GRADE LEVEL CLASSROOM LESSONS

October Learning Objectives:

3rd-grade students will identify characteristics of quality friendships and apply conflict resolution and communication skills, including "I statements".

4th-grade students will demonstrate ways to respectfully communicate and build interpersonal relationship skills, and how to be proactive bystanders.

5th -grade students will identify how explicit and implicit biases impact relationships, and how to make informed decisions when using artificial intelligence

American School Counseling Association Student Standards

B-LS 1. Critical Thinking skills to make informed decisions.

B-SS 8. Advocacy skills for self and others and ability to assert self, when necessary

M 2. Sense of acceptance, respect, support and inclusion for self and others in the school environment

B-SS2. Positive, respectful and supportive relationships with students who are similar and different from them.
