

Dr. Lynne Moore
Principal of Norwalk High School

How do you and your school community promote a sense of belongingness?

We focus on academics. Students feel a sense of belonging when they are achieving and are recognized for their progress.

What do you value most about your staff?

The NHS staff is committed to improving student achievement.

How does your school community help you to be a better principal?

The NHS community holds me accountable for creating a safe and strong academic environment. The NHS community knows that I will always do my very best and will not let them down.

What are you most proud of and what are you striving to do better?

I am proud of the efforts that the staff has put forward to raise the level of rigor in all courses and that we have created the Bear Tracks to College Program by offering more college level courses. We are striving to greatly improve the numbers of students who score at proficient and beyond on the College Board exams, the PSAT and SAT.

NORWALK HIGH SCHOOL: THE BEAR'S COLLEGE & CAREER READINESS MOUNTAIN

Every point gained moves you closer to post-secondary success.

GRADE 9 BASE CAMP

Every climb starts with a first step.
