After School Classes ▶ grades K-8

Keep the learning and fun going after the school day ends! Our after-school classes for grades K–8 offer something for every interest, from sports like soccer, basketball, volleyball, flag football, baseball, floor hockey, golf, pickleball, and chess to hands-on art, STEAM, science, slime, and creative design classes. Middle school students can also explore specialty art workshops and pickleball. These engaging programs help kids build new skills, stay active, make friends, and discover new passions—all in a fun, supportive environment close to home. Students can stay after school and be picked up when class is complete.

Adult Basic Education

Need a high school diploma?

Three Adult Secondary Credential Options available:

GED

- The four tests in the GED battery measure academic competencies.
- To take the official tests, you must be 19 years of age or older and have a valid, current government-issued photo ID. If you are 17 or 18 years old and are not currently enrolled in high school, we can apply for your age waiver.
- The cost per subject area of the GED is $36. Official practice tests are $7.99 each.
- Elk River Adult Basic Education (ABE) will provide instruction to help you prepare for the exam, help you develop a study plan, and guide you through the process of registering for the official exams.
- Minnesota recently approved the HiSET as an additional high school equivalency exam. Our ABE staff is learning more about this exam and will provide it as an option to our programing.

CREDIT RECOVERY DIPLOMA

- Credit recovery diploma is available to qualifying adults age 18 and older.
- Coursework for missing credits is completed in an independent study program using online courses.
- High school transcripts will be evaluated to determine which credits and coursework are needed.

MINNESOTA STANDARD ADULT HIGH SCHOOL DIPLOMA

This option allows adults (19+) to complete their diploma through five domains: English Language Arts, Mathematics, Science, Social Studies, and Employability and Career Awareness. Each domain has a number of competencies that can be met in a variety of ways including school transcripts, test-verified knowledge, ABE courses and experiential learning.

Interested individuals will meet with ABE instructors to determine how competencies will be completed. Learners choosing this option will have their diplomas verified by a panel of field reviewers consisting of ABE instructors, and the diploma is issued from the Minnesota Department of Education.

Improve Basic Skills

Adult Basic Education (ABE) is for learners who need goal-specific basic skills such as:

- Accuplacer and College Prep
- Returning to the workforce or changing careers
- Helping children with homework
- ASVAB preparation
- Keyboarding and Computer Basics

ONLINE! Distance Learning Opportunities

Ask about how you may be able to study off-site in the comfort of your home! Enroll in our online program designed for adults to brush up on skills using online materials and the support of a trained teacher.

- Prepare for the GED
- Brush up on English, reading, writing, or math skills
- Self-paced, individualized programs
- Flexible and convenient

English Language Classes ADULT

Our volunteers do more than help students learn - they encourage, support, and inspire confidence every step of the way.

Volunteers Help Learning Come to Life

Elk River ABE is supported by a diverse group of volunteers who bring more than just their time —they bring heart, lived experiences, and a wide range of skills that make learning feel possible for every student. Our volunteer team has grown in recent months. We have individuals from many walks of life: retired educators and business professionals, a college student, working professionals, and an artist. They are all community members who believe in the power of education.

Learners don't just gain academic skills; they gain confidence by working with people who believe in them and model lifelong learning. Together, they create a welcoming space where students can build skills, confidence, and a sense of belonging.

Here's your opportunity to make a contribution to your community in a personal way. Classroom and one-to-one volunteers are needed for a variety of positions: classroom assistant, clerical assistant and technology assistant. Work with individuals or small groups tutoring basic skills or English as a Second Language. If you would like to learn more about becoming a volunteer, contact the Volunteer Coordinator at 763-433-4221.

ESL For Adults

English as a Second Language (ESL) is training for individualswhose first language is not English. Training is designed to help participants with:

- Speaking
- Reading
- Listening
- Writing
- Test of English as a Foreign Language (TOEFL)
- Citizenship

Beginning, intermediate, and advanced level classes or individualized instruction are available.

Inclement Weathercare is offered from 6:30am-6:00pm at Hassan, Parker and Zimmerman Elementary Schools on days school is cancelled due to inclement weather. Space will be available for students to work on their E-Learning assignments if they wish. To be eligible to attend, families must pre-register and must pre-pay for 3 days.

3-Day Fee: $123 first child; $109 additional child(ren) in family

REGISTRATION INFORMATION AND POLICIES FOR INCLEMENT WEATHER CARE

To be eligible to attend, families must pre-register and pre-pay for 3 days of Inclement Weather Care/School Cancelled; registration opens Oct 5, 2026 for the 2026-2027 school year. Registration ends Dec 7, 2026.

- On days school is cancelled due to inclement weather, sites will open at 6:30am.
- If you have pre-registered for Inclement Weather Care/School Cancelled, but decide NOT to use care on a snow day, you will NOT be refunded your pre-payment.
- If you have pre-registered for Inclement Weather Care/School Cancelled and there are less than 3 snow days during the school year, your credit card will be refunded on approximately May 1 for the days not used.
- If there are more than 3 snow days during the school year, you will have the opportunity to register for additional days.
- Pre-registration is necessary to assure appropriate number of staff on site; drop-ins will not be accepted.
- Children need to bring a lunch and beverage; a morning and afternoon snack and beverage will be provided.
- If school across the state is cancelled by the Governor, EdVenture Club-Inclement Weather Care/School Cancelled will be closed.
- If the Superintendent of ISD 728 Schools decides to cancel EdVenture Club-Inclement Weather Care/School Cancelled due to dangerous weather and/or road conditions, we will close for the safety of the children and staff.
- If Governor or Superintendent closures apply, the day will not count as one of the billed Inclement Weather days.

ISD 728
Early Childhood Family Education

Early Childhood Family Education (ECFE) for families with children birth to before Kindergarten

ECFE believes parents are a child's first and most important teachers, shaping early development and learning. Our classes support both children and parents with helpful info, encouragement, and connection. ECFE offers hands-on learning for you and your child to explore, grow, and connect with other families. Serving all ISD 728 families with children birth to Kindergarten, our Early Childhood Licensed educators provide the high-quality education you expect.

WHAT HAPPENS WHEN WE COME TO ECFE PARENT/CHILD ACTIVITIES?

Staff will welcome you to a room filled with age-appropriate activities. Most sessions include three parts: parent-child time, parent discussion, and children's exploration time. In non-separating classes, parents stay with their child; in separating classes, parents meet in a different room while children engage in activities with staff.

WHAT ARE THE ACTIVITIES?

The classroom will have a variety of age-appropriate activities for you and your child to explore together. Follow your child's lead and enjoy this special time—plus join in occasional group activities with other families.

WHAT HAPPENS DURING PARENT DISCUSSION TIME?

While your child enjoys classroom time with the Early Childhood Educator, you'll meet with other parents and the Parent Educator. Discussions are held in the same room for families with younger children and in a separate room for older ones. It's a welcoming space to share parenting joys and challenges, explore new ideas, and gain support—because research shows supporting parents benefits the whole family.

WHAT HAPPENS DURING THE CHILDREN'S TIME AND HOW WILL PARENTS BE INVOLVED?

Children engage in teacher-led and self-chosen activities while parents join discussions. The Early Childhood Educator sets up age-appropriate activities, and sometimes parents assist in the classroom. This lets parents observe, learn about their child's development, and enjoy quality time together.

WHAT ARE THE IMMUNIZATIONS REQUIREMENT?

Per Minnesota law, up-to-date immunizations, medical exemption, or a notarized objection letter must be submitted with registration and will be kept in the child's record.

WHAT IF MY CHILD HAS SPECIAL NEEDS?

We welcome participants of all abilities. Please request any special accommodations when you register. Note: transportation to classes is not provided unless specifically stated in the class description.

EARLY CHILDHOOD Screening | Childcare

ISD 728 Early Childhood Screening

Early Childhood Screening

Early Childhood Screening is a free health and development check for children after their 3rd birthday. It's required for public preschool or kindergarten and is best done at age 3.

WHO NEEDS TO BE SCREENED?

All district 728 children ages 3-5 who aren't in kindergarten need to be screened before starting school. Those in Head Start or Early Childhood Special Education may already meet this requirement.

REASONS TO SCREEN AT AGE 3

- Screening assists your child to be ready for Kindergarten.
- Early screening helps identify health or developmental concerns so support can begin sooner. Families may be referred to services like School Readiness Preschool or ECFE.
- Screening is free, easy and good for your child.

IS SCREENING REQUIRED?

Minnesota law requires Early Childhood Screening for public school enrollment. It's not required for private or homeschool, but still encouraged—it's a great way to learn about your child's development.

IF YOUR CHILD HAS NOT ALREADY BEEN SCREENED

Schedule your child's screening before starting Discovery Learning Preschool—Minnesota law requires it for public school enrollment.

SCHEDULE A SCREENING APPOINTMENT!

Screenings are by appointment only. Scan the QR code or call 763-241-3525 to start. First, complete the online registration form - once submitted, you'll get an email with a link to schedule your appointment.

WHY I TEACH... LEAH ASHLEY

"I love creating a space where kids feel safe to be themselves. My hope is that each child leaves my class knowing they are valued, capable, and loved."

Miss Leah began teaching dance on the Handke stage at just 18 years old and, after teaching and continuing her dance education while away at college, happily returned to where it all began. Today, she teaches at Handke, Community Education programs across Minnesota, and through her thriving Move & Learn program, inspiring children with dance, movement, yoga, and active learning.

Dance students should wear proper dance attire: leotard with tights or a fitted top & bottom. Hair should be pulled back.

Crescendo Music Lessons

The Crescendo Music Program, founded in 1991, provides individual music lessons to students from Kindergarten through adulthood. Successfully running for over 30 years, we take the hassle and stress out of the student experience by providing the necessary tools for high-quality lessons at a reasonable price. From guitar to piano, beginner to advanced, we offer a well-rounded program for musicians at any level. Music is purchased for students as lessons progress. Lessons are held in district facilities staffed with trained, background-checked professionals. Instruments tentatively available: guitar, percussion, piano, voice, and ukulele.

- Our school-year program consists of approximately 30 half-hour private lessons meeting weekly from mid-September through mid-May. Performance opportunities and an end-of-the-year recital are held to showcase student achievement.
- An initial deposit of $99 is due at registration, with recurring payments of $100 happening on the 5th of each month, October - April.
- Makeup days will be Jan 18th, Feb 15th, May 5th, and 12th, and will be utilized as needed.
- The spring recital will be on May 10th at Zabee Theater in Elk River. Additional details will be provided in class.

Driver's Education ▶ age 15+

Ready to earn your driver's permit? Start with 30 hours of required classroom instruction—offered in-person or online with engaging, interactive lessons. After that, schedule Behind-the-Wheel training with our State-licensed and certified instructors.

Students must be 15 by the last day of class and have a Chromebook or laptop. Need to borrow one? Contact the Community Education office.

WHY CHOOSE DRIVER'S EDUCATION THROUGH COMMUNITY EDUCATION?

- Our instructors are licensed teachers with years of experience and specialized training. They use proven teaching methods and tailor instruction to support each student's learning needs.
- Multiple locations, dates and times that fit busy schedules.
- Flexible registration and payment plans available. **Note: State law requires students to be registered for Behind-the-Wheel before taking the permit test.** Full payment is due by the last day of classroom instruction to complete registration.
- Take your permit test with us! As part of our Driver's Ed package, you can complete the Knowledge (permit) Test at the Handke Center in Elk River. Your instructor will share registration details during class. Need a retake? Just register again and pay a $10 fee.
- Supportive and educational parent class offered multiple times and locations throughout the year.

Drivers under 18 must submit a driving log when testing for a provisional license. It must show at least 50 hours of supervised driving, including 15 at night. If a parent attends a parent class, the requirement drops to 40 hours, with 15 at night.

PARENTS/GUARDIANS:

- A chromebook/laptop is required for this course. Please contact the office if your student needs to borrow a computer.
- A few days before class begins, you'll receive an email with instructions for your student to access the Schoology course. Non-ISD 728 students will receive an access code to join the course.
- Details about the Driving Log, parent class, and Behind-the-Wheel scheduling will be sent home or emailed. Planning to attend the free parent class? Please RSVP by calling Community Education at (763) 241-3520.

Take your permit test with us! As part of our Driver's Ed package, you can complete the Knowledge (permit) Test at the Handke Center in Elk River.

ONLINE CLASSES:

All classroom materials will need to be picked up from Handke Center, 1170 Main Street, Elk River, no earlier than one week before the start of the course. Course material pick-up times are Monday-Friday, 8:00am-4:30pm. If these pick-up times do not work for you, please contact the Community Education office by calling 763-241-3520 or emailing communityed@isd728.org.

Arena Walking ✪

Walking is great exercise for all ages and can be enjoyed inside, especially during rainy and/or snowy days. TruStone Center/Ice Arena offers indoor walking year-round; 8 times around the rink equals one mile. Check our website for daily and weekend hours at www.rogersmn.gov/publicskating.

In addition to the Ice Arena, the Rogers HealthPartners Fieldhouse also offers indoor walking on a designated walking track. Five times around the walking track equals one mile. The walking track, turf, and indoor playground is available year-round. Check out availability and fees at www.rogersmn.gov/fieldhouse.

Fall/Winter Hours | Labor Day – Memorial Day
Monday-Friday: 8:00am-8:00pm
Saturday: 8:00am-5:00pm
Sunday: 11:00am – 5:00pm

Walking at TruStone Center/Ice Arena is free
Walking Track at Fieldhouse is free for residents; $5 for nonresidents.
