The Webb School
BELL BUCKLE

2026–27 Profile

Founded in 1870, Webb is an independent, college-preparatory, non-sectarian, coeducational day and boarding school serving students in grades 6–12. The School's 150-acre campus is located approximately one hour southeast of Nashville, in historic Bell Buckle, Tennessee.

Our Mission

"to turn out young people who are tireless workers, and who know how to work effectively; who are accurate scholars; who know the finer points of morals and practice them in their daily living; who are always courteous [without the slightest trace of snobbery]"

INTEGRITY | SELF-DISCIPLINE | LEARNING | RESPONSIBILITY | RESPECT | SERVING OTHERS

Honor Code

An emphasis on honor and personal integrity is central to every aspect of school life at Webb. The Honor Code, dating back to the School's founding, features a pledge signed by every student each year. Elected representatives from the Middle and Upper School divisions serve on the student-led Honor Council.

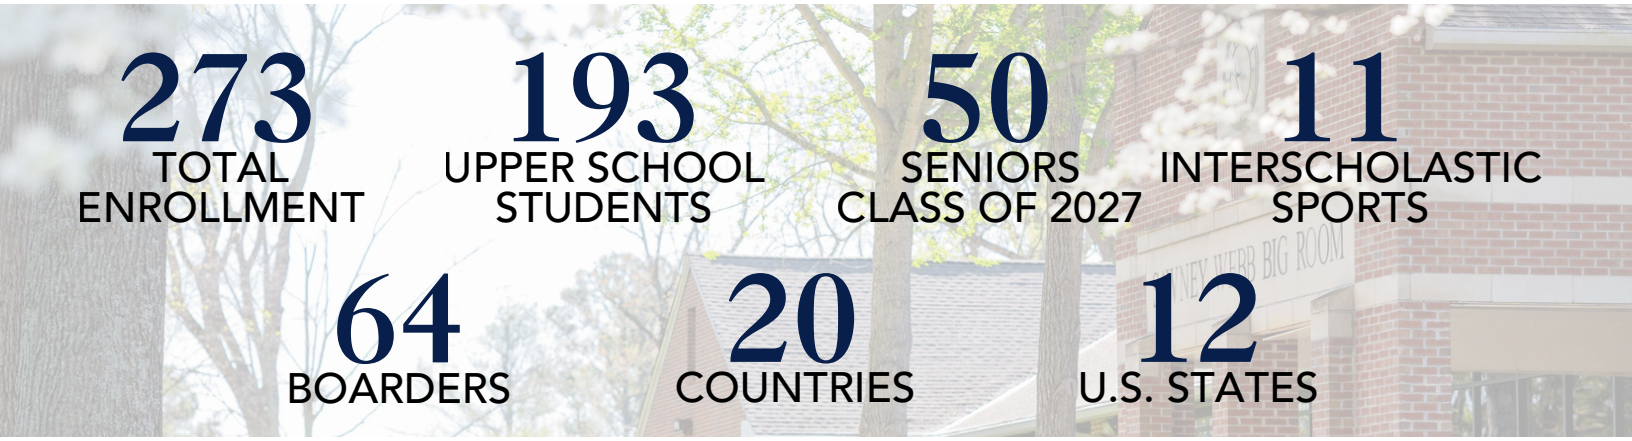

Academic Calendar

The academic year at Webb is organized on a semester system, and a 7-day rotating schedule. Students in grades 9–12 must take a minimum of six courses per semester, with seniors earning at least 5 credits in core academic subjects during their final year of high school.

Grade Point Averages

Advanced Placement (AP) courses receive an extra 1.0 quality point, whereas Honors and Dual Enrollment courses receive an additional 0.5 quality points. Webb does not rank. The transcript provides weighted GPA as calculated below:

A+: 98–100 | **A:** 93–97 | **A-:** 90–92 | **B+:** 87–89 | **B:** 83–86 | **B-:** 80–82

The Webb Way: Unique Academic Opportunities

Webb students are encouraged to pursue advanced work in areas of interest and aptitude, with thoughtful attention to the balance of their overall schedule and activities.

Signature Programs

Signature Programs build upon the strengths of Webb's college-preparatory curriculum while giving students opportunities to discover their passions and develop real-world skills. Following a thorough application process, students may choose to specialize in Aviation, Computer Science and Interactive Media, Health and Human Performance, Leadership, or Wilderness Instruction and Leadership Development (W.I.L.D.).

Emerging Voices

Students participate in Webb's Emerging Voices Program beginning in the sixth grade. Each year brings a new challenge — from memorized declamations and original orations to performance-based and research presentations — strengthening students' ability to think critically, communicate with confidence and engage an audience.

Fine Arts

Students may perform in the highly regarded Webb Strings Orchestra, take lessons in guitar, piano, painting, and pottery, or join the Choir. The Webb Theatre troupe performs in two productions per year, including one musical.
