Announcement 1:

October is Bullying Prevention Awareness Month. Bullying can take many forms. It can be physical, social and emotional and can also happen over cell phones and the Internet. Today we encourage you to be mindful and respectful in ALL interactions. Let's stand united in kindness, acceptance and inclusion. Look for our **"Cool to Be Kind"** display in the SSC lobby and help us fill it with positive messages for your peers and faculty.

This is a friendly reminder that breakfast is free for all students in the cafeteria each morning.
