Upcoming Supplemental School Levy

November 03, 2026

Dear Community Members,

On Tuesday, November 03, 2026, Genesee Joint School District #282 will ask voters to consider the renewal of our current Supplemental Levy in the amount of \$1,185,000 per year. This is not a new tax, but a renewal of the existing levy that helps sustain essential educational services. The levy rate has actually decreased from \$402 per \$100,000 to \$367.88 per \$100,000.

What Is the Levy For?

The funds from this levy will be used to maintain current staffing levels, programs, and services for students during the 2027–2028 school year.

An informational meeting will be held on:

Date: Wednesday, Oct. 28, 2026 @ 6:00 p.m.

Location: MPR/ Cafeteria

All Community members are invited to attend this informational meeting.

This levy is critical to preserving the high-quality educational experience our students receive. Renewing this funding ensures continuity and stability without increasing the current tax rate.

We appreciate your continued support and partnership in keeping our schools strong.

For more information, please contact Superintendent Anselmo at panselmo@sd282.org or 208-285-1161 ext. 4203.

Sincerely,

Paul Anselmo
Superintendent

Volunteers NEEDED!!!
Friday, October 23, 2026
Genesee High School Gym
1:00 p.m. – 3:30 p.m.

Come help us introduce healthy financial behaviors to our students... and have a lot of fun in the process. What you can expect as a volunteer:

- **Your Role** - You will serve as a vendor in this very interactive, hands-on learning simulation where the students will receive a random career, the money and education that goes with that career, and a family situation. They are asked to assume they are 26 and the money they receive must care for their entire virtual family for one month. They visit all of the vendors (no worries – training will be provided but your experience is going to play a part too 😊) – 20+ expenses like housing, transportation, childcare, groceries, banking, and more.
- **Time Commitment** – We will be conducting the simulation from 1:45 p.m. – 3:15 p.m. We ask that you come to a training beginning at 1:00 p.m. to help you with the simulation. This helps you prepare for your role, allows you to ask questions and helps you settle into your booth before the onslaught of students. Other volunteers say this is “a necessary component of the simulation.” (I will bring treats and water 😊).
- **Come prepared to have fun...** and to encourage students towards healthy financial decisions. Past volunteers have commented on how much they have learned about the kids they work with or love and how much they have gained personally from the information in the simulation. Parents and teachers are encouraged to volunteer.
- **Questions??** – For more information or to volunteer, contact Karen (208) 883-2241 or krichel@uidaho.edu.
