

THE FALCON FLYER

News and Highlights – Week 8: 10/5/2026

Principal's Notes:

Happy First Week of October!

Thank you to all the students who participated in our Student Council Elections! The campaign posters brought energy and excitement to our campus, and the speeches were impressive. We are proud of every student who took part in the process. Congratulations to our 2026-2027 Student Council Officers: **President: Allie-Rose Phipps; Vice-President: Luis Lopez Perez; Secretary: Olivia Griffey; and Treasurer: Lorenzo Maldonado.**

Congratulations as well to our girls' volleyball team and Coach Granillo! The team will play on Tuesday for a chance to advance to the District Tournament next Saturday.

Thank you to everyone who submitted School Site Council ballots. We appreciate your participation and support. The election results will be announced at the School Site Council Meeting on Monday, October 5th.

The Fall Climate and Culture Survey for students, families, and staff will open on Monday, October 5th. Information for families and staff will be shared through Parent Square. We encourage all families to take a few moments to complete the survey. Your feedback helps us celebrate our successes while identifying opportunities to continue growing and improving as a school community. Students in grades 3 through 6 will complete their surveys during class the week of October 12th.

As a reminder, the first quarter ends on Friday, October 16th. With only two short weeks remaining, now is a great time for students to make sure all assignments have been completed and submitted. Teachers will review report cards with families during parent-teacher conferences, which will take place October 26th through October 30th.

Let's make it an outstanding week of learning, Falcons, as we continue working hard to *Achieve Our Greatest Potential*. GO FALCONS! 🦅
