ADDENDUM NO. 2
Request for Proposal — Construction Professional (Construction Manager-at-Risk) Services

Stephens County Schools 2026 Renovations and Modifications (Districtwide Projects)

Original Solicitation Issue Date: September 10, 2026

Addendum Issue Date: 10/02/2026

TO: All Prospective Proposers

This Addendum No. 2 is issued by the Stephens County Board of Education (the "Owner") and forms a part of the above-referenced Request for Proposal (the "RFP"). Except as expressly modified below, all terms, conditions, and requirements of the RFP — including the proposal submission deadline of Friday, October 9, 2026, at 2:00 p.m. — and of Addendum No. 1 remain in full force and effect.

Prospective proposers are directed to review this Addendum carefully and to account for its contents in their proposals.

1. Revised Schedule of Events

a. Change to date of committee recommendation and Board selection. The date for the Selection Committee's recommendation and the Board's final selection is changed from Tuesday, October 20, 2026, to **Thursday, November 12, 2026**. The recommendation and final selection will be made at a **called meeting of the Stephens County Board of Education**, to be publicly noticed as required by law, rather than at the regular Board meeting previously identified.

b. Effect on Schedule of Events. Wherever the RFP (including Sections 5 and 13) refers to recommendation and final selection by the Board on October 20, 2026, that reference is replaced by Thursday, November 12, 2026, at the called Board meeting. All other dates in the Schedule of Events remain unchanged unless otherwise modified by subsequent addendum.

2. Acknowledgment of Addendum

Each proposer must acknowledge receipt of this Addendum No. 2 in its proposal, either by so stating in its transmittal letter or by signing and returning this page with its proposal. Failure to acknowledge this Addendum No. 2 may, at the Owner's discretion, be treated as a technicality subject to waiver or may render the proposal nonresponsive.
