The county-designated agency completes the official OWI assessment and writes the Driver Safety Plan; Solace Grove provides appropriate clinical care following referral.

Coverage, access & everyday wellness

We accept most insurance. Private-pay options are also available. We verify benefits and expected costs before care. For telehealth, you must be physically in Wisconsin. Tell us about language or accessibility needs.

Explore educational resources in our Wellness Library and Wellness Shop at solacegrove.org. Your care team can also help coordinate appropriate next steps with other providers.
