent the resilience, determination, and commitment our students and staff. We are extremely proud of the work we put in each day.

A Fond Farewell to Mrs. Dorothy Whitmire

The Rock Hill Workforce Development and Adult Education Program said a heartfelt goodbye to Ms. Dorothy Whitmire, our ESL teacher, after many years of dedicated service to the students and families of our community.

Throughout her time with RHWDAE, Ms. Whitmire made a lasting impact through her dedication, compassion, and commitment to helping her students learn, grow, and achieve their goals.

Ms. Whitmire will truly be missed by her students, colleagues, and the entire RHWDAE family. We are incredibly grateful for the time, talent, and heart she shared with our program. Thank you, Ms. Whitmire, for your years of service and for the difference you made in the lives of so many. We wish you all the best in your next chapter!

Our Doors Are Open and Students Are Ready!

Registration kicked off with a flurry of activity as we welcomed new students eager to begin their journey and returning students determined to finish what they started. The excitement and interest in our programs have made for an incredible start to the 2026–2027 school year!

Our ESL program has seen especially high demand, with interest so strong that we have already started a waiting list for services. We are excited about the continued growth of our program and even more excited to help our students take the next step toward reaching their educational, career, and personal goals.

The year is just getting started, and we're already off to an amazing start!

Connecting with Our Community!

This summer, the Rock Hill Workforce Development and Adult Education team joined the fun at the Back-to-School Block Party, hosted by ParentSmart at Saluda Trail Middle School. It was a great opportunity to connect with families, share information about the many programs and services we offer, and help our community get excited and prepared for another successful school year.

We always enjoy getting out into the community and spreading the word about how RHWDAE is promoting change in the lives of students!

Geared Up and Ready to Roll!

After kicking things off at the Annual District Rally and enjoying the first District Dress Down Day, the Rock Hill Workforce Development and Adult Education team is energized, geared up, and ready to get the 2026–2027 school year rolling! We're looking forward to an even bigger and better year filled with new opportunities, continued growth, and plenty of reasons to celebrate our students and staff!

THE ROCK HILL WORKFORCE DEVELOPMENT & ADULT EDUCATION BULLETIN

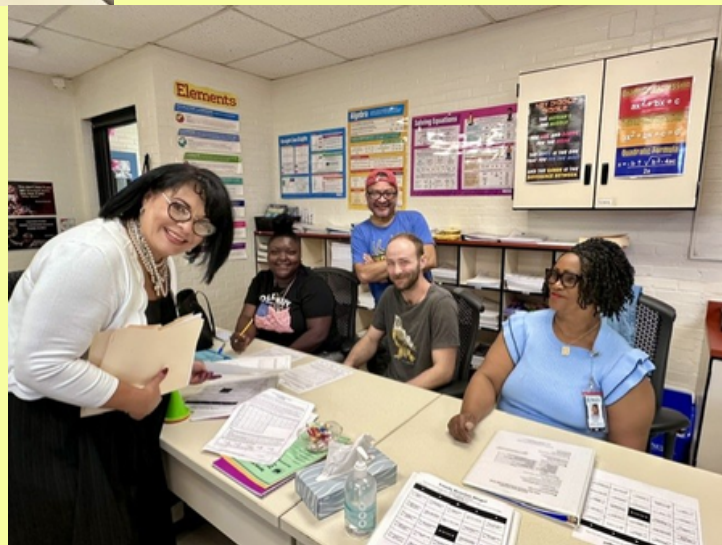

The 2026–2027 school year is officially underway! Students and staff kicked things off during orientation with introductions, smiles, and an opportunity to make new connections. It was the perfect start to what promises to be an exciting year of learning, growth, new opportunities, and success!

And We're Off!

Students and staff kicked off the 2026–2027 school year by introducing themselves during orientation and getting to know one another. The energy was high, the smiles were plenty, and just like that, the new school year was rolling! We're looking forward to another great year of learning, growth, and promoting change in the lives of our students!

THE ROCK HILL WORKFORCE DEVELOPMENT & ADULT EDUCATION BULLETIN

Students and staff introduced themselves at orientation, and the 2026–2027 school year got rolling! It was a great way to break the ice, make connections, and start the year off on a positive note. We're excited to see what this school year has in store for our students!

THE ROCK HILL WORKFORCE DEVELOPMENT & ADULT EDUCATION BULLETIN

Students and staff kicked off the 2026–2027 school year by introducing themselves during orientation and getting to know one another. With introductions made and connections beginning to form, the new school year is officially underway! We're excited for a year filled with learning, growth, and success as we continue Promoting Change in the Lives of Students!
