

Crestview Elementary

Parent-School Compact

2026-2027

At Crestview Elementary, we believe that student success is built on authentic relationships, high expectations, a love for learning, and a culture where everyone feels seen, heard, and valued. The purpose of this Parent-School Compact is to strengthen the family-school partnership to help every student grow into a responsible, curious, and compassionate citizen who meets or exceeds academic expectations.

Together We **BELONG**. Together We **GROW**. Together We **THRIVE**.
