SUPERINTENDENT’S REPORT - Ms. Perez Continued

IX. BOARD PRESIDENT’S REPORT - Ms. Werneke

We continue to closely monitor developments in Trenton as New Jersey advances a renewed focus on school funding and long-term sustainability. We know that the Sherrill administration has launched a statewide outreach effort to gather input from communities, educators, and stakeholders.

The state’s 2026–2027 budget includes a record \$12.4 billion in K–12 aid, which is a 3.1% increase over the prior year. But most of that remains concentrated in the state’s largest urban districts. As a result, suburban districts such as ours must continue to navigate rising operational costs, evolving student needs, and ongoing uncertainty surrounding future state aid. At the same time, escalating expenses present real financial pressures that require careful planning and difficult decisions.

In this environment, the Board remains firmly committed to strong fiscal oversight and responsible stewardship of taxpayer dollars. We approach every decision with a focus on maintaining the district’s financial health while preserving the quality of education for our students. Importantly, we are equally committed to minimizing the impact on our community. We continue to seek from the District ways to increase efficiencies and prioritize essential investments only.

The district is also evaluating its long-term financial outlook and facilities needs. As part of this process, a potential voter referendum is under consideration, and a community survey has been distributed to gather input. Feedback from residents will play a critical role in helping the Board determine whether a referendum should move forward along with priorities related to facilities, programming, and student support services.

Residents of Matawan and Aberdeen who have not yet completed the survey are encouraged to contact the district's Central Office or visit www.marsd.org for more information.

X. CURRICULUM AND INSTRUCTION

Mr. Liebmann presented the Curriculum and Instruction Agenda on which the Board will take action this evening:

It was motioned by Ms. Skop, seconded by Mr. Mondella to approve the following:

The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education approve:

1. Travel

Pursuant to travel policy #6471, the following staff is approved for travel related to training and workshops. This travel is deemed educationally necessary and fiscally prudent, and all travel expenditures shall be directly related to and within the scope of the staff member's current responsibilities and the district's Professional Development Plan. ([Curriculum & Instruction Attachment #1](#))

Policy: #6471 Travel/Reimbursable Expenses

Rationale: Required estimates to abide by law and policy

2. Approve the Memorandum of Understanding between Matawan-Aberdeen Regional School District/K.E.Y.S. Academy Recovery High School and CPC Integrated Health for the 2026-2027 school year to provide support services to the school's students with mental health, physical health and/or substance use issues and providing training programs for the school's faculty and staff.

3. Approve the Memorandum of Understanding between Brookdale Community College and the Matawan-Aberdeen Regional School District for the K.E.Y.S. Academy Program for the 2026-2027 school year.

4. Approve the Qualified Service Organization Agreement between New Hope Integrated Behavioral Health Care (IBHC) and the Matawan-Aberdeen Regional School District/K.E.Y.S. Academy Recovery High School for the 2026-2027 school year for the referral of clients in need of non-hospital detoxification, intermediate care, outpatient, and aftercare services.

5. Approve the use of Heartstrings, Inc. to provide group music lessons to students of K.E.Y.S. Academy as part of the curriculum instruction for the 2026-2027 school year.

Rationale: Heartstrings, Inc. recognizes that music has the power to inspire, heal, and connect people across all walks of life. By offering a structured program that blends music education with artist development, Heartstrings provides economically disadvantaged and at-risk individuals the opportunity to build confidence, develop creative skills, and foster meaningful community connections. This initiative not only nurtures artistic talent, but also promotes personal growth, resilience, and a sense of belonging—creating lasting positive impacts on participants' lives.

Cost: \$2,500 (NTE)

Account #: 20-006-100-320-09-0000-0

6. Approve the use of Give a Kid a Dream NJ to provide group boxing training sessions to students of K.E.Y.S. Academy as part of the curriculum instruction for the 2026-2027 school year.

Rationale: New Jersey Give a Kid a Dream's Champions of Life program uses the discipline, structure, and dedication of amateur Olympic-style boxing as a powerful tool to engage at-risk youth. Beyond the sport, the program integrates fitness, health education, mentoring, social etiquette, and academic support—equipping participants with the skills and habits needed for long-term success. By reinforcing values such as perseverance, respect, and self-control, Champions of Life empowers young people to see themselves not only as champions in the boxing ring, but as resilient, goal-driven individuals capable of achieving excellence in all areas of life.

Cost: \$3,200 (NTE)

Account #: 20-006-100-320-09-0000-0

7. The submission of the district's School Safety and Security Plan Annual Review Statement of Assurance (SOA) for the 2026-2027 school year.

Rationale: In accordance with N.J.A.C. 6A:16-5.1 School Safety and Security Plans, each school district is required to have comprehensive plans, procedures and mechanisms that provide for safety and security in the school district's public schools. The School Safety and Security Plan (SSSP) must meet the minimum state requirements and clearly define plans, policies and procedures for prevention of, response to and recovery from emergencies and crises. The SSSP is developed and reviewed with key stakeholders such as law enforcement agencies, public health agencies, social services providers, emergency management planners, district, school and other community resources.

8. The following additions/revisions/updates for the 2026-2027 school year.

- [C&I Curriculum Guides](#)

9. The following observation and evaluation instruments for the 2026-2027 school year.

- a. Danielson Framework for Teaching (FFT) 2013 Edition
- b. NJ Pre-K Danielson Evaluation Rubric 2011 Edition (developed by Early Childhood Consortium with NJDOE)
- c. NJ Athletic Trainers Evaluation Rubric
- d. NJSCA's New Jersey School Counselor Evaluation Rubric, 2013
- e. Other Certified Staff Rubric
- f. Nurse Evaluation Rubric
- g. NJ Library Media Specialist Evaluation Rubric
- h. Marshall Administration Evaluation Instrument

Rationale: The TEACHNJ Act requires the implementation of educator evaluation systems. Districts must comply with all elements of TEACHNJ as well as all other statutory requirements. The observation/evaluation rubrics noted above were discussed and approved by the District Evaluation Advisory Committee (DEAC). Given that roles such as educational services staff, counselors, and other specialists have varied job descriptions in districts across the state, the creation of common evaluation practice instruments is difficult. As a result, the New Jersey Department of Education will continue to provide school districts with great latitude in evaluating staff members in these roles. Districts can choose to continue existing practice, adopt or adapt instruments from instrument providers, or create their own.

10. The submission of the Statement of Assurance (SOA) for the District Professional Development Plan for the 2026-2027 school year.

Rationale: School district leaders must annually affirm through a Statement of Assurance (SOA) that the district-level professional development plan (PDP) has been developed in accordance with all regulations as specified in N.J.A.C. 6A:9C-4.2. These requirements apply to all public school districts, charter schools, and approved private schools for students with disabilities (APSSD), and those nonpublic schools that choose to follow state requirements and whose staff members hold positions that require the possession of instruction, education services and administrator certificates.

11. Approve the utilization of the highly effective teacher practice protocol as a flexibility option for highly effective tenured teachers during the 2026-2027 school year, as per Achieve NJ regulations.

12. Approve and adopt all existing district curricula and textbooks for the 2026-2027 school year.

Rationale: Pursuant to the state and federal administrative rules and regulations curricula (NJSLs) and textbooks must be approved each year by the local District Board of Education.

13. Approve the Matawan Regional High School NCAA Academic Eligibility Presentation at Back to School Night in the Fall of 2026.

Cost: None

14. Approve the Matawan Regional High School Financial Aid Presentation by HESAA on September 15, 2026.

Cost: None

15. Approve the receipt of the Sprouts Healthy Communities Foundation grant. The award is \$5,000 for the Cliffwood Elementary School Garden. The grant will allow the school garden to serve as a living classroom, providing students with hands-on, experiential learning opportunities that extend and reinforce concepts taught indoors. By actively participating in planting, tending, and harvesting, students develop real-world connections to subjects such as science (plant biology, ecosystems, and life cycles), math (measuring, estimating, and tracking growth), and nutrition and health. The garden also fosters social-emotional learning, as students work collaboratively, build responsibility through caring for living things, and develop patience and perseverance over time. Teachers will be able to integrate garden activities into lesson plans across grade levels, making the outdoor space a dynamic extension of the classroom that brings curriculum to life through direct experience with the natural world.

Cost: \$5,000 (NTE)

Account #: 20-061-200-600-60-0000-0

16. Approve the 2026-2027 MARSD School Improvement Panel (ScIP) Committee Members. Staff members highlighted in bold will also serve on the District Evaluation Advisory Committee (DEAC) for the 2026-2027 school year.

19. Approve the Memorandum of Understanding (MOU) between Therapy Dogs International (TDI) and MARSD as part of the Cliffwood Elementary School and Lloyd Road Elementary School Therapy Dog Program for the 2026-2027 school year.

20. Approve the MRHS Civic Leadership Academy students to participate in an overnight team building retreat on October 19 - 20, 2026.

Rationale: The purpose of this retreat will be to allow the Civic Leadership students to have the opportunity to develop skills that strengthen their leadership, team-building, conflict resolution, communication and decision making skills. The character traits that the students will learn while on this trip will navigate them in the right direction starting a new school year.

XV. PUBLIC COMMENTS RELATING TO AGENDA ITEMS & ADDITIONAL MATTERS

The Board of Education welcomes public comment on matters affecting the school community. Speakers must state their name and address and are limited to three minutes, with an opportunity to speak again after all others have been heard. Comments should be directed to the Board President and not individual members. Please keep comments civil and be aware that statements that violate laws related to defamation or privacy may result in personal liability. Individuals with questions about the legal implications of their remarks are encouraged to consult their own legal counsel in advance.

Started 7:56 pm

- Mr. Rocco - Received bill for property taxes and did some taxes. Reviewed bill, about 60% going to the town. Don't know how to pay and we are seniors.

- Ms. Werneke - We are trying to work on being fiscally sound. Our Business Administrator works day in and day out to listen to requests. We are bound by laws and we are doing the best we can, also look for revenue resources. We could sent resources for tax freezes.
- Mr. Rocco - Appreciate and proves the district is very transparent.
- Ms. Pell - Please remember we are all taxpayers too. When the state gave us an increase we chose to vote no.

Ended 8:15 pm
