

Snapshots of the Week

This week, the children have started their **phonics groups** and have been amazing at recalling their sounds and tricky words.

The children have also been finding out about **India** and where it is in the world. They enjoyed locating India on a map and were excited to find our school too! Well done, everyone, for a fantastic week of learning!

Maths

This week in Maths, the children have been using their knowledge of **number facts** and **unitising** to add and subtract multiples of ten. They have also used a range of resources to help them understand how numbers change when adding and subtracting tens. The children have shown great confidence in explaining their mathematical thinking.

Little Wandle Phonics

We have been recapping all our Phase 3 diagraphs and Phase 5 sounds, and the children have done brilliantly to remember them all! We have also recapped our tricky words, with a focus on:

People eyes whole

Looking Ahead to Next Week

Next week, the children will be exploring the outdoor environment as they identify different **flowers and plants** found around our school grounds. They will also continue their learning about **India** by sketching and developing repeating motifs inspired by traditional Indian patterns.

How you can help your child at home

We would like to remind parents and carers to check that all jumpers, cardigans and other clothing are clearly labelled with your child's name. We have already had a number of items go missing, and name labels make it much easier for us to reunite lost clothing with its owner!

If your child has accidentally brought home any clothing that does not belong to them, we would be grateful if these items could be returned to school as soon as possible so they can be reunited with their owners.

Thank you for your ongoing support!

Notices

Reading books and homework books have been handed out for this week. They will be handed out on a **Thursday** to be collected in the following **Monday**.

On **Friday 25th September**, we will be hosting our **Macmillan Coffee Morning** – please do come along if you can!
