A message from Mrs Tomlinson…

As a school, we are always looking for ways to strengthen our partnership with parents and carers. We value opportunities to share information, listen to your ideas, and work together to provide the very best experience for our children. With this in mind, there are two events for families to note before the half-term break.

On **13th October at 3.30pm**, we will be hosting an informal session for parents and carers of EYFS pupils (Nursery and Reception). We are delighted to be joined by the Specialist Community Public Health School Nurse, who will share information about the support and services available to families in the local area. Later that week, on **15th October**, our SEND team will be holding a drop-in session, with both face-to-face and telephone appointments available for parents wishing to discuss any questions, concerns or queries. I do hope many of our families will take advantage of these valuable opportunities.

This week, a number of staff members, including myself, were invited to Year 1 to be interviewed by the children about our roles within the school. I had the pleasure of spending time with Class 1A on Monday afternoon, where I was asked lots of fascinating questions about being a headteacher. The children were incredibly articulate, confident and curious. They wanted to know how long I had been at Lynch Hill (certainly not 70 years!), which parts of my job I enjoy the most, what I find most challenging and even who my favourite teachers were when I was at school. It was a wonderful reminder of how thoughtful and engaged our pupils are.

As you know, the book fair is coming to Lynch Hill next week and ahead of its arrival we launched a book cover competition where there was the chance for lucky winners to win a book voucher. Mrs Pallot has been inundated with fabulous entries from across the school, and with the closing date being today, we now have some very difficult decisions to make! Thank you and a huge well done to all who entered. We will be sure to display all entries, as they really showcase that passion for reading.

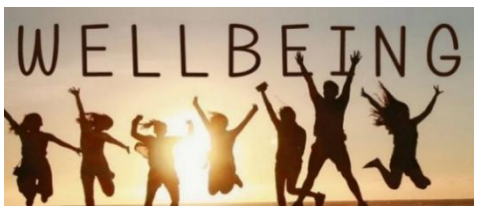

You will be aware of the national focus on improving school attendance and the message that attendance is everyone's responsibility. Every child is entitled to a full-time education that is suitable for their age, aptitude and any special educational needs they may have, and parents have a legal responsibility to ensure that this happens. However, good attendance starts with children wanting to come to school. The foundation of strong attendance is a school environment that is calm, safe, supportive and engaging, where pupils feel happy, valued and ready to learn. We want Lynch Hill to be exactly that for every child, and we are committed to working with families to overcome any barriers that may make regular attendance more difficult. We monitor attendance carefully, and Mrs Bunce works closely with families whenever attendance falls below expected levels so that support can be provided as early as possible.

I am therefore delighted to share some really positive attendance news. When comparing attendance at the start of this academic year with the same period last year, the picture is really encouraging. Our whole-school attendance currently stands at **96.9%**, which is extremely pleasing and above the current national figure for primary schools. Even more encouraging is the excellent attendance being demonstrated by many of our younger pupils. **Year 2** are currently leading the way with an attendance figure of **97.5%**, although **Year 4** are hot on their heels at **97.4%.** Well done to all of our pupils and families for helping to make such a positive start to the year. Let us hope this upward trend continues in the months ahead.

As autumn weather begins to settle in and temperatures continue to fall, please ensure that children come to school dressed appropriately for the conditions, including a suitable coat and sensible footwear. We would also ask that umbrellas are taken home after drop-off, as cloakroom space is limited and they can be difficult to store safely.

Finally, we hope the rain stays away next Friday (9th October) so that all of our children can arrive looking their very best for their school photographs.
Have a wonderful weekend, and we look forward to welcoming everyone back next week.

Well-being: British Values

At Lynch Hill School, we have 6 Personal Development Strands which underpin children's learning and development and enhance well-being. We would love to

Lynch Hill School Primary Academy Newsletter

Issue: 4 (26-27) *Aim High, Work Hard, Care Deeply* **2nd October 2026**

co-work with families, so these strands are shared in homes too. Our fourth strand is *British Values.*
We aim to promote British Values and teach our pupils how to respect each other, to understand that differences are positive and that our unique differences make us who we are. They learn to understand democracy, rule of law and individual liberty. Through our inclusive school environment, curriculum lessons, workshops, visits and assemblies, we strive to make our pupils responsible, mutually respectful citizens who are tolerant and who actively celebrate diversity and equality.

Some key points for consideration of British Values in your home:

- Talk about how differences bring value to our lives and communities.
- Recognise that we all need to follow the laws of our country and promote following rules and respecting others.
- Celebrate all the wonderful cultures that are present in our country.
- Talk about the different accommodations you make in your family to ensure everyone achieves.
- Read books that celebrate diversity, the library will have a wide selection.

PRESENT Value of the Week: SAFETY

SEEK SAFETY,
AIM SAFETY,
FOLLOW SAFETY,
ENSURE SAFETY,
TEACH SAFETY,
YIELD SAFETY.

70th Anniversary Party

On Friday 16th October we will be holding our 70th Anniversary party. Nursery and Reception will hold their parties in their gardens and Year 1-6 will be celebrating on the KS2 playground/field (weather depending). As the canteen will be closed due to the party, **we ask that ALL children are sent in with a sandwich/savoury snack (sausage roll/wrap etc)**, we will provide all other party food. Where possible, we would really appreciate it if children could be sent in with picnic blankets to sit on during the party (please label them!).

We are a Nut, Seed and Pineapple Free School

Please make sure that you do not give your children nutty bars, seeded bread, Nutella, Kinder Bueno or any other item containing nuts in their lunch box. We have a number of children and staff with life threatening allergies to nuts, seeds and pineapple, and even touching the hand of a child who has come in to contact with nuts, seeds or pineapple could be fatal.
No nuts, no pineapple + no seeds = no problem.

Please note that all Friday meal debts will not be on SchoolMoney until Monday afternoon.
